County: TATNALL

Service: PARKS & RECREATION

1. Check the box that best describes the agreed upon delivery arrangement for this service:

- Service will be provided countywide (i.e., including all cities and unincorporated areas) by a single service provider. (If this box is checked, identify the government, authority or organization providing the service.)
- Service will be provided only in the unincorporated portion of the county by a single service provider. (If this box is checked, identify the government, authority or organization providing the service.)
- One or more cities will provide this service only within their incorporated boundaries, and the service will not be provided in unincorporated areas. (If this box is checked, identify the government(s), authority or organization providing the service.)
- One or more cities will provide this service only within their incorporated boundaries, and the county will provide the service in unincorporated areas. (If this box is checked, identify the government(s), authority or organization providing the service.)
- Other. (If this box is checked, attach a legible map delineating the service area of each service provider, and identify the government, authority, or other organization that will provide service within each service area.)

2. In developing the strategy, were overlapping service areas, unnecessary competition and/or duplication of this service identified?

- Yes No

If these conditions will continue under the strategy, attach an explanation for continuing the arrangement (i.e., overlapping but higher levels of service (See O.C.G.A. 36-70-24(1)), overriding benefits of the duplication, or reasons that overlapping service areas or competition cannot be eliminated).

If these conditions will be eliminated under the strategy, attach an implementation schedule listing each step or action that will be taken to eliminate them, the responsible party and the agreed upon deadline for completing it.

List each government or authority that will help to pay for this service and indicate how the service will be funded (e.g., enterprise funds, user fees, general funds, special service district revenues, hotel/motel taxes, franchise taxes, impact fees, bonded indebtedness, etc.).

Local Government or Authority: Funding Method:

GLENNVILLE	GEN. FUND, FEES, GRANTS, IG REV.-TATT CO
REDISVILLE	GENERAL FUND, USER FEES
TATNALL COUNTY	GENERAL FUND, SPLOST, GRANTS
Collins, Cobbtown	General Fund, Splost, Grants
Manassas	General Fund, Splost, Grants

4. How will the strategy change the previous arrangements for providing and/or funding this service within the county?

This revision allows the smaller municipalities of Collins, Cobbtown, and Mannassas to use recreation funds from General Fund and Splost sources to complete park and recreation projects within their own incorporated boundries, as matchings funds for recreation grants and to partner with the county or another municipality in a joint project.

5. List any formal service delivery agreements or intergovernmental contracts that will be used to implement the strategy for this service:

Agreement Name:

Contracting Parties:

Effective and Ending Dates:

COUNTY AND ALL MUNICIPALITIES

NONE
