

2018 International Mechanical Code (IMC)
Task Force Second Meeting
January 16th, 2019
Minutes

MEETING BEGINS - 10:00 AM

WELCOME

- Elaine Powers, Chairman, welcomed everyone and Introductions were made around the room of task force members, DCA staff, interested parties and guests.
- Elaine asked everyone take a few minutes to review the minutes of the last meeting.
- After reviewing the Minutes Chip Greene made motion to accept the minutes as written. The motion was 2nd by Mark Rice, and passed unanimously
- Elaine then recognized Jimmy Reynolds, DCA Staff Liaison, to answer questions posed to the DCA at the last meeting.

RESEARCH ITEMS

- Jimmy Reynolds clarified for the task force the specific definition of commercial and residential with regards to the IECC, IRC, and IBC. As well as the history of the Identification amendments (#10 on attached chart) in the IRC.

PRIOR AND OUTSIDE AMENDMENT REVIEW (See attached amendment report)

- Elaine Powers took the lead with regards to Chapter 3 previous amendments as Danny Oliver had an excused absence.
- Chapter 3 'General Regulations' – Elaine Powers
 - Items 8,9 were recommended to carry forward as written
 - Items 10-13 were recommended to be withdrawn as the task force felt they were now covered by the base code.
 - Item 14 was recommended to be revised for clarification.
 - Item 15 was recommended to carry forward as written.
 - Item 17 was recommended to be withdrawn to focus code on commercial
- Elaine then introduced Travis Glover from Southeast Pump and Equipment to discuss his outside amendment (#48 on the chart)
- Travis Glover presented his amendment and answered questions from the Task Force
- The amendment died with the task force taking no action.

LUNCH BREAK – 11:30 AM until 12:15 PM. Lunch was provided for task force members and DCA staff.
