Project Narrative

Please provide a detailed narrative description of the proposed project for which you are seeking OneGeorgia Equity Rural Workforce Housing Initiative funding assistance. The narrative description should:

1. Clearly list all entities, public and private, that will be involved in carrying out the project and describe their specific roles (project coordinator, fund administrator, property holder, borrower, funding provider or of in-kind services, utility provider, etc.)
2. Clearly describe the need for workforce housing in the community or communities. Describe the number of units, types of units, price points, etc.
3. Clearly describe each activity that will need to be undertaken in order to implement the project (use of funds) and specify which of the entities involved will be responsible for implementing that activity, whether or not it will be paid with OneGeorgia Equity Rural Workforce Housing Initiative Funds.
4. Identify all sources of funds and their status (on hand, awarded, committed, applied for, etc.) and explain why OneGeorgia Equity Rural Workforce Housing Initiative funding assistance is needed.
5. Identify any funding sources that were applied but were not received and explain why funding was not secured through alternate requests.
6. Identify all short-term and long-term results, direct and indirect benefits and quantify them to the maximum extent possible.
7. Provide a clear timeline for implementation of the project and achieving the desired result(s)
8. Reference all supporting documentation, including maps, preliminary engineering reports, property control, zoning, and permits.
9. Include all required documentation as clearly defined in the Initial Project Assessment response letter (i.e., PER, commitment letters, etc.)
