COUNTY: HANCOCK COUNTY

1. What incompatibilities or conflicts between the land use plans of local governments were identified in the process of developing the service delivery strategy?

None, the current Hancock County and City of Sparta land use plans include a dispute resolution process and provisions for 5-year work plans. The land use plan is subject to amendment as a 5-year plans are accomplished.

2. Check the boxes indicating how these incompatibilities or conflicts were addressed:

- Amendments to existing comprehensive plans
Adoption of a joint comprehensive plan
Other measures (amend zoning ordinances, add environmental regulations, etc.)

If "other measures" was checked, describe these measures:

NOTE: If the necessary plan amendments, regulations, ordinances, etc. have not yet been formally adopted, indicate when each of the affected local governments will adopt them.

3. What policies, procedures and/or processes have been established by local governments (and water and sewer authorities) to ensure that new extraterritorial water and sewer service will be consistent with all applicable land use plans and ordinances? The City of Sparta supplies water and sewer services directly to businesses and residents within the city limits and will not establish any new water or sewer service outside of the city limits. Hancock County supplies water and sewer services outside the city limits and will not establish any new water or sewer service inside of the city limits. This is consistent with the land use plan.

COUNTY: HANCOCK COUNTY

We, the undersigned authorized representatives of the jurisdictions listed below, certify that:

1. We have executed agreements for implementation of our service delivery strategy and the attached forms provide an accurate depiction of our agreed upon strategy (O.C.G.A 36-70-21);
2. Our service delivery strategy promotes the delivery of local government services in the most efficient, effective, and responsive manner (O.C.G.A. 36-70-24 (1));
3. Our service delivery strategy provides that water or sewer fees charged to customers located outside the geographic boundaries of a service provider are reasonable and are not arbitrarily higher than the fees charged to customers located within the geographic boundaries of the service provider (O.C.G.A. 36-70-24 (2)); and
4. Our service delivery strategy ensures that the cost of any services the county government provides (including those jointly funded by the county and one or more municipalities) primarily for the benefit of the unincorporated area of the county are borne by the unincorporated area residents, individuals, and property owners who receive such service (O.C.G.A. 36-70-24 (3)).
