

SERVICE DELIVERY STRATEGY

FORM 1

COUNTY: **SEMINOLE COUNTY**

I. GENERAL INSTRUCTIONS:

1. FORM 1 is required for **ALL** SDS submittals. Only one set of these forms should be submitted per county. The completed forms should clearly present the collective agreement reached by all cities and counties that were party to the service delivery strategy.
2. List each local government and/or authority that provides services included in the service delivery strategy in Section II below.
3. List all services provided or primarily funded by each general purpose local government and authority within the county that are continuing *without change* in Section III, below. (It is acceptable to break a service into separate components if this will facilitate description of the service delivery strategy.)

<p>OPTION A <i>Revising or Adding to the SDS</i></p>	<p>OPTION B <i>Extending the Existing SDS</i></p>
<ol style="list-style-type: none"> 4. List all services provided or primarily funded by each general purpose local government and authority within the county which are revised or added to the SDS in Section IV, below. (It is acceptable to break a service into separate components if this will facilitate description of the service delivery strategy.) 5. For each service or service component listed in Section IV, complete a separate, updated <i>Summary of Service Delivery Arrangements</i> form (FORM 2). 6. Complete one copy of the <i>Certifications</i> form (FORM 4) and have it signed by the authorized representatives of participating local governments. [Please note that DCA cannot validate the strategy unless it is signed by the local governments required by law (see Instructions, FORM 4).] 	<ol style="list-style-type: none"> 4. In Section IV type, "NONE." 5. Complete one copy of the <i>Certifications for Extension of Existing SDS</i> form (FORM 5) and have it signed by the authorized representatives of the participating local governments. 1. What incompatibilities or conflicts between the land use plans of local governments were identified in the process of developing the service delivery strategy?
None

2. Check the boxes indicating how these incompatibilities or conflicts were addressed:

- Amendments to existing comprehensive plans
- Adoption of a joint comprehensive plan
- Other measures (amend zoning ordinances, add environmental regulations, etc.)

If "other measures" was checked, describe these measures:
Describe "Other" Measures Here

NOTE:
If the necessary plan amendments, regulations, ordinances, etc. have not yet been formally adopted, indicate when each of the affected local governments will adopt them.

3. What policies, procedures and/or processes have been established by local governments (and water and sewer authorities) to ensure that new extraterritorial water and sewer service will be consistent with all applicable land use plans and ordinances? Seminole County and the County's municipal governments have jointly adopted a land dispute resolution to address land use disputes arising from annexation proposals. The dispute resolution provides for inter-jurisdictional notification, mediation, and a forum for resolution of land use conflicts.

**A Resolution Establishing a
Process to Insure Compatibility with Applicable Land Use Plans and Ordinances
and to Resolve Inter-Governmental Land Use Plan and Ordinance Inconsistencies
Pursuant to the Provision of New Extra Territorial Water and Sewer Services**

COPY

WHEREAS, the Seminole County Board of Commissioners and the Mayor and Councils of its political jurisdictions have found it necessary, desirable and in the public interest to establish a formal process to insure that the provision of new extraterritorial water and sewer service is consistent with all applicable land uses plans and ordinances of adjoining local governments, and

WHEREAS, the Seminole County Board of Commissioners and its municipal jurisdictions have determined that a process to insure land use compatibility as it relates to the provision of new extraterritorial water and sewer services and land use plans/ordinances, and

WHEREAS, the Seminole County Board of Commissioners and the governing bodies of the County's municipal jurisdictions have jointly developed a cooperative plan to insure consistency with applicable land use plans/ordinances,

BE IT THEREFORE RESOLVED by the Seminole County Board of Commissioners of Seminole County, Georgia and the governing bodies of the cities of Donalsonville, and Iron City and, **IT IS HEREBY RESOLVED** by the Authority of same:

Section 1. Effective immediately upon the adoption of this Resolution by the respective governments, the following process for insuring that proposed extraterritorial water and sewer service is compatible with the land use plans/ordinances of the new territory shall be implemented:

1. Prior to initiating the development of water and sewer services in extraterritorial boundaries, the local government proposing the new service will notify the adjacent government of the proposed new service by providing information on location of property, size of area, and existing/proposed land use associated with the property.
2. Within 10 working days following receipt of the above information, the local government receiving the notice of water/sewer extension will forward to the local government proposing the extension a statement either: (a) indicating that the proposal is compatible with that community's land use plan and all applicable ordinances; or (b) a description of why the proposal is inconsistent with the land use plan or ordinances providing supporting evidence. If the community proposing the service

extension does not receive a response in writing within the deadline, the proposal shall be determined to be consistent with the community's land use plan or land use ordinances.

3. If the community desiring to extend the water or sewer services receives a notification that the proposal is incompatible with the land use plan, the community may respond in writing within 10 days of receiving the notification of land use inconsistency by : (a) requesting a meeting to discuss a formal change to the land use plan; (b) agreeing with the content of the notification and stopping action on the proposed service extension.
4. In the event the respective jurisdictions seek mediation, the governments will agree on a mediator, mediation schedule and determine participants in the mediation. Any costs associated with the mediation will be shared pro rata by the county and the city based on population in accordance with the most recent decennial census.
5. A proposal to extend extraterritorial water and sewer service shall not be implemented until any bona fide land use plan or land use ordinance inconsistencies are resolved pursuant to the dispute resolution process.
6. However, the final determination of the land use plan or land use ordinances will be accorded to the governing body receiving the proposed service extension.

Section 2. All ordinances and resolutions in conflict herewith are hereby repealed.

FORM 4: Certifications

Instructions:

This form must, at a minimum, be signed by an authorized representative of the following governments: 1) the county; 2) the city serving as the county seat; 3) all cities having a 2000 population of over 9,000 residing within the county; and 4) no less than 50% of all other cities with a 2000 population of between 500 and 9,000 residing within the county. Cities with a 2000 population below 500 and local authorities providing services under the strategy are not required to sign this form, but are encouraged to do so.

COUNTY: SEMINOLE COUNTY

We, the undersigned authorized representatives of the jurisdictions listed below, certify that:

1. We have executed agreements for implementation of our service delivery strategy and the attached forms provide an accurate depiction of our agreed upon strategy (O.C.G.A 36-70-21);
2. Our service delivery strategy promotes the delivery of local government services in the most efficient, effective, and responsive manner (O.C.G.A. 36-70-24 (1));
3. Our service delivery strategy provides that water or sewer fees charged to customers located outside the geographic boundaries of a service provider are reasonable and are not arbitrarily higher than the fees charged to customers located within the geographic boundaries of the service provider (O.C.G.A. 36-70-24 (2)); and
4. Our service delivery strategy ensures that the cost of any services the county government provides (including those jointly funded by the county and one or more municipalities) primarily for the benefit of the unincorporated area of the county are borne by the unincorporated area residents, individuals, and property owners who receive such service (O.C.G.A. 36-70-24 (3)).
