

**Project Narrative**

Wood Valley Apartments  
Richland, Stewart County

Wood Valley Apartments is an existing 33 unit, Elderly tenancy apartment community located in Richland, Stewart County, GA. Applicant is seeking an allocation of 2017 4% non-competitive Low Income Housing Tax Credits for the acquisition/rehabilitation of this property.

This application is a part of a portfolio of 16 affordable rural housing properties located in 13 communities throughout the state of Georgia. The portfolio, totaling 537 units, consist of properties constructed in the 1980s and 1990s using the USDA 515 loan program and Section 42 LIHTCs.

The proposed scope of work will be in accordance with the 2017 QAP requirements. The interiors will be repaired and modernized with flooring, appliances, HVAC, hot water heaters, kitchen counters and cabinets, bathroom fixtures and paint. New smoke detectors, light fixtures and GFI outlets will be included in the electrical improvements. Exterior improvements will include doors, windows, siding and roofing when needed. All accessibility and Section 504 issues will be resolved. The dwelling rehab costs shall exceed \$25,000 per unit as required by DCA with the average total hard costs of approximately \$29,800 per unit.

Construction and permanent financing includes a new USDA 538 loan (if supportable), subordination and re-amortization of the original USDA 515 loan (with payments to be deferred for 20 years), short term tax exempt bonds and equity proceeds from the sale of the 4% federal and state LIHTCs. The transactions have been underwritten to USDA-RD agency standards and rents used for pro forma purposes are those approved by USDA-RD.

During renovations, none of the tenants are expected to be displaced or temporarily relocated. The majority of the interior improvements will be completed in one day per apartment unit. The property currently has 31, USDA-RD Section 521 Rental Assistance and will continue to receive this rent subsidy after the acquisition/rehab.

The project development team for Wood Valley Apartments consists of David A. Brown, Houston Brown, and Melanie Ferrell. David A. Brown has over 40 years' experience in rehab and new construction of apartments and meets DCA experience and capacity requirements.

**IV. APPLICANT COMMENTS AND CLARIFICATIONS**

**IV. DCA COMMENTS - DCA USE ONLY**

The construction/advance loan provided by Churchill Mortgage Investment LLC shall be guaranteed on a draw by draw basis via the USDA-RD 538 program. An interest only period shall be in effect for 24 months followed by amortizing payments based on 40 year amortization factor over a 38 year term.

The debt service on the assumed USDA-RD 515 loan has been deferred for a period of 20 years. The loan will be restructured so that the UPB at time of closing will be the new principal balance and the term will be set for 30 years with 50 year amortization. At the end of the 20-year deferral period, the entire principal and accrued interest is due and payable. However, it is anticipated that USDA-RD will extend the loan for the remainder of the 515 loan period if the loan is still outstanding at that time.

VI. DCA COMMENTS - DCA USE ONLY

The ineligible portion of the acquisition cost is included to account for cash accounts transferred to the new Owner. The values used for land and existing structures were obtained from the appraisal report located in TAB 06.

Construction hard cost estimated by McLain & Brown Construction based on previous experience with similar projects. The source of the construction hard costs is from the AIA contract between the Applicant and the General Contractor and based on previous experience with similar projects. There is an Identity of Interest between the two entities.

The Cost of Issuance/Underwriter's Discount includes the following costs: Bond Counsel (\$11,250); Underwriter Counsel (\$6,250); Underwriter Fee (\$8,516); Issuer Fee (\$3,125); Issuer Counsel (\$1,563); Trustee Fee (\$469); Trustee Counsel (\$313); Verification Agent (\$94); Rating Agency (\$313); Bond TEFRA/Advisor Fee (\$1,250); and other miscellaneous bond costs (\$3,125). There is only one bond issuance on the 16-property portfolio; therefore, the costs above are allocated evenly among all properties.

The Final Federal and State Equity Factors are atypical since the equity contribution is part of a larger portfolio fund investment, and credits are allocated according to the needs of each transaction in the portfolio.

There is no Rent-Up Reserve since this is an in-place rehab with minimal tenant disruption, tenants will continue to pay rent, and all tenants are expected to be income-qualified to remain as tenants.

**PART FOUR (b) - OTHER COSTS - 2017-0 - Wood Valley Apartments - Richland - Stewart, County**

DCA requires the Applicant provide a narrative for all "Other" development costs listed on Part IV-Uses of Funds. For any amounts shown below the Applicant needs to provide an explanation of the cost incurred by the development. The narrative should be a brief description for DCA intended to justify its inclusion as a valid development cost. Further, if the "Other" cost is included into eligible basis, a second narrative is required describing its justification into tax credit basis. Expand row size as needed to show text.

Capital Needs Assessment

USDA-RD requires both a pre- and post-rehab Capital Needs Assessment Report as part of the 515 transfer and 538 application approval process. The post-rehab CNA report, as reviewed, revised and approved by USDA-RD, ensures adequate coverage of capital needs over a 20-year period which exceeds DCA's requirement of 15 years.

The CNA reports are required for determining the rehab scope of work and by DCA for an award of tax credits; therefore, the cost is deemed eligible.

Bond Interest Carry during Rehab Period

Proceeds from the issuance/sale of tax exempt bonds shall be used to fund "good costs" associated with the acquisition and rehabilitation of the subject property. The entire amount of the bond proceeds are placed in an account held by Trustee and interest is owed until the bonds are deemed after Placed in Service. The amount included here is the estimated interest carry during the rehab period on the bond proceeds.

Only the portion of bond interest incurred during the rehab period (up to date of completion) is considered eligible.

Total Cost  Total Basis

USDA Guarantee Fee during Rehab Period

RD requires payment of their guarantee fee on the advanced 538 funds during rehab period be built into the development budget and paid from third party sources of funds. The amount is based on 50bps x the funded amount of 538 guaranteed loan proceeds as of December in the loan funding cycle.

This is deemed an eligible cost since the cost is based on the guaranteed advanced funds used for rehab.

**II. OPERATING PRO FORMA**

**III. Applicant Comments & Clarifications**

**IV. DCA Comments**

As outlined in the 2017 QAP threshold guidelines, DCA may waive its minimum debt coverage ratio for USDA 515 projects that clearly demonstrate feasibility, or reduce it to match other government program funding requirements provided that confirmation from the agency of the required DCR is included in their funding commitment. USDA-RD allows a combined DSCR on all mandatory-pay debt to be 1.15 (or higher if so required by the Lender). This is well below the DCA threshold of 1.25 per the QAP. As such, the Project does not meet the minimum DSCR requirement due to the debt being underwritten by the permanent lender at a lesser threshold. A pre-app waiver request was submitted.

The DCR in the proforma initially trends at the 1.25 DCR and then falls below the DCA's minimum requirement in year 10. The project will continue to be feasible in year 10 and after because USDA RD adjust rents and expenses through an annual budget approval process to increase rents to sufficiently cover any potential increase in operating expenses. This annual USDA RD mandated budget approval process will make the project financially feasible for all the pro forma years outlined.

The Mortgage A (538) Annual Debt Service (ADS) shown above includes ADS based on the terms set forth in Part III, plus the 50bps ongoing USDA guarantee fee (UPB from prior year x 0.50%)

Re: Application for Low-Income Housing Tax Credit and/or HOME Funding

To DCA:

This Application is submitted in accordance with the 2017 Qualified Allocation Plan and the Housing Finance and Development Division Manuals. In submitting this Application for funding consideration, the undersigned applicant hereby certifies:

- 1) I understand that, in the event an allocation (or an allowance) for LIHTCs was obtained with false information supplied to the Georgia Department of Community Affairs ("DCA"), DCA will recapture the LIHTCs or request that the IRS deny tax credits to the Applicant entity. Also, a supplier, including the developer or owner, who knowingly provides false information will be barred by DCA from program participation for a period of five (5) years from the date the false information was discovered, in accordance with a Memorandum of Understanding between the Internal Revenue Service and the Georgia Housing and Finance Authority.
- 2) I am responsible for ensuring the project consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of State and Federal tax law in the acquisition, development and operation of the project to receive State and federal housing tax credits.
- 3) I am responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I understand and agree the amount of the credit is allocated by reference to the figures that I submit as to eligible and qualified basis. I understand that the actual amount of credit allocated may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Georgia Department of Community Affairs ("DCA") as to the amount of credit necessary for the financial feasibility of the project and its viability as a qualified low-income housing project; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing credit percentage; and (d) availability of the credit.
- 4) I understand and agree that DCA makes no representations or warranties regarding the financial feasibility of the project, the amount of credit, or the appropriateness of the allocation of the credit and makes no independent investigation as to the eligible and qualified basis and that any and all credit awards and credit amounts are solely based on representations made by me. I therefore agree to hold harmless and indemnify DCA and the individual directors, employees, members, officers, and agents of DCA in the event that I or anyone acting on my behalf, at my request or by and through me incurs any loss, injury, or damages in conjunction with the project including those that may result from any inquiries or gathering of information by DCA concerning the proposed project team or Application, diminution of the credit, loss of the credit, recapture of part or all of the credit, failure to allocate the credit requested in my Application or, the failure of DCA, in whole or in part, to grant my Application.
- 5) I understand and agree that neither DCA nor any of its individual directors, employees, members, officers, or agents assume any responsibility or make any representations or warranties with respect to: (i) the amount or availability of credit for the project; or (ii) the financial feasibility of the project.

- 6) I understand and agree that my Application for a low-income housing credit and/or HOME loan, all attachments thereto, amendments, and all correspondence relating to my Application in particular or the credit in general are subject to a request disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I further understand and agree that any and all correspondence to me from DCA, other DCA-generated documents, or documents to or from a third party in the possession of DCA relating to my Application are subject to a request for disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I agree to hold harmless DCA and the individual directors, employees, members, officers, and agents of DCA against all losses, costs, damages, expenses, and liability of whatsoever nature or kind (including, but not limited to, attorneys' fees, litigation, and court costs) directly or indirectly resulting from or arising out of the release of all information pertaining to my Application pursuant to a request under the Georgia Open Records Act or resulting from or arising out of the release.
- 7) I understand and agree to authorize DCA access to information relevant to DCA's Application review. I understand that DCA may request an IRS Form 8821 for any Project Participant through final allocation of credits and/or disbursement of funds. Project Participants will complete Form 8821 upon DCA's request.
- 8) I understand that any misrepresentations, which includes fraudulent, negligent, and/or innocent, in this Application or supporting documentation may result in a withdrawal of tax credits and/or HOME loan by DCA, my (and related parties) being barred from future program participation, and notification of the Internal Revenue Service and/or HUD.
- 9) I certify that all sources of funds, including but not limited to Federal, State and local funding sources, have been disclosed and revealed.

In addition, Applicant understands:

- The above certifications are of a continuing nature and apply at all stages of the Application process: initial application, commitment, carryover allocation, and final allocation/funding.
- DCA must be notified of any subsequent events or information, which would change any statements or representations in the attached Application or amendments thereto;
- DCA reserves the right to verify all information or documents used in processing the Application, including requiring credit checks on all parties involved in the transaction. Applicant hereby authorizes the financing bank, accountant, mortgage lender, creditors, other state housing agencies and others sources identified in the Application to release information to DCA or its designee in order to verify the accuracy of information in the Application and amendments thereto.

Applicant agrees and understands that it may be charged for all fees and costs incurred by DCA in the inspection of funded properties during and after construction and in the enforcement of DCA regulations and policies.

Under penalty of perjury, to the best of my knowledge, I certify that all of the information in the attached Application, including all supporting documentation, is correct, complete and accurate.
