CDBG-MIT Infrastructure Updates

Greetings!

In order to establish a user-friendly application process, DCA has decided to revise the launch and deadline dates for the CDBG-MIT Infrastructure application. The new application launch date has been rescheduled for **Monday, August 31, 2020**, and the new application deadline has been **Tuesday, January 12, 2021**. The DR-Team will continue to collaborate with the web-developer to ensure that the application process is user-friendly. The DR-Team also remains committed to providing all applicants the vital resources needed to confidently apply for mitigation assistance. As we enthusiastically move towards the new application launch date, please review the following reminders:

- The second CDBG-MIT Infrastructure Application Webinar has been rescheduled for **Wednesday, September 9, 2020, at 2:00pm**. In this webinar, the DR-Team will review the MIT-Infrastructure application, the required application uploads and address questions related to the application process. A registration link for the upcoming webinar will be released through Constant Contact and on DCA's website within a few weeks.
- The procurement process is extensive; therefore, applicants are encouraged to continue with the procurement process for grant administrators and/or engineers/architects. For questions regarding the CDBG-MIT Infrastructure procurement process, please **use this link** to review the MIT-Infrastructure Grant Application Webinar recording from July 29, 2020.
- Questions regarding procurement should be emailed to Kathleen Vaughn,

Compliance Manager at kathleen.vaughn@dca.ga.gov.

- Applicants should continue to contact Monique Guilford, DR Infrastructure Specialist at monique.guilford@dca.ga.gov to retrieve the jurisdiction's unique username and password. The username and password will be activated on the **new** launch date of August 31, 2020.
- Please visit [DCA's website](#) and sign up for Constant Contact updates to receive the latest information regarding upcoming DR webinars, Notices, and the most up-to-date information regarding the CDBG-MIT Infrastructure Application.

We appreciate your patience as we continue to work to provide a convenient method to apply for assistance. If you have any questions, please contact Monique Guilford, DR Infrastructure Specialist at monique.guilford@dca.ga.gov.
