Appendix C:

Endnotes

- 1: Debt Issuance filings can be filed up to 60 days after issuance, meaning that 2025 debt issuances could still be filed until March 1st. Thus, the 2025 issuances may be incomplete.
- 2: The issuance amount represents the maximum aggregate amount of bond proceeds available, for certain issuances the actual amount drawn to date could be significantly lower.
- 3: Other Bond Types could include Contract Revenue Bonds, Tax Anticipation Notes, Lease Purchase Agreements, and other less prominent types of bonds.
- 4: If the purpose in a row is blank, that means that a purpose was not recorded on that debt issuance report.
