GREENE COUNTY, GEORGIA INTERGOVERNMENTAL AGREEMENT FOR THE COLLECTION AND DISPOSAL OF RESIDENTIAL SOLID WASTE <u>WITHIN THE INCORPORATED LIMITS</u> [Six Originals]

THIS INTERGOVERNMENTAL AGREEMENT is made and entered into this day of ______, 1998, by and among the BOARD OF COMMISSIONERS OF GREENE COUNTY, GEORGIA (hereinafter the "County"), the CITY OF GREENSBORO, GEORGIA, the CITY OF UNION POINT, GEORGIA, the TOWN OF SILOAM, GEORGIA, the CITY OF WOODVILLE, GEORGIA, and the CITY OF WHITE PLAINS, GEORGIA (hereinafter collectively referenced as the "Municipalities").

WITNESSETH:

WHEREAS, the Constitution of the State of Georgia, Art. 9, § 2, ¶ 3 authorizes counties to set policies for the collection and disposal of solid waste within their boundaries; and

WHEREAS, the Constitution of the State of Georgia, Art. 9, § 3, \P 1 authorizes counties and cities in Georgia to enter into intergovernmental agreements for the purposes of providing joint services; and

WHEREAS, the County, acting pursuant to the Georgia Solid Waste Management Act (O.C.G.A. § 12-8-20 <u>et seq.</u>) and the Constitution of the State of Georgia, Art. 9, § 2, ¶ 3, has studied its solid waste disposal needs and options to determine the best method of providing cost efficient and proper collection and disposal of residential solid waste (hereinafter the "Services") and has solicited proposals for solid waste hauling and disposal contracts from qualified vendors for providing such services in accordance with the mandates of local, state, and federal legislation; and

WHEREAS, the Municipalities desire that the County coordinate the Services to be provided to the Municipalities, subject to negotiation of terms by the County and each of the Municipalities set forth herein; WHEREAS, the County is willing to enter into this Intergovernmental Agreement for the joint provision of Services pursuant to the terms of this Agreement and is willing to pay for the expenses associated with providing the current curb-side service to the residential citizens of the Municipalities under the existing contracts between the Municipalities and the solid waste collection companies for residential service, attached hereto collectively as Exhibit "A" (hereinafter the "Contract");

NOW THEREFORE, in consideration of the promises set forth, the County and the Municipalities hereby agree that the expense associated with the curb-side collection of the residential solid waste provided to the citizens of the Municipalities after October 1, 1997 will be paid for by the County pursuant to the Contracts to the extent and under the terms of this Agreement as follows:

1. Services.

- 41

a. The County, through a contract with a provider of solid waste disposal and collection with which it may hereinafter contract (hereinafter the "Vendor"), will provide the Services within the incorporated areas of the Municipalities. The Services will be limited to Residential Dwelling Units, as defined in the County's Ordinances.

b. The Services will be provided in the Municipalities under the Contracts until a new contract can be negotiated with one company to provide the Services to the incorporated and unincorporated areas of Greene County.

c. The County agrees to use its best efforts to negotiate a single contact for providing the Services to the Municipalities and the unincorporated areas of Greene County upon the termination or expiration of the Contracts currently in force for the Parties for providing the Services.

d. The owners of each Residential Dwelling Unit in the Municipalities will be permitted to use only one (1) rollout cart. Additional fees will be charged by the companies providing the Services to the owner of Residential Dwelling Units requiring more than one (1) rollout cart. No fees for additional rollout carts will be paid by the County.

e. The owner of each Residential Dwelling Unit will be subject to the pickup regulations, the required use of rollout carts, and any other restrictions, requirements, or conditions currently in force under this Agreement unless in conflict with existing contracts.

- 2 -

f. Occupants of Residential Dwelling Units in the Municipalities may deposit brown goods and white goods at the Greene County Convenience Center or any site the Municipalities may provide.

2. <u>Term.</u> This Agreement shall become effective upon its execution (the "Effective Date"), and shall ran from year to year ending on September 30, but shall automatically be renewed if it is not terminated for the following fiscal year by any party hereto. Such termination shall be accomplished by a party providing written notice to each of the other parties on or before August 1st of the last fiscal year in which this Agreement is in effect or upon written agreement among the parties.

3. <u>Early Termination</u>. The County or any of the Municipalities may terminate this Agreement upon delivery of written notice to all other parties by certified mail, no fewer than ninety (90) days prior to the Termination Date; provided, however, such Early Termination may be made only if the Vendor assesses no penalty to any of the parties. Upon termination of this Agreement, the Municipalities shall immediately assume full responsibility for the payment of any expenses and compliance with the Contracts currently in force at the time of the termination for providing the Services to the citizens of the respective Municipalities.

4. <u>Mutual Responsibility</u>. The County and City of Greensboro and Union Point shall have mutual responsibility for negotiating terms with and selecting the Vendor. The County and City of Greensboro and Union Point shall also have the mutual authority to determine the manner in which the Services will be provided.

5. <u>Payment.</u>

a. The County will be responsible for payment of expenses associated with providing the Services.

b. The Vendor providing the Services will invoice the County directly for the Services provided and the Municipalities will provide the County with an accounting of the total number of rollout, residential carts for which service has been provided each quarter by the 15th day of the month following each quarter.

c. The County will pay all reasonable invoices pursuant to the terms of the Contracts, provided however, the County reserves the right to contest any invoice, pursuant to the terms of the Contracts, that is presented to the County directly by the Vendor providing the Services.

3 -

d. Expenses for solid waste collection provided to commercial or business establishments, or to non-residential property of any kind, shall not be paid for by the County and are not subject to this Agreement.

6. <u>Release</u>. The Parties agree that this Agreement shall not be construed to mean that the Municipalities are failing to provide solid waste collection and disposal as a municipal service for purposes of eligibility for certain Division of Revenue Sales Tax proceeds.

7. <u>Complaints.</u> If one of the Municipalities has a complaint concerning the quality of the Services, such complaints shall be addressed in a meeting or executive session between the members of the appropriate City Council and the County Board of Commissioners. If a resident of a Municipality has a complaint, the respective Municipality shall be responsible for responding to the complaint.

8. Miscellaneous

a. This Agreement shall be interpreted under the laws of the State

of Georgia.

b. Each Party represents and warrants that this Agreement has been duly authorized and executed and constitutes the binding obligation of such Party.
