### GEORGIA DEPARTMENT OF COMMUNITY AFFAIRS

### SERVICE DELIVERY STRATEGY

FOR Warren COUNTY

PAGE 1

### I. GENERAL INSTRUCTIONS

delivery strategy.

- Only one set of these forms should be submitted per county. The completed forms should clearly present the collective
  agreement reached by all cities and counties that were party to the service delivery strategy.
- 2. List each local government and/or authority that provides services included in the service delivery strategy in Section II below.
- List all services provided or primarily funded by each general purpose local government and authority within the county in Section III below. It is acceptable to break a service into separate components if this will facilitate description of the service
- 4. For each service or service component listed in Section III, complete a separate Summary of Service Delivery Arrangements form (page 2)
- 5. Complete one copy of the Summary of Land Use Agreements form (page 3).
- 6. Have the Certifications form (page 4) signed by the authorized representatives of participating local governments. Please note that DCA cannot validate the strategy unless it is signed by the local governments required by law (see Instructions, page 4).
- 7. Mail the completed forms along with any attachments to:

Georgia Department of Community Affairs Office of Coordinated Planning 60 Executive Park South, N.E. Atlanta, Georgia 30329

For answers to most frequently asked questions on Georgia's Service Delivery Act, links and helpful publications, visit DCA's website at www.dca.servicedelivery.org, or call the Office of Coordinated Planning at (404) 679-3114.

Note: Any future changes to the service delivery arrangements described on these forms will require an official update of the service delivery strategy and submittal of revised forms and attachments to the Georgia Department of Community Affairs.

### II. LOCAL GOVERNMENTS INCLUDED IN THE SERVICE DELIVERY STRATEGY:

In this section, list all local governments (including cities located partially within the county) and authorities that provide services included in the service delivery strategy.

Town of Camak, City of Norwood, City of Warrenton, Warren County Board of Commissioners

#### III. SERVICES INCLUDED IN THE SERVICE DELIVERY STRATEGY:

For each service listed here, a separate Summary of Service Delivery Arrangements form (page 2) must be completed.

RE: HB 489 Strategic Plan

Dear Mr. Brooks:

This is in reply to your letter to Commission Chairman Bobby W. Johnson concerning our Recreation Plan.

Actually, there is no overlap of services because at the present time the County has no Recreation Program and does not participate financially with the City of Warrenton's program.

The intent of the Strategic Plan was to keep the City of Warrenton's Recreation Program in place and sometime in the future to possibly reactivate The Warren County Recreation Authority at which time of course the Warren County government and the governments of Warrenton, Norwood and Camak would participate.

The understanding that we had was that the Recreation Program would remain "as is" but with the understanding that the Recreation Authority might be reactivated in the future at which time everyone would participate.

If you have further questions about this, please let me and the other elected officials know.

Sincerely yours,

Edward D. Ricketson, Jr.

# SERVICE DELIVERY STRATEGY FOR Warren COUNTY

We, the undersigned authorized representatives of the jurisdictions listed below, certify that:

- 1. We have executed agreements for implementation of our service delivery strategy and the attached forms provide an accurate depiction of our agreed upon strategy (O.C.G.A. 36-70-21);
- 2. Our service delivery strategy promotes the delivery of local government services in the most efficient, effective, and responsive manner (O.C.G.A. 36-70-24 (1));
- 3. Our service delivery strategy provides that water or sewer fees charged to customers located outside the geographic boundaries of a service provider are reasonable and are not arbitrarily higher than the fees charged to customers located within the geographic boundaries of the service provider (O.C.G.A. 36-70-24 (2)); and
- 4. Our service delivery strategy ensures that the cost of any services the county government provides (including those jointly funded by the county and one or more municipalities) primarily for the benefit of the unincorporated area of the county are borne by the unincorporated area residents, individuals, and property owners who receive such service (O.C.G.A. 36-70-24 (3)).

A study will be needed by the county to revise the resolution before re-establishing the Recreation Authority.

#### LIBRARY

The Warren County Library serves all citizens of the incorporated areas of Warren County. The library was built by an agreement among Warren County, City of Warrenton and Warren County Board of Education. Each funded 1/3 of the construction cost.

Warren County's position is that each government also agreed to fund 1/3 of the ongoing operations cost of the Library. The City of Warrenton's position is that it did not agree to pay 1/3 of the operation cost. The Warren County Board of Commissioners has turned this issue over to legal counsel and the reimbursement formula is now under litigation.

Currently, the Warren County Board of Education pays 1/3 of the operating budget from their General Funds. The City of Warrenton annually designates an amount from their General Fund to be reimbursed to Warren County for these operating expenses. Warren County pays the balance of the library bills.

#### DISPATCH

Warren County Dispatch is responsible for receiving emergency calls and dispatching the appropriate emergency agency (Sheriff, EMS, Fire, etc.). The dispatch center serves the citizens of unincorporated and incorporated areas of Warren County. The City of Warrenton reimburses the salaries and benefits, except for the retirement benefits, for two dispatchers and the county provides funding for the rest of the dispatch services. Funding for this service is available from the County General Fund and City of Warrenton's reimbursements are provided by their General Fund.

Currently, the City of Warrenton reimburses Warren County for two dispatchers' salaries and benefits except for the retirement benefit. The City of Warrenton.s position is that they are not obligated to pay for this retirement benefit. Warren County's position is that the City of Warrenton is obligated to pay for this retirement benefit. This issue has been turned over to legal counsel and is now under litigation.

## RESOLUTION # 99----

# WARREN COUNTY INTERGOVERNMENTAL AGREEMENT Process For Provision of Extraterritorial Water and Sewer Services

WHEREAS, the Warren County Board of Commissioners, and the City of Warrenton have found it necessary, desirable and in the public interest to establish a formal process to insure that the provision of new extraterritorial water and sewer service is consistent with all applicable land use plans and ordinances of adjoining local governments, and

WHEREAS, the Warren County Board of Commissioners and the City of Warrenton has determined that a process to insure land use compatibility as it relates to the provision of new extraterritorial water and sewer services and land use plans/ordinances, and

WHEREAS, the Warren County Board of Commissioners and the City of Warrenton have jointly developed a cooperative plan to insure consistency with applicable land use plans/ordinances,

- **BE IT THEREFORE RESOLVED** by the Warren County Board of Commissioners of Warren County, Georgia and the City of Warrenton, **IT IS HEREBY RESOLVED** by the Authority of same:
- **SECTION 1:** Effective upon the adoption of this Resolution by the respective governments, the following process for insuring that proposed extraterritorial water and sewer service is compatible with the land use plans/ordinances of the new territory shall be implemented:
- (a) Prior to initiating the development of water and sewer services in extraterritorial boundaries, the local government proposing the new service will notify the adjacent government of the proposed new service by providing information on location of property, size of area, and existing/proposed land use associated with the property.
- (b) Within 40 working days following receipt of the above information, the local government receiving the notice of water/sewer extension will forward to the local government proposing the extension a statement either:
  - (1) Indicating that it has no objection to the proposed extraterritorial water or sewer extension and its consistency with land use; or

2) Describing its objection to the proposed water or sewer extension or land use consistency, and providing supporting information including a listing of any possible stipulations or conditions that would alleviate the county's objections.

If the government proposing the service extension does not receive a response in writing within the deadline, the proposal shall be determined to be consistent with the community's land use plan or land use ordinances, and said government shall be free to proceed with the extension of said services.

- (c) If the objecting government notifies the government desiring to extend service that it has an objection, the government desiring to extend services will respond to the objecting government in writing within 40 working days by either:
  - (1) agreeing with the objecting governments and stopping action on the proposed extraterritorial water or sewer extension;
  - (2) agreeing to implement the objecting governments stipulations and conditions and thereby resolving the county's objection;
  - (3) initiating a 60-day (maximum) Mediation process to discuss possible compromises; or
  - (4) Disagreeing that the objecting government's objection is *bona fide* and notifying the objecting government that the government desiring to extend service will seek a declaratory judgment in the Superior Court.

In the event the government desiring to extend services initiates Section 1(c)(3) Mediation, then the respective governments will agree on a mediator, a mediation schedule and determine participants in the mediation. The governments agree to share equally any costs associated with mediation.

- (d) If no resolution results from the mediation, the government desiring to extend services:
  - (1) Will abandon and not proceed with the proposed extension, or
  - (2) Will notify the objecting government that the government desiring to extend services will seek a declaratory judgment in court.
- (e) If the governments reach agreement as described in Section 1(c)(2) or Section 1(c)(3), the government desiring to extend services shall be free to proceed with the extraterritorial service.

**SECTION 2:** All ordinances and resolutions in conflict herewith are hereby repealed.

**SECTION 3:** This intergovernmental agreement shall remain in force and effect until amended by agreement of each party or unless otherwise terminated by operation of law.

# SERVICE DELIVERY STRATEGY Dispute Resolution Process

The cities of Camak, Norwood and Warrenton and Warren County hereby agree to implement the following process for resolving land use disputes over annexation effective July 1, 1998.

1. Prior to initiating any formal annexation activities, the City will notify the county government of a proposed annexation and provide information on location of property, size of area, and proposed land use of zoning classification(s) (if applicable) of the property upon annexation.

Within 40 working days<sup>2</sup> following receipt of the above information, the county will forward to the city a statement either: (a) indication that the county has no objection to the proposed land use for the property; or (b) describing its bona fide objection(s) to the city's proposed land use classification, providing supporting information and listing any possible stipulations or conditions that would alleviate the county's objection(s);

- 2. If the county has no objection to the city's proposed land use or zoning classification, the city is free to proceed with the annexation.<sup>3</sup> If the county fails to respond to the city's notice in writing within the deadline, the city is free to proceed with the annexation and the county loses its right to invoke the dispute resolution process, stop the annexation or object to land use changes after the annexation.
- 3. If the county notifies the city that it has a bona fide land use classification objection(s)<sup>4</sup>, the city will respond to the county in writing within 40 working days of receiving the county's objection(s) by either: (a) agreeing to implement the county's stipulations and conditions and thereby resolving the county's objection(s); (b) agreeing with the county and stopping action on the proposed annexation; (c) disagreeing that the county's objection(s) are bona fide and notifying the county that the city will seek a declaratory judgement in court; or (d) initiating a 30-day (maximum) mediation process to discuss possible compromises.<sup>5</sup>

<sup>&</sup>lt;sup>1</sup> Cities should not validate a petition for annexation or adopt a resolution of intent to annex prior to completion of this annexation dispute resolution process.

<sup>&</sup>lt;sup>2</sup> Time periods established throughout this agreement should be determined locally.

<sup>&</sup>lt;sup>3</sup> Although not required by law, the city and county may wish to consider a provision that the city will not entertain a proposed land use or zoning change on the property for a specified number of months from the day the annexation becomes effective.

<sup>&</sup>lt;sup>4</sup> As defined in O.C.G.A. 36-36-11(a)

<sup>&</sup>lt;sup>5</sup> At this point, it is important to notify the property owner(s) of the status of his annexation request.

- 4. If the city initiates mediation, the city and county will agree on a mediator, mediation schedule and determine participants in the mediation.<sup>6</sup> The city and county agree to share equally any costs associated with the mediation.<sup>7</sup>
- 5. If no resolution of the county's *bona fide* land use classification objection(s) results from the mediation, the city will not proceed with the proposed annexation.
- 6. If the city and county reach agreement as described in step 3(a) or as a result of the mediation, they will draft an annexation agreement for execution by the city and county governments and the property owner(s).<sup>8</sup>

Regardless of future changes in land use or zoning classification, any site-specific mitigation or enhancement measures or site-design stipulations included in the agreement will be binding on all parties for the duration of the annexation agreement. The agreement shall become final when signed by the city, the county and the property owner(s).

This annexation dispute resolution agreement shall remain in force and effect until amended by agreement of each party or unless otherwise terminated by operation of law.

# WARREN COUNTY INTERGOVERNMENTAL AGREEMENT Process For Provision of Extraterritorial Water and Sewer Services

WHEREAS, the Warren County Board of Commissioners, City of Warrenton,

The World and Town of Camak have found it necessary, desirable and in the public

WHEREAS, the Warren County Board of Commissioners, City of Warrenton, City of Norwood and Town of Camak have found it necessary, desirable and in the public interest to establish a formal process to insure that the provision of new extraterritorial water and sewer service is consistent with all applicable land use plans and ordinances of adjoining local governments, and

WHEREAS, the Warren County Board of Commissioners and its municipal jurisdictions have determined that a process to insure land use compatibility as it relates to the provision of new extraterritorial water and sewer services and land use plans/ordinances, and

WHEREAS, the Warren County Board of Commissioners and the governing bodies of the County's municipal jurisdictions have jointly developed a cooperative plan to insure consistency with applicable land use plans/ordinances,

**BE IT THEREFORE RESOLVED** by the Warren County Board of Commissioners of Warren County, Georgia and the governing bodies of the City of Warrenton, City of Norwood and Town of Camak, **IT IS HEREBY RESOLVED** by the Authority of same:

SECTION 1: Effective upon the adoption of this Resolution by the respective governments, the following process for insuring that proposed extraterritorial water and sewer service is compatible with the land use plans/ordinances of the new territory shall be implemented:

- (a) Prior to initiating the development of water and sewer services in extraterritorial boundaries, the local government proposing the new service will notify the adjacent government of the proposed new service by providing information on location of property, size of area, and existing/proposed land use associated with the property.
- (b) Within 40 working days following receipt of the above information, the local government receiving the notice of water/sewer extension will forward to the local government proposing the extension a statement either: (1) indicating that the proposal is compatible with that community's land use plan and all applicable ordinances; or (2) describing its bona fide objection(s) to the adjacent governments proposed extension of water or sewer service, providing supporting information and listing any possible stipulations or conditions that would alleviate the governments objection(s). If the

government proposing the service extension does not receive a response in writing within the deadline, the proposal shall be determined to be consistent with the community's land use plan or land use ordinances.

- (c) If the government desiring to extend the water or sewer services receives a notification that the proposal is incompatible with the land use, the government may respond in writing within 40 days of receiving the notification of land use inconsistency by (1) requesting a meeting to discuss a formal change to the land use plan; (2) agreeing with the content of the notification and stopping action on the proposed service extension. If the government proposing the service extension does not response in writing within the deadline of receiving the objection(s), they will lose the right to the dispute resolution process.
- (d) In the event the respective governments seek mediation, the governments will agree on a mediator, mediation schedule and determine participants in the mediation. The governments agree to share equally any costs associated with the mediation.
- (e) A proposal to extend extraterritorial water and sewer service shall not be implemented until any bona fide land use plan or land use ordinance inconsistencies are resolved pursuant to the dispute resolution process.
- (f) If the governments reach agreement as described in the the steps listed above or as a result of the mediation, they will draft an agreement for execution of the proposed water or sewer extensions.

SECTION 2: All ordinances and resolutions in conflict herewith are hereby repealed.

SECTION 3: This intergovernmental agreement shall remain in force and effect until amended by agreement of each party or unless otherwise terminated by operation of law.
