3. List each government or authority that will help to pay for this service and indicate how the service will be funded (e.g., enterprise funds, user fees, general funds, special service district revenues, hotel/motel taxes, franchise taxes, impact fees, bonded indebtedness, etc.).

Local Government or Authority	Funding Method
Tift County Commission	County General Fund
Tift County Dev. Authority	Budget
Tift County Airport Authority	Fuel Revenue, Hanger Rent, Grants, SPLOST Funds

4. How will the strategy change the previous arrangements for providing and/or funding this service within the county?

Tift County has a Constitutionally created Airport Authority. In the previous SDS agreement the operation of the local Airport was funded by the Tifton-Tift County Airport Authority. The daily operation was managed by a 3rd party contractor via a contract for service. A lease or rent agreement existed between the Airport Authority and the 3rd party vendor. The vendor declined to renew their lease and the Airport Authority entered into an agreement assigning the daily operation of the Airport to the County Commission or current lessee. There is a separate Intergovernmental Agreement for funding between Tift County and the Tift County Development Authority.

5. List any formal service delivery agreements or intergovernmental contracts that will be used to implement the strategy for this service:

Agreement Name	Contracting Parties	Effective and Ending Dates
Airport Lease Agreement	Tifton-Tift County Airport Authority, Tift County	9/9/14-Auto Renew to 9/30/19
Airport Funding Agreement	Tift County Commission, Tift County Dev. Authority	9/9/14 - Annual Renewed

6. What other mechanisms (if any) will be used to implement the strategy for this service (e.g., ordinances, resolutions, local acts of the General Assembly, rate or fee changes, etc.), and when will they take effect?

The County will adjust fees charged for utilization of Airport services. The County will adjust user fees on an as needed basis. The intent is for cost to operate the local Airport to be budget neutral (expenditures covered by user fees etc...).

Rusty Haygood, Deputy Director
Georgia Department of Community Affairs
60 Executive Park South, NE
Atlanta, Georgia 30329

Dear Mr. Haygood,

This correspondence is to memorialize the agreement between Tift County and the cities of Tifton, TyTy, and Omega in accordance with the recent guidance given by the Department of Community Affairs.

Enclosed are the required DCA SDS submittal forms (Form 1, Form2, Form3, and Form 4) required to update the 2018 Service Delivery Strategy for Tift County and the cities of Tifton, TyTy and Omega. As you are aware, the method by which several services provided by the City of Tifton and or Tift County have changed since the last SDS submittal in 2008.

There remain several service areas that require additional discussion and negotiation between the cities and Tift County, most notably Water and Sewer, Landfill and E911. Based upon the discussions with DCA, the Georgia Department of Community Affairs has consented to make June 30, 2019, the next required update of our community's Service Delivery Strategy Agreement. Also, all parties involved understand that any additional services which may need revising can be addressed as well during this time frame. Tift County and the cities of Tifton, TyTy and Omega will be working diligently to resolve all remaining issues and present a revised strategy as soon as possible but no later than the time required to meet the June 30, 2019 deadline. Tift County and the cities recognize that the failure to reach an agreement and present a revised strategy on these remaining issues will result in the imposition of sanctions pursuant to O.C.G.A. 36-70-27.

Tift County and the cities of Tifton, TyTy, and Omega would like to extend their sincere appreciation to the Commissioner and all members of DCA who have assisted in enabling us to reach this resolution.
