2024 Balance of State CoC Competition

- Process by which providers within the Balance of State compete nationally for funding
- DCA as the Collaborative Applicant manages this annual process
- Local providers apply to operate programs and eligible applications are scored and ranked
- High scoring applications are included in the final ranking submitted by the CoC to HUD for final award determination

2024 Balance of State CoC Competition

- Applicants with a grant expiring in 2025 will submit renewal applications as a part of this competition to prevent a gap in funding
- YHDP renewal projects will be renewed non-competitively but are still required to submit a renewal application to be considered for funding
- Awards will be announced in early 2025 and recipients should expect to execute grant agreements in the second half of calendar year 2025

2024 HUD Continuum of Care Competition (2-Year NOFO) - **NEW**

NEW this year:

- The Consolidated Appropriation Act, 2024 authorizes HUD to issue a single 2-year NOFO for fiscal years 2024 and 2025.
- HUD's application and selection process for FY 2024 funds will proceed much like prior-year competitions.
- CoCs and Projects applying for FY 2024 funding are only required to submit one application that will be applicable to both FY 2024 and FY 2025.
- If new competitive funding becomes available for FY 2025, HUD may amend NOFO, and HUD will use the FY 2024-2025 CoC Application score for the FY 2025 application selection process.

While the HUD NOFO addresses both the FY 2024 and FY 2025 CoC Program Competition, the BoS CoC policy document only pertains to CoC and YHDP Renewal grants that meet the renewal eligibility requirements for FY 2024 funding, and for applicants seeking new projects under the FY 2024 competition. CoC and YHDP renewal grants eligible to be renewed with FY 2025 funding will be addressed in a forthcoming policy.
