

**Georgia Department Of Community Affairs
CDBG Program
Environmental Review Information**

General Instructions:

If funded, all CDBG Projects will be subject to a local environmental review process that must be completed prior to the obligation of any funds for the project.

This form identifies environmental compliance issues requiring special attention by the applicant. Detailed instructions concerning the review process is provided at the Recipients' Workshop.

Compliance with the environmental review process (especially floodplain, wetland and historic preservation compliance requirements) should be reflected in the Description of Activities, the Budget Summary and Budget Analysis.

DCA encourages applicants to complete an early review by HPD to identify compliance issues. Since compliance with Section 106 of the NHPA may affect project schedules and budget, the applicant is advised to address this factor on forms DCA-5, DCA-7 and DCA-8.
