FEMA-4294-GA
FEMA-4338-GA

Narratives

Disaster Damage:

In 2017, it seemed that the State of Georgia could not catch a break from severe weather. Dual catastrophic weather events harassed southern Georgia with destructive rain, wind, and cyclonic activity. On January 2, 2017 (DR# 4294) severe storms, tornadoes, and straight-line winds struck Dougherty and the surrounding counties. Then, on January 21st and 22nd (DR# 4297), forty-one tornados touched-down across the State of Georgia as part of a weather event that spawned the third-most tornados over a three-day event in recorded US history. Twenty-seven tornados struck on January 21st alone, but the most dreadful effects were witnessed in Berrien, Brooks, Cook, Dougherty, and Thomas Counties on January 22nd. In these counties, fourteen people perished in the storms, and, less importantly, millions of dollars of property damage was reported during the immediate recovery efforts.

As if the tornadic weather were not enough, September brought another spate of severe weather to South Georgia. Hurricane Irma made landfall in Florida on September 10th. Over the next two days, Irma worked its way up the Florida coast and into Georgia (DR# 4338). Once stationed over southern Georgia, Irma caused levels of damage and devastation not seen in this part of the state since 1994. A storm surge of more than four feet inundated the coast, and widespread flooding and power outages became the norm, not exceptions. In addition, fallen trees and windswept debris the area caused further damages to homes, buildings, and other infrastructure. The widespread nature of the damage resulted in millions of dollars in cleanup costs alone.

Recovery Needs:

Based on the unmet needs analysis conducted for the following counties from disasters 4294, 4297 and 4338:

Berrien, Camden, Charlton, Chatham, Coffee, Cook, Crisp, Dougherty, Glynn, Liberty, McIntosh, Thomas, Turner, Wilcox, Worth

DCA's analysis of the data confirmed that the MID areas were the following Zipcodes: 31520, 31548, and 31701, 31705, and 31707.

The conclusion of the unmet need analysis reveals that the 37,943,000 allocated for unmet need may not fully address the housing need therefore DCA will use the total allocation on housing and housing related activities until such time the needs have been addressed.

On January 27, 2020, Federal Register Notice 85 FR 4681 allocated \$13,015,596 dedicated to Infrastructure projects.

Overall Progress Narrative:

This quarterly performance report (QPR) describes the CDBG-DR activities taking place in Quarter 1 of 2024 (January 1, 2024, to March 31, 2023). The State of Georgia has allocated funds to three housing activities. The activities consist of a singlefamily rehabilitation and reconstruction program (HRRP), a multi-family affordable rental development program, and a multifamily rental rehabilitation program. Additionally, DCA has allocated \$16,500,000 of the 2017 CDBG-DR allocation to fund infrastructure activities in the storm-impacted areas.

Homeowner Rehabilitation and Reconstruction Program (HRRP):

The HRRP is designed to assist homeowners of single-family properties that were affected by the tornadic events occurring in Georgia on January 2, 2017, and January 21-22, 2017, in zip codes 31701, 31705, and 31707 (MID areas); and Hurricane Irma in zip codes 31548 and 31520 (MID areas) on September 11, 2017. DCA has entered into Subrecipient Agreements (SRA) with local governments in these MID areas to administer the program, which are Dougherty County and the Cities of Kingsland and Brunswick. Homeowners may be eligible for rehabilitation or reconstruction of stick-built homes, replacement of manufactured homes, and/or elevation assistance. However, the issue of heirs property has been discovered to be rampant throughout the eligible counties for the allocation and disqualifies families from accessing the Program, which requires a clear title to damaged property. To address this barrier, DCA has contracted with Georgia Heirs Property Law Center (GHPLC) to provide Title Clearing Legal Services; Training; and Technical Assistance to DCA, local government subrecipients, and program participants.

Affordable Multi-family Rental Program:

The Multi-family Affordable Rental Program will create quality, affordable rental housing units in the three MID communities affected by the 2017 storm events. The program will expand existing rental housing and construct new rental housing to alleviate the rental stock shortage created by the tornadoes and hurricane. \$13,470,664 has been allocated to this program, and 100% of the multi-family developments count towards the 70% LMI National Objective requirement.

Affordable Multi-family Rehabilitation Program:

The Affordable Multi-Family Rental Rehabilitation Program will fund the rehabilitation of the St. Marks Towers in Brunswick, Georgia, two affordable housing apartment buildings for senior citizens. The housing units were affected by the flooding and wind impact of Hurricane Irma in 2017, being just miles from the Georgia coast. The buildings endured prolonged damage, such as rusted HVAC systems and windows.

Infrastructure Program:

DCA has dedicated \$16,500,000 to the 2017 Infrastructure Program. Awards have been issued for two projects in the coastal region of Georgia.

Planning:

In the Fall of 2021, DCA awarded funds to the City of Brunswick and the City of Kingsland for planning purposes.

Activity Description:

The HRRP LM activity will provide safe, disaster resistant housing for owner-residents impacted by the 2017 disasters. These homeowners will be 0%-80% AMI. The program consists of rehabilitation or reconstruction of existing or destroyed single-family housing units. In addition, temporary housing assistance may be provided on a case-by-case basis. This activity also includes Activity Delivery Costs (ADCs) for the Grantee and the local government subrecipient.

Location Description:

This activity will be carried out in MID Zip Code: 31520

Activity Progress Narrative:

A Notification of Award was issued to the contractor for three homes under reconstruction. A homeowner and contractor agreement was signed for a home rehabilitation and the Notice to Proceed was issued to the contractor. Another home under construction for rehabilitation was issued a Certificate of Occupancy by the Glynn County building department.

Activity Description:

The HRRP LM activity will provide safe, disaster resistant housing for owner-residents impacted by the 2017 disasters. These homeowners will be 0%-80% AMI. The program consists of rehabilitation or reconstruction of existing or destroyed single-family housing units. In addition, temporary housing assistance may be provided on a case-by-case basis. This activity also includes Activity Delivery Costs (ADCs) for the Grantee and the local government subrecipient.

Location Description:

This activity will be carried out in MID Zip Code: 31705

Change to Location Activity 9/16/2020:

On July 21, 2020, HUD approved DCA's MID expansion request. This activity will now be carried out in Zip Codes 31701, 31705, and 31707.

Activity Progress Narrative:

Two rehabilitations are completed. Four homes are in the final stages of completion and pending final inspections. Two reconstructions are scheduled to start the beginning of next quarter pending permits being issued.

Activity Description:

4 phase drainage system upgrades, including replacement of undersized box culverts, widening of existing ditches, upsizing of pipe runs, and construction of a new outfall canal.

Location Description:

Activity Progress Narrative:

EMC Engineering is conducting the design work for phases 1-4 of the project.

Phase 1 design was 95 percent complete. Atlas, the consulting company, has completed appraisals for 14 out of 21 parcels which was approved by the county. Atlas then began the process of contacting property owners to present offers for acquisition.
