

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHDP Renewal; and
- YHDP Replacement and Reallocation.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all CoC project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved and are not ranked per the FY 2024 - FY 2025 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHDP Renewal Project Listing (All Rounds); and
- YHDP Replacement and Reallocation Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in Calendar Year 2025 into one or more new projects? Yes

Alert:

As stated in the FY 2024 - FY 2025 CoC Program Competition NOFO:

- CoCs may reallocate YHDPs project from any Round to create new YHDP projects, so long as the project eliminated or reduced has renewed during the CoC Program Competition at least once.

Reallocated YHDP funding can ONLY be used to create new YHDP projects.

- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who qualify under the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act.

3. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible CoC, DV Renewal or YHDP renewal project funds to create new project application(s) – as detailed in the FY 2024 - FY 2025 CoC Program Competition NOFO – may do so by eliminating one or more expiring eligible projects.

CoCs that are eliminating eligible CoC, YHDP and DV Renewal projects must identify the funding source for those projects on this form.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.

3. Reallocation - Grant(s) Eliminated Details

Instructions:

For guidance on completing this form, please reference the FY 2024 CoC Priority Listing Detailed Instructions and FY 2024 CoC Priority Listing Navigational Guide on HUD's website. https://www.hud.gov/program_offices/comm_planning/coc/competition.

3-1 Complete each of the fields below for each eligible renewal grant that is being eliminated during the reallocation process. Refer to the FY 2024 Grant Inventory Worksheet to ensure all information entered is accurate.

Eliminated Project Name: AIDS Ahens PSHP
Grant Number of Eliminated Project: GA0266L4B012310
Eliminated Project Component Type: PH-PSH
Funding Type: CoC Renewal
Eliminated Project Annual Renewal Amount: \$91,618

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 2500 characters)

The elimination of this project (GA0266L4B012310) is due to underutilization of this project grant. This project is only currently serving two participants, and this project did not enroll any new clients in calendar year 2023 or 2024.

During the application review of this renewal BoS PSH project, it was determined that this project only served two participants in a six-unit project since Q1 of 2024. In addition, they had three participants exit during the period of performance review and never filled those units. With a 6-unit project, this means that one unit (slot) has been vacant for a year and 3 since April, and only 2 participants have been in the program since April. Collaborative Applicant staff met with AIDS Athens staff to discuss this project's performance on 9/26/24, and they discussed issues in finding units for this project. CoC staff also looked at data in HMIS and determined that data is showing only those two participants enrolled in the project.

The elimination and reallocation of this project was reviewed and approved by the Standards, Rating, and Project Selection Committee on 10/7/24, who then made recommendation to the Board. On 10/15/24, the elimination and reallocation of this project was reviewed and approved by the CoC Board. On 10/15/24, Collaborative Applicant staff sent formal notification of the decision to eliminate and reallocate this project grant due to underutilization.

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 2500 characters)

The elimination of this project (GA0265L4B012310) is in response to Travelers Aid of Metropolitan Atlanta letting Collaborative Applicant staff know that they would not be requesting renewal funding for this project in the 2024 CoC Competition. Travelers Aid of Metropolitan Atlanta staff let DCA staff know in an email that they would not be renewing this project, and a review application package for the renewal of this project was not submitted for scoring and review.

The elimination and reallocation of this project was reviewed and approved by the Standards, Rating, and Project Selection Committee on 10/7/24, who then made recommendation to the Board. On 10/15/24, the elimination and reallocation of this project was reviewed and approved by the CoC Board.
