## SECTION 11. COMPLAINTS-ADJUSTMENTS

If the consumer believes his bill to be in error, he shall present his claim, in person, at the courthouse before the bill becomes delinquent. Such claim, if made after the bill has become delinquent, shall not be effective in preventing discontinuaance of service as heretofore provided. The consumer may pay such bill under protest and said payment shall not prejudice his claim.

(a) The county will make a special water meter reading at the request of a consumer for a fee of \$5.00 provided, however, that if such special reading discloses that the meter was overread, no charge will be made.

(b) Water meters will be tested at the request of the consumer upon payment to the County of the actual costs of making the test, provided, however, that if the meter is found to over-register beyond three (3) percent of the correct volume, no charge will be made.

(c) If the seal of a meter is broken by other than the County's representative or if the meter fails to register correctly or is stopped for any cause, the consumer shall pay an amount estimated from the record of his previous bills and/or from other proper data.
