

Project Narrative
Sandalwood Terrace
Ludowici, Long County

The developer, Hallmark Development Services, LLC has undertaken a major initiative to upgrade and modernize a portfolio of 26 affordable rental-housing properties located in various rural markets across Georgia. Hallmark is one of the country's largest and most highly regarded Owner/Operators of USDA Rural Development Section 515 sponsored properties and has a current portfolio consisting of more than 4,504 units with over 76 properties in GA alone. Hallmark continues to partner with Greystone Affordable Development to spearhead complex financial transactions. Greystone is a real estate finance and transaction management firm with a focus on recapitalization and preservation of affordable housing properties. Greystone has a strong record of accomplishment with portfolio preservation transactions and has successfully completed 10 similar portfolio preservation renovations comprising 7,229 units at 214 properties across the Southeast, all using the 4% tax-exempt bond structure. As part of the transaction team, Greystone will manage all pre-closing processes, including coordinating due diligence and arranging financing; will oversee each project's construction and will complete post-renovation activities to place projects in-service.

Sandalwood Terrace is one of 26 properties (23 post-consolidation) included in the proposed portfolio. Hallmark Sandalwood Terrace, LLC seeks an allocation of tax-exempt bonds and 4% credit from the Georgia Department of Community Affairs for the acquisition and rehabilitation of Sandalwood Terrace. The renovation will serve to extend the useful life of the property and improve the quality of life of its tenants while providing safe, decent and affordable housing for residents for years to come.

Sandalwood Terrace is an existing USDA Rural Development 515 affordable multi-family residential development, currently operating as an elderly designated rental community. Originally built in 1994, the property has thirty one (31) total residential units for low-income elderly households and is located in Ludowici, Georgia. The town of Ludowici is about 50 miles southwest of Savannah, GA, 100 miles north of Jacksonville, FL, 110 miles northeast of Valdosta, GA and 50 miles southeast of Vidalia, GA. The property is conveniently located at 723 4th Street Northwest, Ludowici, GA 31316 near many amenities, restaurants and shopping options for residents of the property to enjoy.

Sandalwood Terrace is currently 100% occupied and operates under the requirements of the USDA Rural Housing Service Section 515 program. The property includes thirty one (31) apartment units housed in 6 residential buildings, as well as one common area building housing the community room, laundry, management office, and maintenance area. Never having received a full-scale rehabilitation, and being approximately 23 years old, this property is in dire need of substantial repairs to the exteriors and interiors.

The Borrower submitted a Transfer Application Package to USDA, and approval to assume the Section 515 mortgage in accordance with HB-3 3560 was granted. The Borrower under new rates and terms (up to 50-year amortization or RUL, 30-year term, 1% effective interest rate) will assume the unpaid principal balance at the time of initial closing. It is further anticipated that the assumed debt will be further subordinated to the new USDA Section 538 GRRHP loan, subject to approval by the RHS Director.

The Housing Authority of Macon-Bibb County will issue Approximately \$1,415,000 of short term, fixed rate Tax Exempt Bonds. Bond proceeds are to be used substantially for the repairs of the property. The bonds will remain outstanding until the maturity date upon which bonds will be redeemed by proceeds from the sale of GNMA Mortgage Backed Securities and/or tax credit equity. The permanent financing structure contemplates a 538 GRRHP Loan amount of \$660,000 for a 40 year term, 40 year amortization, and a 4.50% fixed interest rate.

It is expected that a single series of bonds will be issued that will be secured by cash sources equivalent to the principal and interest due on the bonds through the maturity date. The bonds will carry a short-term maturity date and while they will qualify the projects for 4% housing credits, they are not a permanent source of financing for the projects. The Bonds will be collateralized by a cash source at all times. Upon closing of the issue, the bond proceeds will be placed into the Project Account, held with the trustee, and equity will be deposited into the Initial Deposit Account in the amount of the capitalized interest that will be owed to the bond holders at the end of the bond term. As bond-eligible costs are incurred, funds will be drawn down from the Project Account, but only as an equal amount of funds is deposited into the Assignment, or collateral, Account. This ensures that for the full term of the bonds, there is always enough cash held with the trustee to pay back the principle and interest for the entire bond issue.

Boston Financial Investment Management, LP is the proposed Syndicator for the 4% LIHTC's. It is anticipated that an affiliate of this group will be admitted into the partnership as the Investor Member and will contribute an estimated \$763,385 in Federal and \$489,563 in State LIHTC proceeds to the project.

Unless recently replaced by management, planned interior improvements will include (but are not limited to) upgrading the kitchens and bathrooms with new cabinets, countertops, energy efficient plumbing fixtures and appliances, as needed. Additional interior work includes the installation of new flooring (vinyl), energy star qualified HVAC systems and domestic hot water units, per the unit matrix. Electrical improvements will include the replacement of interior and exterior light fixtures, new GFI outlets and new smoke detectors. Exterior improvements include vinyl siding, new energy efficient windows, and new exterior doors, as needed. Furthermore, additional community work will include parking lot and sidewalk repairs, landscaping upgrades and new property signage.

As evidenced by the above summary, the proposed rehabilitation of Sandalwood Terrace is in the State and tenants' best interest.

VI. DCA COMMENTS - DCA USE ONLY

HARD COSTS: Construction costs are provided by the General Contractor. See enclosed SOW for schedule of values. See RD Approved Post Rehab Capital Needs Assessment which incorporates the proposed SOW, establishing a new 20 year replacement reserve schedule.

CONSTRUCTION PERIOD FINANCING: The finance structure is based on immediate delivery of the 538 loan. Therefore, no separate construction loan is required as the permanent financing is in-place at bond issuance and construction closing. Interim interest expense assumptions are based on the construction schedule, assuming that each project will be responsible for the interest that is incurred prior to the commencement of the 538 loan's amortization. As a result, the period for which each property is capitalizing 538 interest in the budget will vary, but each amount is based off of 4.5% interest rate (to be finalized at rate lock prior to closing) and will cover the properties' interest-only payments through construction until the property takes over the payments and the loan begins amortizing. Bond interest for the cash collateralized bonds is based on a 18-month term with an all-in pay rate of 1%. Investment earnings for the cash collateralized bonds are based on a 12-month term at an earned rate of 0.5%.

PROFESSIONAL SERVICES: A) Architectural Fees - per contract with Wallace Architects, LLC, service fee allocated 65% Design and 35% administration. B) Accessibility Inspections and Plan Review - accessibility inspections and plan review have been completed by Mark English of E & A Team Inc. C) Survey - An Alta Survey has been completed and an as-built survey will be completed by Lanier Engineering . D) Cost Certification & Energy Audit Testing - LIHTC and Tax Exempt Bonds cost certifications to be completed by Tidwell Group. Energy Audit will be completed by Jack Wynn of Southern Home Energy Solutions.

LOCAL GOVERNMENT FEES: Local government and/or tap fees are not applicable, as there will be no new units or baths added as part of the rehab scope of work.

COMPLIANCE MONITORING FEE: The Compliance Monitoring fee is \$800 per unit.

RESERVES:

RENT UP RESERVE - If this transaction is approved, the project will undergo an in-place rehab where no tenants will be displaced during the rehab, therefore no rent-up reserve is needed.

OPERATING DEFICIT RESERVE - A waiver has been approved by DCA (consider operating deficit reserve equivalent to 3.5 months of operating expenses plus 3.5 months of debt service).

RELOCATION: Relocation has been budgeted for any temporary relocation expenses that arise during the in-place rehab. See attached temporary relocation cost estimate.

PART FOUR (b) - OTHER COSTS - 2017-0 - Sandalwood Terrace - Ludowici - Long, County

DCA requires the Applicant provide a narrative for all "Other" development costs listed on Part IV-Uses of Funds. For any amounts shown below the Applicant needs to provide an explanation of the cost incurred by the development. The narrative should be a brief description for DCA intended to justify its inclusion as a valid development cost. Further, if the "Other" cost is included into eligible basis, a second narrative is required describing its justification into tax credit basis. Expand row size as needed to show text.

V. APPLICANT COMMENTS AND CLARIFICATIONS

RENTS: Pro forma rents are at or below CRCU (Conventional Rents for Comparable Units), providing a slight market LIHTC advantage. The project will continue to receive 100% PBRA.

PROPERTY TAX: Pro forma as approved by USDA RD.

PROPERTY INSURANCE: Pro forma as approved by USDA RD.

REPLACEMENT RESERVES: Annual transfer at \$300 per unit in order to adequately fund 20 year capital reserve needs (per Post Rehab CNA) and as approved by USDA Rural Development. New Owner is required to follow RD's program requirements regarding Replacement Reserves.

In addition to operating expenses each year, the property will pay a guaranty fee associated with the 538 loan. The guaranty fee will be 0.5% of the outstanding loan balance at the end of each year.

III. Applicant Comments & Clarifications

IV. DCA Comments

The project was awarded debt deferral under the Multi-family Housing Preservation and Revitalization Restructuring Demonstration Program 2015 NOSA. The assumed 515 mortgage debt service will be deferred for 20 years. A refinance event will take place when deferral ends in year 20.

In addition to operating expenses each year, the property will pay a guaranty fee associated with the 538 loan. The guaranty fee will be 0.5% of the outstanding loan balance at the end of each year paid out of cash flow.

Vacancy has been underwritten to 5% per RDs threshold policy which states the vacancy must not fall below the lesser of historical average of collected rents for most recent three years plus 2% for bad debt or industry standard of 5%, max of 10% (for 16 or more units) and 15% (for less than 16 units) unless otherwise specified by terms of NOSA. The 3 year historical vacancy is 2%.

DSCR: A waiver of the 1.25 DSCR requirement has been obtained from DCA.

The asset management fee amount will be determined based upon final approval by USDA of the amount of cash flow that can be distributed as Return to Owner. The fee will be paid by the partnership to the investor out of the approved Return to Owner amount annually.

1 PROJECT FEASIBILITY, VIABILITY ANALYSIS, AND CONFORMANCE WITH PLAN

Pass?

Threshold Justification per Applicant

Section 42 requires that the housing credit dollar amount requested for the project not exceed the amount that DCA determines is necessary for the financial feasibility of the project and its viability as a qualified low-income housing project through the credit period. As demonstrated, the housing credit dollar amount requested is necessary for the financial feasibility of the project.

F. Does the unit mix/rents and amenities included in the application match those provided in the market study?

F. **No**

Threshold Justification per Applicant

It is the market analysts opinion that a market will exist for the subject post renovation. Given the limited number of affordable developments within the Site PMA, the renovated subject project will offer a housing alternative to low-income households that is not readily available in the area.

5d. The subject's overall capture rate of 22.9% (subsidized scenario) is considered achievable and demonstrates a sufficient base of support for the subject project. However, should the project lose its Rental Assistance and operate exclusively under the LIHTC program, it would have a capture rate of 96.8%. This demonstrates the importance of Rental Assistance at this project. Effectively, however, the subject project will have a capture rate of 0.0%, as all units will retain Rental Assistance and should remain full.

5f. The Max Allowable LIHTC Gross rent and unit mix matches the market study. The market study was completed in August 2017 prior to USDA's completion of underwriting. The pro forma rents utilized in the Core Application (approved by USDA) are slightly different from those utilized in the market study, but are within DCA limits and provide the required market advantage.

17 ACCESSIBILITY STANDARDS

Pass?

- A. 1) Upon completion, will this project comply with all applicable Federal and State accessibility laws including but not limited to: The Fair Housing Amendments Act of 1988, Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, Georgia Fair Housing Law and Georgia Access Law as set forth in the 2015 Accessibility Manual? (When two or more accessibility standards apply, the applicant is required to follow and apply both standards so that a maximum accessibility is obtained.)
- 2) Owner understands that **DCA requires the Section 504** accessibility requirements to be incorporated into the design and construction of **ALL** new construction and/or rehabilitation projects selected under the 2017 Qualified Allocation Plan, regardless of whether or not the project will receive federal debt financing assistance (e.g., HOME). This constitutes a **higher standard of accessibility** than what may be required under federal laws. This means that all projects, including those financed with tax exempt bonds which receive an allocation of **4% tax credits** and **9% tax credits**-only projects, must incorporate at a minimum the requirements of the **Uniform Federal Accessibility Standards** into the design and construction of the project.
- 3) Owner claims that property is eligible for any of the stated statutory exemptions for any applicable federal, state, and local accessibility law? If so, support the claim with a legal opinion placed where indicated in Tabs Checklist.
- 4) Does this project comply with applicable DCA accessibility requirements detailed in the 2016 Architectural and Accessibility Manuals?

C.	Yes	
----	-----	--

- 1) A pre-construction plan and specification review to determine that the proposed property will meet all required accessibility requirements. The Consultant report must be included with the Step 2 construction documents submitted to DCA. At a minimum, the report will include the initial comments from the consultant, all documents related to resolution of identified accessibility issues and a certification from the consultant that the plans appear to meet all accessibility requirements.
- 2) At least two training sessions for General Contractor and Subcontractors regarding accessibility requirements. One training must be on site.
- 3) An inspection of the construction site after framing is completed to determine that the property is following the approved plans and specifications as to accessibility. DCA must receive a copy of the report issued by the consultant as well as documentation that all issues, if any, have been resolved prior to submission of the project cost certification.
- 4) A final inspection of the property after completion of construction to determine that the property has been constructed in accordance with all accessibility requirements. Re: Application for Low-Income Housing Tax Credit and/or HOME Funding

To DCA:

This Application is submitted in accordance with the 2017 Qualified Allocation Plan and the Housing Finance and Development Division Manuals. In submitting this Application for funding consideration, the undersigned applicant hereby certifies:

- 1) I understand that, in the event an allocation (or an allowance) for LIHTCs was obtained with false information supplied to the Georgia Department of Community Affairs ("DCA"), DCA will recapture the LIHTCs or request that the IRS deny tax credits to the Applicant entity. Also, a supplier, including the developer or owner, who knowingly provides false information will be barred by DCA from program participation for a period of five (5) years from the date the false information was discovered, in accordance with a Memorandum of Understanding between the Internal Revenue Service and the Georgia Housing and Finance Authority.
- 2) I am responsible for ensuring the project consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of State and Federal tax law in the acquisition, development and operation of the project to receive State and federal housing tax credits.
- 3) I am responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I understand and agree the amount of the credit is allocated by reference to the figures that I submit as to eligible and qualified basis. I understand that the actual amount of credit allocated may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Georgia Department of Community Affairs ("DCA") as to the amount of credit necessary for the financial feasibility of the project and its viability as a qualified low-income housing project; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing credit percentage; and (d) availability of the credit.
- 4) I understand and agree that DCA makes no representations or warranties regarding the financial feasibility of the project, the amount of credit, or the appropriateness of the allocation of the credit and makes no independent investigation as to the eligible and qualified basis and that any and all credit awards and credit amounts are solely based on representations made by me. I therefore agree to hold harmless and indemnify DCA and the individual directors, employees, members, officers, and agents of DCA in the event that I or anyone acting on my behalf, at my request or by and through me incurs any loss, injury, or damages in conjunction with the project including those that may result from any inquiries or gathering of information by DCA concerning the proposed project team or Application, diminution of the credit, loss of the credit, recapture of part or all of the credit, failure to allocate the credit requested in my Application or, the failure of DCA, in whole or in part, to grant my Application.
- 5) I understand and agree that neither DCA nor any of its individual directors, employees, members, officers, or agents assume any responsibility or make any representations or warranties with respect to: (i) the amount or availability of credit for the project; or (ii) the financial feasibility of the project.

- 6) I understand and agree that my Application for a low-income housing credit and/or HOME loan, all attachments thereto, amendments, and all correspondence relating to my Application in particular or the credit in general are subject to a request disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I further understand and agree that any and all correspondence to me from DCA, other DCA-generated documents, or documents to or from a third party in the possession of DCA relating to my Application are subject to a request for disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I agree to hold harmless DCA and the individual directors, employees, members, officers, and agents of DCA against all losses, costs, damages, expenses, and liability of whatsoever nature or kind (including, but not limited to, attorneys' fees, litigation, and court costs) directly or indirectly resulting from or arising out of the release of all information pertaining to my Application pursuant to a request under the Georgia Open Records Act or resulting from or arising out of the release.

- 7) I understand and agree to authorize DCA access to information relevant to DCA's Application review. I understand that DCA may request an IRS Form 8821 for any Project Participant through final allocation of credits and/or disbursement of funds. Project Participants will complete Form 8821 upon DCA's request.

- 8) I understand that any misrepresentations, which includes fraudulent, negligent, and/or innocent, in this Application or supporting documentation may result in a withdrawal of tax credits and/or HOME loan by DCA, my (and related parties) being barred from future program participation, and notification of the Internal Revenue Service and/or HUD.

- 9) I certify that all sources of funds, including but not limited to Federal, State and local funding sources, have been disclosed and revealed.

In addition, Applicant understands:

- The above certifications are of a continuing nature and apply at all stages of the Application process: initial application, commitment, carryover allocation, and final allocation/funding.
- DCA must be notified of any subsequent events or information, which would change any statements or representations in the attached Application or amendments thereto;
- DCA reserves the right to verify all information or documents used in processing the Application, including requiring credit checks on all parties involved in the transaction. Applicant hereby authorizes the financing bank, accountant, mortgage lender, creditors, other state housing agencies and others sources identified in the Application to release information to DCA or its designee in order to verify the accuracy of information in the Application and amendments thereto.

Applicant agrees and understands that it may be charged for all fees and costs incurred by DCA in the inspection of funded properties during and after construction and in the enforcement of DCA regulations and policies.

Under penalty of perjury, to the best of my knowledge, I certify that all of the information in the attached Application, including all supporting documentation, is correct, complete and accurate.
