

SERVICE DELIVERY STRATEGY

FORM 1

COUNTY: **Lamar**

INSTRUCTIONS:

After logging in with your DCA login and password, please fill out your contact information. Across the top of the application you will see tabs for five different forms. Choose any forms that you plan to submit for verification. After each form is completed, click "Submit Form" to be directed to the next step.

These are the same forms and information DCA had previously been collecting, only in a new electronic format.

FORM 1 is completed for every SDS submittal regardless of type. This form will allow you to choose your local governments and services *without change* in Section III, below. (It is acceptable to break a service into separate components if this will facilitate description of the service delivery strategy.)

FORM 2 allows you to provide a summary of Service Delivery Arrangements for any selected type of service.

without change in Section III, below. (It is acceptable to break a service into separate components if this will facilitate description of the service delivery strategy.)

If all services were extended without change in FORM 1, you do not need to complete FORM 2 or FORM 4 (the system will gray out the option). If a FORM 3 (see below) isnt needed, go directly to the FORM 5 tab at the top.

FORM 3 should be filled out if any of the conditions in the existing Summary of Land Use Agreements have changed or it has been ten (10) or more years since the community has filed a FORM 3 with DCA.

FORM 4 is for Local Government Certifications of New or Revised Services.

without change in Section III, below. (It is acceptable to break a service into separate components if this will facilitate description of the service delivery strategy.)

FORM 5 is for Local Government Certifications for extending an existing Service Delivery Strategy without changes of service delivery arrangements.
