Georgia Dream Loan Program

Program Overview

The Georgia Dream Loan Program provides financial assistance for eligible first-time homebuyers. Affording the down payment is often the biggest obstacle to homeownership. Georgia Dream can help qualified borrowers clear this hurdle.

Down payment loans are available to first-time homebuyers or homebuyers who have not owned a home in the past three years, or those who purchase a home in certain areas who also meet a set of financial criteria.

Potential homebuyers apply with participating lenders for Georgia Dream loans. These loans may be secured or guaranteed FHA, VA, USDA-RD loans or conventional uninsured loans. Interest rates are available from participating lenders. Once the lender grants final credit approval, the loan documents are prepared for closing.

Borrowers must attend and complete either a homebuyer education workshop, individual housing counseling sessions, or an online homebuyer education course through E-Home America.

Financial Criteria

- Expanded household income limitations apply
- Have liquid assets of no more than \$20,000 or 20% of the sales price, whichever is greater
- Meet minimum credit requirements
