Narratives

Disaster Damage:

The Unmet Needs Assessment was used to evaluate the three core aspects of recovery – housing, infrastructure (which includes public facilities and services), and business. The remaining unmet need was calculated by first estimating the portion of need likely to be addressed by insurance proceeds, other federal assistance, or any other funding source by using the most recent available data. Those estimates are based on best available data at that time and may be adjusted in the future as additional data becomes available. After accounting for funds already made available through state and other federal assistance and other funds, the remaining estimated unmet need is approximately \$444,732,396. The federal allocation of \$41,837,000 million is going to allow the State of Georgia to address 9% of the estimated unmet need remaining. When examining the relative need by sector, business represents the greatest unmet need of \$250,476,562 (56%) of need, followed by the housing sector with \$132,935,144 (30%) of need, followed by the infrastructure sector with \$61,320,690 (14%).

Recovery Needs:

HUD identified the Most Impacted and Distressed (MID) Zip code as 39845 (Seminole County) for Disaster 4400. DCA's needs analysis confirmed that additional MID areas were located in Zip codes 31705 (Dougherty County) and 39819 (Decatur County). DCA submitted a MID Expansion Request to HUD on April 14, 2020. This request was approved on July 16, 2020. Based upon Federal Register Notice 85 FR 4681, DCA will expand operations from the MID Zip codes to include the entire county (Decatur, Dougherty, & Seminole). Counties eligible for funds are: Baker, Calhoun, Clay, Crisp, Decatur, Dougherty, Early, Grady, Laurens, Lee, Miller, Mitchell, Randolph, Seminole, Sumter, Terrell, Thomas, Tift, Turner and Worth. Based upon the needs assessment, DCA will utilize the funds for administration, planning, housing needs, small business economic revitalization, workforce development, and infrastructure.

Overall Progress Narrative:

2018 CDBG-DR Allocation

This Quarterly Performance Report (QPR) describes the CDBG-DR activities taking place in Quarter 3 of 2022 (July 1, 2022, to September 30, 2022). The State of Georgia has allocated funds to administration, planning, a Homeowner Rehabilitation and Reconstruction Program (HRRP), a Workforce Development (WFD) Program, a Small Business Program, and a competitive Infrastructure Program.

Planning

Planning funds in the amount of \$4,183,700 have been allocated to the State for planning purposes internally. DCA has partnered with the Georgia Emergency Management and Homeland Security Agency (GEMA) to fund a planning project to create Disaster Recovery and Redevelopment Plans (DRRPs) for each of the 20 eligible communities affected by Hurricane Michael in 2018. Additionally in Quarter 4 of 2021, DCA selected to set aside a small percentage of its planning dollars to develop a website that will serve as an online, historic commercial building registry for the downtown areas within the 20 counties, to be called DowntownGA.

Homeowner Rehabilitation and Reconstruction Program (HRRP)

The HRRP is designed to assist homeowners of single-family properties that were damaged by Hurricane Michael in 2018. Homeowners may be eligible for rehabilitation or reconstruction of stick-built homes, replacement of manufactured homes, and/or elevation assistance. \$10,459,250 was originally set aside for this program, but DCA is awaiting HUD's approval for a substantial amendment to the 2018 Action Plan, which will increase the amount to \$13,248,383.

Workforce Development (WFD) Program

The WFD Program is designed to boost long-term recovery by supplying residents of the 2018 hurricane-impacted communities with the skills needed to increase household income. \$8,367,400 has been set aside for this program. The state has partnered with another state agency, the Technical College System of Georgia (TCSG) and four of their colleges to create a program that includes training and job readiness and career services, such as job placement and support services such as childcare and transportation. This total award is \$7,867,400 of the WFD budget.

Infrastructure Program (Competitive)

The State of Georgia has allocated \$8,367,400 to a competitive application process for its Infrastructure Program. However, if the previously referred to substantial amendment is approved by HUD, the total amount will be increased to \$13,945,667. This competitive round will be available to all 20 eligible counties affected by Hurricane Michael in 2018, with eighty (80) percent of funds being dedicated to the Most Impacted and Distressed (MID) areas: Decatur, Dougherty, and Seminole Counties.

Activity Description:

DCA will operate a state-implemented Homeowner Rehabilitation and Reconstruction Program (HRRP) through the use of a Prime Vendor who will be responsible for intake, case management, construction management, and assistance with close-out. In addition, the budget includes funds to cover all associated Activity Delivery Costs (ADCs) at the Grantee level.

Location Description:

All 20 eligible counties:

Baker, Calhoun, Clay, Crisp, Decatur, Dougherty, Early, Grady, Laurens, Lee, Miller, Mitchell, Randolph,

Activity Progress Narrative:

Homeowner Rehabilitation and Reconstruction Program (“HRRP”) The HRRP is designed to assist homeowners of single-family properties that were damaged by Hurricane Michael in 2018. Homeowners may be eligible for rehabilitation or reconstruction of stick-built homes, replacement of manufactured homes, and/or elevation assistance. \$10,459,250 was originally set aside for this program, but DCA is awaiting HUD’s approval for a substantial amendment to the 2018 Action Plan, which will increase the amount to \$13,248,383. As of Quarter 4 of 2022, there were 149 pre-application survey submissions, along with 64 submitted applications and 34 pending applications. However, over 50 applicants have been deemed as “no contact,” as Workforce Group is unable to get back in touch with them to follow-up on completion of the application. Additionally, the vendor is working on outreach in the impacted areas and is currently beginning the act of canvassing through phone calls and placing advertisements in local newspapers. In the new year, Workforce Group will begin the process of procuring a architectural and engineering firm to develop structural designs.

Activity Description:

This activity has been established to bill DCA's costs associated with planning activities for the grant

Location Description:

All 20 eligible counties:
Baker, Calhoun, Clay, Crisp, Decatur, Dougherty, Early, Grady, Laurens, Lee, Miller, Mitchell, Randolph, Seminole, Sumter, Terrell, Thomas, Tift, Turner and Worth

Activity Progress Narrative:

DowntownGA

DCA is planning to contract with the Friends of the Historical Texas Commission (nonprofit) through an agreement. This nonprofit will develop the DowntownGA website using the same infrastructure that they used to develop the DowntownTX website. As of Quarter 4 of 2022, DCA was awaiting to receive documentation (vendor management form, bank letter, etc.) to set up Friends of the Historical Texas Commission as a nonprofit vendor with the state.

Financial Narrative:

Funds expended have been modified to reflect the accurate grants the funds were drawn and expended from. An error in reporting indicated a larger amount had been expended from one grant than was drawn. The amounts noted are now correct.

Activity Description:

Georgia Emergency Management Agency/Homeland Security (GEMA/HS) will work the the Georgia Department of Natural Resources (DNR) to complete Disaster Recovery and Redevelopment Plans for the 20 counties eligible for funding under this allocation.

Location Description:

Activity Progress Narrative:

Georgia Emergency Management – DRRPs

GEMA was allocated \$1.5 million to work with a selected vendor to create the Disaster Recovery and Resiliency Plans (“DRRPs”). In Quarter 4 of 2022, OPB approved GEMA’s contract with the vendor, FCMC, and the agency met with them for a kick-off meeting. It has been decided that GEMA will rotate counties that they are working with for the plans every three months, beginning with Dougherty County.

Activity Description:

This activity will serve as the primary activity for the Workforce Development program. The Technical College System of Georgia will serve as the implementation agency and will allocate funds to the four (4) technical colleges in Southwest Georgia. The program is open to all low-to-moderate income residents in the eligible 20-counties affected by Hurricane Michael in 2018. The national objective subcategory will be Low/Mod Area Benefit. In addition, the budget includes funds to cover all associated Activity Delivery Costs (ADCs) at both the Grantee and subrecipient level.

Location Description:

Activity Progress Narrative:

Workforce Development (“WFD”) Program

The WFD Program is designed to boost long-term recovery by supplying residents of the 2018 hurricane-impacted communities with the skills needed to increase household income. \$8,367,400 has been set aside for this program. The state has partnered with another state agency, the Technical College System of Georgia (“TCSG”) and four of their colleges to create a program that includes training and job readiness and career services, such as job placement and support services such as childcare and transportation. This total award is \$7,867,400 of the WFD budget.

During the quarter, WFD Program staff continued to engage with prospective and current students along with community partners. The Director attended regular standing meetings to discuss the details of grant requirements, answer questions and to learn more about other opportunities leading to the recruitment of eligible students. Likewise, the case managers at both colleges attended several meetings and/or forums hosted by community partners and/or their respective colleges. Most of this quarter was dedicated to the Registration process by way of processing applications and tuition vouchers for students who were approved and attending internal meetings and training. Some of the outreach activities and meetings included the Salvation Army, Future Stars Healthcare event, Family Connections, Chamber of Commerce meetings, One Stop partner meetings, First Generation event, ATC Strategic Planning session, 100 Women Who Care event, and the Rebuild Orientation Session.

Albany Technical College (“ATC”) had a large number of students graduate during the quarter. In total, 43 students graduated and 42 of those left the college employed. In total, approximately \$2 million has been obligated to students enrolled in the program.
