SERVICE DELIVERY STRATEGY
FOR DECATUR COUNTY

I. GENERAL INSTRUCTIONS:

1. Only one set of these forms should be submitted per county. The completed forms should clearly present the collective agreement reached by all cities and counties that were party to the service delivery strategy.
2. List each local government and/or authority that provides services included in the service delivery strategy in Section II below.
3. List all services provided or primarily funded by each general purpose local government and authority within the county in Section III below. It is acceptable to break a service into separate components if this will facilitate description of the service delivery strategy.
4. For each service or service component listed in Section III, complete a separate *Summary of Service Delivery Arrangements* form (page 2).
5. Complete one copy of the *Summary of Land Use Agreements* form (page 3).
6. Have the *Certifications* form (page 4) signed by the authorized representatives of participating local governments. Please note that DCA cannot validate the strategy unless it is signed by the local governments required by law (see instructions, page 4).
7. Mail the completed forms along with any attachments to:

Georgia Department of Community Affairs
 Office of Coordinated Planning
 60 Executive Park South, N.E.
 Atlanta, Georgia 30329
