Narratives

Disaster Damage:

The Unmet Needs Assessment was used to evaluate the three core aspects of recovery – housing, infrastructure (which includes public facilities and services), and business. The remaining unmet need was calculated by first estimating the portion of need likely to be addressed by insurance proceeds, other federal assistance, or any other funding source by using the most recent available data. Those estimates are based on best available data at that time and may be adjusted in the future as additional data becomes available. After accounting for funds already made available through state and other federal assistance and other funds, the remaining estimated unmet need is approximately \$444,732,396. The federal allocation of \$41,837,000 million is going to allow the State of Georgia to address 9% of the estimated unmet need remaining. When examining the relative need by sector, business represents the greatest unmet need of \$250,476,562 (56%) of need, followed by the housing sector with \$132,935,144 (30%) of need, followed by the infrastructure sector with \$61,320,690 (14%).

Recovery Needs:

HUD identified the Most Impacted and Distressed (MID) Zip code as 39845 (Seminole County) for Disaster 4400. DCA's needs analysis confirmed that additional MID areas were located in Zip codes 31705 (Dougherty County) and 39819 (Decatur County). DCA submitted a MID Expansion Request to HUD on April 14, 2020. This request was approved on July 16, 2020. Based upon Federal Register Notice 85 FR 4681, DCA will expand operations from the MID Zip codes to include the entire county (Decatur, Dougherty, & Seminole). Counties eligible for funds are: Baker, Calhoun, Clay, Crisp, Decatur, Dougherty, Early, Grady, Laurens, Lee, Miller, Mitchell, Randolph, Seminole, Sumter, Terrell, Thomas, Tift, Turner and Worth. Based upon the needs assessment, DCA will utilize the funds for administration, planning, housing needs, small business economic revitalization, workforce development, and infrastructure.

Overall Progress Narrative:

2018 CDBG-DR Allocation

This Quarterly Performance Report (QPR) describes the CDBG-DR activities taking place in Quarter 2 of 2023 (April 1, 2023 to June 30, 2023). The State of Georgia has allocated funds to Administration, Planning, a Homeowner Rehabilitation and Reconstruction Program (HRRP), a Workforce Development (WFD) Program, and a competitive Infrastructure Program.

Planning

DCA has partnered with the Georgia Emergency Management and Homeland Security Agency (GEMA) to fund a planning project to create Disaster Recovery and Redevelopment Plans (DRRPs) for each of the 20 eligible communities affected by Hurricane Michael in 2018. Additionally in Quarter 4 of 2021, DCA selected to set aside a small percentage of its planning dollars to develop a website that will serve as an online, historic commercial building registry for the downtown areas within the 20 counties, to be called DowntownGA.

Homeowner Rehabilitation and Reconstruction Program (HRRP)

The HRRP is designed to assist homeowners of single-family properties that were damaged by Hurricane Michael in 2018. Homeowners may be eligible for rehabilitation or reconstruction of stick-built homes, replacement of manufactured homes, and/or elevation assistance. \$13,248,383 is currently allocated to this activity.

Workforce Development (WFD) Program

The WFD Program is designed to boost long-term recovery by supplying residents of the 2018 hurricane-impacted communities with the skills needed to increase household income. \$8,367,400 has been set aside for this program. The state has partnered with another state agency, the Technical College System of Georgia (TCSG) and four of their colleges to create a program that includes training and job readiness and career services, such as job placement and support services such as childcare and transportation. This total award is \$7,867,400 of the WFD budget with the remaining budget being dedicated to the State's Activity Delivery Costs (ADCs).

Infrastructure Program (Competitive)

\$13,945,667 is currently allocated to this activity. In Quarter 2 of 2023 the State received and funded 6 projects. The projects are currently in the pre-agreement phase.

Activity Description:

This activity will serve as the primary activity for the Workforce Development program. The Technical College System of Georgia will serve as the implementation agency and will allocate funds to the four (4) technical colleges in Southwest Georgia. The program is open to all low-to-moderate income residents in the eligible 20-counties affected by Hurricane Michael in 2018. The national objective subcategory will be Low/Mod Area Benefit. In addition, the budget includes funds to cover all associated Activity Delivery Costs (ADCs) at both the Grantee and subrecipient level.

Activity Progress Narrative:

During Quarter 2 of 2023, staff continued to engage with prospective and current students along with community partners. The Director attended regular standing meetings to discuss the details of grant requirements, answer questions and to learn more about other opportunities leading to the recruitment of eligible students. Likewise, the case managers at both colleges attended several meetings and/or forums hosted by community partners and/or their respective colleges. During this quarter, time was dedicated to processing applications for new applicants, and processing tuition vouchers for returning students who were previously approved for grant funding. The team has been diligently contacting students who were approved for funding and have not registered for classes to increase enrollment. There were no graduates this past quarter for SRTC as an anticipated graduation is set for December. ATC's Spring graduation was held on April 27, 2023.
