**UTILITIES
WATER AND SEWER SERVICE
SERVICE DELIVERY AGREEMENT**

WHEREAS, this Service Delivery Agreement, between Murray County, a political subdivision of the State of Georgia formed in existing pursuant to the Constitution of the State of Georgia, and the City of Chatsworth and the City of Eton, all being municipal corporations chartered and existing pursuant to the laws of the State of Georgia; and,

WHEREAS, § § 36-7-20 through 37-7-28, of the Official Code of Georgia Annotated mandates that Murray County and all municipalities located therein shall participate in the development of a Service Delivery Strategy through which Murray County and said municipalities shall create and maintain service delivery system which is efficient, effective, and responsive to all citizens of Murray County; and

WHEREAS, § 36-70-24(1) of the Official Code of Georgia Annotated, mandates that said Service Delivery Strategy shall identify steps which will be taken to remediate or avoid overlapping and unnecessary competition and duplication of service delivery and that said Service Delivery Strategy shall identify the time frame in which such steps should be taken; and

WHEREAS, § 36-70-25 of the Official Code of Georgia Annotated, mandate that said Service Delivery Strategy receive the approval of Murray County in the governing authorities of municipalities located within Murray County on terms more particular described in said Code Section; and

NOW, THEREFORE, we the undersigned, being duly authorized to act on behalf of the above named entities, in consideration of the mutual covenants and promises contained herein, agree as follows concerning the provision of water and sewer services within Murray County.

WITNESSETH

**SECTION I.
DESCRIPTION OF CURRENT SERVICE DELIVERY ARRANGEMENT**

The provision of water and sewer services by Murray County or any municipality within its corporate limits is discretionary. To meet the needs of its citizens, the City of Chatsworth in _____, took the first steps to create a water work system by a local act of the Georgia Legislature. The Chatsworth Waterworks Commission (hereinafter "Chatsworth Waterworks") presently provides electric, water, and sewer services to the City of Chatsworth and, to a limited degree, provides the same service to areas outside its corporate limits. Neither Whitfield County or any of the other municipalities within its borders own, operate or provide water, sewer, gas or electric services to its citizens. The Board of Water, Light and Sinking Fund Commissioners of the City of Dalton, a municipality located within Whitfield County, Georgia (hereinafter "Dalton Utilities") currently provides or is in the process of providing water to the east side of the County. Residents of the County are also provided with water services from the City of Calhoun, Dalton Utilities, Coosa Utilities. Sufficient electrical service has been provided to all County residents by the Chatsworth Waterworks, Coosa Utilities, Georgia Power, and Dalton Utilities. The demands of the County and municipalities, other than the above referenced utilities for potable water and sewage treatment, have been satisfied by the drilling of wells and installation of individual septic systems. On September __, 1999, as a result of detailed negotiations, the Murray County Board of Commissioners entered into a Utility Service Agreement with Dalton Utilities. The Agreement reflects a commitment of Dalton Utilities to provide potable water service to a select portion of Murray County. The method of payment for the capital

improvements is described therein and is viewed as beneficial to all parties involved. The Agreement, having been negotiated and entered into subsequent to the passage of House Bill 489, incorporates the goal of said law in assuring water rates which are based on the cost of providing the service and not on arbitrary standards.

**SECTION II.
FUTURE DELIVERY STRATEGY**

The parties hereto agree that the current service delivery arrangement described above is efficient, effective and responsive to all citizens of Murray County. Therefore, the parties hereto agree that no need exists to change said service delivery arrangement.

Further, the parties hereto agree that no duplication exists in the provision of water and sewer services within Murray County, for the reasons set forth above.

The parties hereto agree that should any party undertake any action which may result in overlapping, competition or duplication of the current service delivery arrangement, or in the future Service Delivery Strategy described in this Delivery Agreement, that party shall notify the other parties to this Agreement, so as to facilitate continued compliance with the requirements of Georgia law as referenced above.

IN WITNESS WHEREOF, each of the undersigned has executed this Service Delivery Agreement on behalf of the respective parties set forth below, pursuant to the authority granted to each of the undersigned in the resolution by which each party approved and adopted this Service Delivery Agreement.

We must thank DCA for the invaluable assistance of Stephanie Moran during the preceding months. We hope that our amended submission complies with all requirements of the Service Delivery Strategy Act, however, if there are any further actions to be taken on behalf of either the County or any of the municipalities, please do not hesitate to contact us immediately.

RE: Murray County Service Delivery Strategy Act

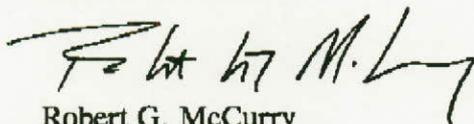

Dear Mr. Dubose:

As per our telephone conversation of earlier today concerning the Service Delivery Strategy Act of Murray County, we confirm and acknowledge to you that the term "Whitfield County" as appears on page 2 of the Service Delivery Strategy Agreements Section C(1) which is the agreement concerning water and sewer services is a typographical or scribblers error. Said utility agreement was signed and executed by the Vice Chairman of the Murray County Board of Commissioners, the Mayor of the City of Chatsworth and the Mayor of the City of Eton. The agreement as delivered to the Department of Community Affairs is by and between Murray County and the two municipalities located therein. On behalf of Murray County and the cities of Eton and Chatsworth, you are hereby authorized and directed to strike the word "Whitfield" from the body of said agreement and replaced therewith the word "Murray."

Pursuant to your request, we hereby enclose page 2 of the agreement concerning court services in which the appropriate box under question one has been marked. Please also find enclosed page 3 which has provided a clarification to the prior response given in answer to question one.

Yours very truly,
