Project Narrative

Lucy Morgan I , Troup County

Housing Authority of the City of LaGrange (LHA) is a public body with the statutory mission of providing affordable housing assistance for low-income families in Troup County, Georgia, including the City of LaGrange. That assistance presently takes the form of ownership and operation of public housing financed with funds provided by the U. S. Department of Housing and Urban Development (HUD) under the U. S. Housing Act of 1937, as amended. LHA manages its properties in accordance with HUD rules and regulations. The LaGrange Housing Authority is a High Performer under the U.S. Department of Housing and Urban Development's Public Housing Management Assessment Program.

The LHA currently owns 420 public housing units and has received a Commitment for Housing Assistance Payment (CHAP) contract through the Rental Assistance Demonstration (RAD) program. RAD allows LHA to convert from traditional Public Housing development to long-term Project Based Section 8 Housing Assistance Payments (HAP) contracts. The length of the HAP contract will be 15 to 20 years and will be subject to annual appropriations. At the end of the contract term, HUD will renew the contract for an additional term, subject to the terms and conditions applicable at the time of renewal. Post renovation, the units will be restricted by a Project-Based HAP contract and tenants will continue to contribute 30 percent of their income towards rent.

Lucy Morgan, constructed in the 1950s, is located 611 Borton Street within the City limits of LaGrange, Georgia, and is situated on approximately 17 acres consisting of 182 public-housing units, 50 apartment buildings, one administrative building, and one community center. We have received from HUD a RAD CHAP Award allowing the development to demolish 9 units. Therefore, the proposed development plan is to develop Lucy Morgan in two-phases consisting of Phase I -85 units and Phase II-89 units.

Lucy Morgan Phase I (located at 500 Revis Street) will be renovated utilizing 4% low- income housing tax credit equity, tax- exempt bonds, seller financing, DCA/Kresge HOME funds and the Housing Authority's capital and operating reserve funds. The contribution of the Housing Authority's capital and operating reserves qualifies as "public housing improvement funds" as under HUD RAD the conversion from public housing to teh multi-family platform contemplates the conversion of these resources to assist in the improvement of the existing public housing stock of the houdsing authority. Phase I will include thirteen (13) one-bedroom units, thirty two (32) two-bedroom units, twenty two (22) three-bedroom units and eighteen (18) four- bedroom units with construction hard cost estimated at approximately \$82,000 per unit. The hard construction cost will include adding an additional bathroom to all three and four bedroom units, major HVAC system replacements, replacement of floor and interior finishes, appliance and energy efficient upgrades and replacement of sewer and water laterals to the sewer/water mains.

In February 2017, DCA/Kresge partnership awarded the Lucy Morgan I development a commitment of \$2,500,000 of HOME funds. Therefore, the financing source commitments consists of the DCA/Kresge Home funds of \$2,500,000, a seller take back note of \$3,591,000, PHA loan of \$1,200,000 and federal and state credit equity of \$9,545,790. The total development cost is approximately \$16.9 MM. Anticipated closing (start of construction) for Lucy Morgan Phase I is estimated in March 2018.

DCA requires the Applicant provide a narrative for all "Other" development costs listed on Part IV-Uses of Funds. For any amounts shown below the Applicant needs to provide an explanation of the cost incurred by the development. The narrative should be a brief description for DCA intended to justify its inclusion as a valid development cost. Further, if the "Other" cost is included into eligible basis, a second narrative is required describing its justification into tax credit basis. Expand row size as needed to show text.

APPLICANT COMMENTS AND CLARIFICATIONS

The Utility Allowance Study by Management Resource Inc. reflected a slightly higher utility allowance but concluded that the utility allowances associated with the RAD CHAP Award are reasonable and thus no adjustment was necessary for the RAD CHAP Award. Therefore, what is noted above reflects the RAD CHAP Award. Please note, the RAD CHAP Award and the utility allowance section will be updated before closing as HUD updates these amounts usually in the first quarter of the year. We have included the Utility Allowance Report by management Resource Inc. in Tab 01. Also, The RAD CHAP Award is included in Tab 01.

Re: Application for Low-Income Housing Tax Credit and/or HOME Funding

To DCA

This Application is submitted in accordance with the 2017 Qualified Allocation Plan and the Housing Finance and Development Division Manuals. In submitting this Application for funding consideration, the undersigned applicant hereby certifies:

- 1) I understand that, in the event an allocation (or an allowance) for LIHTCs was obtained with false information supplied to the Georgia Department of Community Affairs ("DCA"), DCA will recapture the LIHTCs or request that the IRS deny tax credits to the Applicant entity. Also, a supplier, including the developer or owner, who knowingly provides false information will be barred by DCA from program participation for a period of five (5) years from the date the false information was discovered, in accordance with a Memorandum of Understanding between the Internal Revenue Service and the Georgia Housing and Finance Authority.
- 2) I am responsible for ensuring the project consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of State and Federal tax law in the acquisition, development and operation of the project to receive State and federal housing tax credits.
- 3) I am responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I understand and agree the amount of the credit is allocated by reference to the figures that I submit as to eligible and qualified basis. I understand that the actual amount of credit allocated may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Georgia Department of Community Affairs ("DCA") as to the amount of credit necessary for the financial feasibility of the project and its viability as a qualified low-income housing project; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing credit percentage; and (d) availability of the credit.
- 4) I understand and agree that DCA makes no representations or warranties regarding the financial feasibility of the project, the amount of credit, or the appropriateness of the allocation of the credit and makes no independent investigation as to the eligible and qualified basis and that any and all credit awards and credit amounts are solely based on representations made by me. I therefore agree to hold harmless and indemnify DCA and the individual directors, employees, members, officers, and agents of DCA in the event that I or anyone acting on my behalf, at my request or by and through me incurs any loss, injury, or damages in conjunction with the project including those that may result from any inquiries or gathering of information by DCA concerning the proposed project team or Application, diminution of the credit, loss of the credit, recapture of part or all of the credit, failure to allocate the credit requested in my Application or, the failure of DCA, in whole or in part, to grant my Application.
- 5) I understand and agree that neither DCA nor any of its individual directors, employees, members, officers, or agents assume any responsibility or make any representations or warranties with respect to: (i) the amount or availability of credit for the project, or (ii) the financial feasibility of the project.
- 6) I understand and agree that my Application for a low-income housing credit and/or HOME loan, all attachments thereto, amendments, and all correspondence relating to my Application in particular or the credit in general are subject to a request disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I further understand and agree that any and all correspondence to me from DCA, other DCA-generated documents, or documents to rive a third party in the possession of DCA relating to my Application are subject to a request for disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I agree to hold harmless DCA and the individual directors, employees, members, officers, and agents of DCA against all losses, costs, damages, expenses, and liability of whatscever nature or kind (including, but not limited to, attorneys' fees, litigation, and court costs) directly or indirectly resulting from or arising out of the release.
- 7) I understand and agree to authorize DCA access to information relevant to DCA's Application review. I understand that DCA may request an IRS Form 8821 for any Project Participant through final allocation of credits and/or disbursement of funds. Project Participants will complete Form 8821 upon DCA's request.
- 8) I understand that any misrepresentations, which includes fraudulent, negligent, and/or innocent, in this Application or supporting documentation may result in a withdrawal of tax credits and/or HOME loan by DCA, my (and related parties) being barred from future program participation, and notification of the Internal Revenue Service and/or HUD.
- I certify that all sources of funds, including but not limited to Federal, State and local funding sources, have been disclosed and revealed.

In addition, Applicant understands:

- The above certifications are of a continuing nature and apply at all stages of the Application process: initial application, commitment, carryover allocation, and final allocation/funding.
- DCA must be notified of any subsequent events or information, which would change any statements or representations in the attached Application or amendments thereto;
- DCA reserves the right to verify all information or documents used in processing the Application, including requiring credit checks
 on all parties involved in the transaction. Applicant hereby authorizes the financing bank, accountant, mortgage lender, creditors,
 other state housing agencies and others sources identified in the Application to release information to DCA or its designee in
 order to verify the accuracy of information in the Application and amendments thereto.

Applicant agrees and understands that it may be charged for all fees and costs incurred by DCA in the inspection of funded properties during and after construction and in the enforcement of DCA regulations and policies.

Under penalty of perjury, to the best of my knowledge, I certify that all of the information in the attached Application, including all supporting documentation, is correct, complete and accurate.
