

# GEORGIA HISTORIC RESOURCES SURVEY FORM

## For use with GNAHRGIS

Resource #:

Photograph #:

Latitude/Longitude:

QUAD:

1. Resource category (circle choice):

District

Building

Site

Structure

Object

2. Basic Resource Information

a. Resource Name (historic name, if known):

b. Address (Street Address, City, Zip Code, and County):

3. Registration status and Government Preservation Activity

a. GA/National Register status

b. Ownership

c. Government preservation activity

4. **Resource Type** (could be building type, site type, structure type, or object type):

5. **Use**

a. **original:**

6. Construction Year:

7. **Architectural Style:**

8. **Exterior Material:**

9. **Foundation**

a. **Material:**

b. **Type:**

10. Number of Stories:

11. **Floor Plan** (original)

a. **rooms across:**

b. **rooms deep:**

12. **Plan Shape:**

13. **Construction System/Technology:**

**14. Roof**

- a. Roof Material:
- b. Roof Type:
- c. Eaves & Cornices:
- d. Dormers:

**15. Chimney(s)**

- a. Chimney Location:
- b. Chimney Material:

**16. Door:**

- a. Door Type:
- b. Door Material:

**17. Windows**

<u>Type</u>	<u>Head</u>	<u>Pattern</u>	<u>Location</u>	<u>Frame material</u>

**18. Porch Configurations**

No porch present \_\_\_\_\_

<u>Height</u>	<u>Length</u>	<u>Location</u>	<u>Roof type</u>	<u>Enclosure</u>	<u>Status</u>	<u>Type</u>	<u>Foundation</u>	<u>Pier/Post</u>

**19. Porte-Cochere**

- a. Location:
- b. Height:
- c. Roof type:
- d. Foundation material:
- e. Ground-level surface:
- f. Supporting structure:
- g. Rooftop structure:
- h. Enclosure:

**20. Carport and/or Garage**

- a. Form:
- b. Location:
- c. Roof type/form:
- d. Design/material:
- e. Utility:
- f. Size:
- g. Enclosure:

\*\*Items in **BOLD** - reference the Historic Resources Survey Form Addendum for answer options; refer to the Georgia Historic Resources Survey Manual for further guidance  
Version November 2022

21. Interior Materials (info on interior layout, materials, integrity):

22. Settings/ Grounds – Yard(s), Setting, Relic Structural Features

**Yard(s)**

a. Overall layout:

b. Type:

c. If cemetery is present:

d. Historic/ Non-historic Landscape features:

**Setting**

a. Cemetery:

b. Streetscaping:

c. Rural/Agricultural:

**Relic Structural Features:**

23. Surrounding Environment

Type: Rural Suburban Unincorporated community Urban/Incorporated community

**Descriptor of type:**

Age of surrounding environment: mostly more than 50 yrs old mostly less than 50 yrs old mix/balance

24. Outbuildings

Historic outbuildings observed

AND/OR

Non-historic outbuildings observed

Not recorded here

AND Recorded here (see below)

Recorded on associated survey form – note GNAHRGIS # \_\_\_\_\_

**Historic outbuildings recorded here**

a. Type:

b. Use:

c. Exterior material:

25. Description of the Resource:

26. History of the Resource/Reason Historic

**27. Field Survey Evaluation**

**28. National Register Criteria**

**a. Criteria for evaluation:**

**b. Criteria considerations:**

**29. Area of Significance (Historical Theme):**

**a. National Register area(s) of significance:**

**b. Level of significance:**

c. Significant date/period:

d. Justification of significance:

Surveyor Name:

Date:
