

MEMORANDUM

TO: The Honorable Brian Kemp, Governor; The Honorable Burt Jones, Lieutenant Governor; The Honorable Jon Burns, Speaker of the House; DCA Board Members; Mayors; County Commission Chairs; Regional Commissions; Chambers of Commerce; Development Authorities; Other Interested Parties

FROM: G. Christopher Nunn, Commissioner 

DATE: January 20, 2023

SUBJECT: 2023 Job Tax Credit Program Designation of Tier 1, Tier 2, Tier 3, and Tier 4 Counties, Less Developed Census Tracts, and Military Zones

Each year the Department of Community Affairs (DCA) ranks all 159 counties in Georgia based on certain economic factors outlined in Georgia statute. The relative ranking uses a variety of statutorily identified, prior year data, available through American Community Survey as of December 15, 2022. This data is used to determine job tax credit tiers and to identify less developed census tracts and military zones, each of which has certain credit incentives to encourage development in less developed communities.

Please read carefully as the format and content of this memo are updated every year.

Job Tax Credit (JTC) Tiers Ranking

As required by O.C.G.A. § 48-7-40(b), each county is assigned an annual tier ranking to determine eligibility for job tax credits, which may be used against Georgia income taxes for any business or headquarters of any such business engaged in manufacturing, warehousing and distribution, processing, telecommunications, broadcasting, tourism, research and development industries, or services for the elderly or persons with disabilities that create and maintain sufficient numbers of new full-time jobs. (In the forty least developed counties, and certain specially designated areas, job tax credits are available to businesses of any nature, including retail businesses). For example, Tier 1 counties necessitate at least 2 net new jobs to be eligible for a credit of \$3,500 per job. Tier 2 counties necessitate at least 10 net new jobs to be eligible for a credit of \$2,500 per job. Benefits and requirements are scaled for lesser-developed areas, with Tier 3 counties necessitating only 15 net new jobs to be eligible for a credit of \$1,250 per job. Tier 4 counties necessitate at least 25 net new jobs to be eligible for a credit of \$750 per job.

Annual changes in an area's designation could have an impact on the incentives available to businesses locating or expanding in that particular community. A complete overview of 2023 Job Tax Credit (JTC) county tiers is included as **Appendix A**. The following table lists the counties whose designation will change and result in a subsequent reduction in the tax credit benefit available through the JTC. Businesses currently planning job creation in these counties are eligible to preserve 2022 JTC benefits by filing a Notice of Intent (NOI) prior to the March 31, 2023 deadline. NOIs are filed directly with DCA to prevent adverse effects to a business based on changes in

county tier rankings or re-ranking out of the Bottom 40 counties. There are many changes for 2023 reflected in the memo provided. These changes are largely due to the fact that the 2020 Census data was made available through the information used for the current year rankings.

Less Developed Census Tracts Designations

O.C.G.A. § 48-7-40.1(b) requires that DCA also rank the state's census tracts by December 31 of each year. The census tract detail is applicable to a 2023 tax year beginning on or after January 1, 2023, and includes "less developed" census tracts that are statistically similar to the bottom seventy-one (71) counties (Tier 1) and are contiguous to at least nine other such tracts. To rank census tracts, DCA used American Community Survey data available as of December 15, 2022, for the year prior. A complete listing of designated Less Developed Census Tracts for 2023 is attached as **Appendix B**. These "less developed" areas are eligible for benefits similar to Tier 1 counties.

Changes in Less Developed Census Tract designations can also impact incentives available to businesses with plans to locate or expand in a particular area. These businesses are also eligible to file an NOI, as outlined above, on or before March 31, 2023. The NOI is designed to prevent adverse effects to a business based on re-ranking out of a less developed census tract. **Appendix C** lists census tracts whose designation will change and result in a reduction in tax credit benefits. Therefore, filing an NOI will prevent adverse effects to a business based on changes in a re-ranking out of the Less Developed Census Tract listing.

Military Zone Designations

O.C.G.A. § 48-7-40.1(c)(2) provides for the designation of Military Zones where an area is comprised of one or more census tracts adjacent to a federal military installation where pervasive poverty exists, as evidenced by a 15 percent or higher poverty rate. **Appendix D** lists Military Zone census tracts whose designation will change and result in a reduction in tax credit benefits.

Therefore, filing an NOI will prevent adverse effects to a business based on changes in a re-ranking out of the Military Zone listing. Beginning with the 2019 annual ranking, O.C.G.A. 48-7-40.1(c)(2.1) provided for the designation of Military Zones for census tracts in a county that contains a federal military installation with a garrison of at least 5,000 federal or military personnel combined, and contains an industrial park that is owned and operated by a governmental entity. Designations may change at any time with the addition of census tracts meeting those criteria. A complete list of current census tracts designated as Military Zones are included as **Appendix E**. If any such changes are made during the year, an updated listing is made available on the Military Zone website: <https://www.dca.ga.gov/community-economic-development/incentive-programs/military-zones>.

COVID-19 Changes

The definition for “telecommuter employee job” is still included within the Job Tax Regulations, the latest version which can be found on the Georgia Secretary of State website. This is also a short-term change related to the aftereffects of COVID-19 and will, at this time, only apply to tax years beginning in 2020, 2021, and 2022.

Notice of Intent Process – Action Required

DCA encourages all affected communities to proactively contact local industry to make them aware of these changes and encourage them to alert their accountants and/or contact DCA before the March 31, 2023 deadline for filing an NOI. Any company seeking to utilize the currently available 2022 eligibility and benefits may use the NOI process to secure these benefits for the next three years (2023, 2024 and 2025). NOIs must be postmarked by March 31, 2023 and sent to DCA at: 60 Executive Park South, NE, Atlanta, GA 30329, Attn: Tricia DePadro. NOIs may also be emailed to: oad@dca.ga.gov. An NOI form is attached as **Appendix F**, and may be replicated for distribution to interested filers. Copies are also available online at: <https://www.dca.ga.gov/node/4097>.

Any Census Tract appearing on both lists above and below are shown for purposes of differentiating how each qualified under which O.C.G.A. section.

† The Census Tract numbers as shown are based on 2020 Census boundaries (i.e. TIGER 2020).

Designated census tracts have an effective date noted next to the tract.

Eligible jobs created in a tax year beginning on or after the designation date may be considered for the Military Zone Job Tax Credit.

Instructions for Preparing Notice of Intent

The Notice of Intent (NOI) is provided to assist businesses which are expanding or locating in the state and whose county tier is reclassified or census tract area is removed from the Less Developed Census Tract listing. Timely filing of the NOI will allow a business to continue to claim the tier or census tract classification in effect for the year prior to the year the NOI is filed. Please note that the NOI must be filed with DCA no later than March 31st after the rankings are released in order to continue to claim the prior year ranking. (i.e., to preserve the 2022 ranking, the NOI must be filed with DCA no later than March 31, 2023.)

Line 1 – Enter the name of the taxpayer creating jobs.

Line 2 – Mailing address to which accepted Notice of Intent should be returned.

Line 3 – Location address(es) in Georgia where jobs will be created.

Line 4 – County or counties in Georgia where jobs will be created. Please note that multiple counties may be listed on the same form as long as they are all within the same tier. Different county tier locations must be listed on separate forms.

Line 5 – This number should reflect the number of proposed new, full-time jobs that the taxpayer will create over the next three (3) years and should at least equal the tier threshold required. (Note that the minimum job threshold must be met in a single tax year and that new, full-time jobs must conform to the applicable definitions found in the Job Tax Credit Regulations.)

Line 6 – The years listed should reflect the three (3) years of job creation for which the notice is submitted, not to exceed five (5) years from the submission date.

Line 7 – List the most appropriate NAICS Code for the type of operation where jobs will be created and briefly describe the type of operation at the location where the jobs will be created.

Complete **only one** to preserve the proper designation of the specified location: **(a)** to certify the county tier **OR (b)** to certify the less developed census tract.

- For the county tier, fill in (a) with the name of the county and the tier number.
- For the less developed census tract, fill in (b) with the census tract number.

Please note that only (a) or (b) should be completed, depending upon whether the credit will be claimed under the county tier designation or the less developed census tract designation. Additional information on the Job Tax Credit Program and the Notice of Intent are available in the program regulations available on DCA's web site at:
