Chapter 1

Lender Relationships

Our relationships with DCA Lenders are central to the success of the Georgia Dream Homeownership Program. Throughout the year, a mortgage lender may apply to be a DCA Lender. This Chapter outlines the process for becoming a DCA Lender, the basic duties and responsibilities of a DCA Lender, and the annual renewal process for DCA Lenders. The duties and responsibilities of a DCA Lender are more specifically described in the Loan Seller Agreement and other chapters in this Guide.

The Georgia Department of Community Affairs is committed to providing all persons with equal access to its services, programs, activities, education and employment regardless of race, color, national origin, religion, sex, familial status, marital status, disability or age.

101 DCA Lenders

A DCA Lender must:

- a) be a legally organized and properly licensed business entity with a office located in the State of Georgia or in a State contiguous to Georgia; different branch offices of the same legal entity will not qualify as individual Lenders but different wholly owned subsidiaries may qualify as individual Lenders if they constitute separate legal entities;
- b) have as a principal purpose the origination of secured single family residential mortgage loans;
- c) be approved as (i) an FHA Direct Endorsement lender and VA lender, and (ii) be a federally regulated financial institution or a state or federal agency;
- d) be approved as (i) a Fannie Mae, Freddie Mac, or Ginnie Mae Issuer, or (ii) be a federally regulated financial institution, or a state or federal agency;
- e) demonstrate a proven ability to originate mortgage loans for sale in the secondary market;
- f) maintain quality control and management systems to evaluate and monitor the quality of loan production and compliance with DCA procedures;
- g) have in effect and maintain fidelity bond and errors and omissions coverage in amounts equal to that established for Fannie Mae Seller/Serviceers and agree to any modifications needed to meet our requirements;
- h) have a minimum net worth of \$2,500,000; and
- i) document a HUD Neighborhood Watch compare ratio for Georgia of less than 125%. If there are no Georgia loans, then a compare ratio of 125% of national production will be considered.

- 102 Application Process for New Lenders**
- A Lender Application package must be completed and returned to DCA for review and approval. The application package must contain:
- a) a completed Lender Application form and all required attachments;
 - b) two (2) original Loan Seller Agreements executed by a duly authorized senior officer;
 - c) two (2) original Loan Servicing Release Agreements executed by a duly authorized senior officer;
 - d) the three (3) most recent year-end financial statements available, certified by an independent certified public accountant;
 - e) evidence of fidelity bond and errors and omissions coverage in amounts equal to that established for Fannie Mae Seller/Servicers;
 - f) a copy of the Lender's Quality Control Plan. If applicable, a 203(k) Quality Control Plan must also be provided;
 - g) a complete O.C.G.A. §50-36-1(e)(2) Affidavit executed by a duly authorized officer and a copy of one verifiable documentation of citizenship;
 - h) a Corporate Resolution designating the officers or individuals authorized to execute assignments and other legal documents; and
 - i) an Original Limited Power of Attorney executed by a duly authorized senior officer.
- 103 Application Review Process**
- Upon receipt of a complete application package, we will analyze the Lender's ability to originate Georgia Dream Loans in compliance with our procedures and requirements. Upon completion of our review, we will send notification by email of the approval or denial of the application.
- Information and/or documentation submitted to DCA as a part of the application process may be subject to public disclosure.
- 104 Loan Seller Agreement**
- The Loan Seller Agreement between Lender and DCA:
- a) sets forth the requirements with which Lender must comply in order to maintain its status as a DCA Lender;
 - b) provides the terms and conditions for the sale of Georgia Dream Loans;
 - c) incorporates this Seller Guide by reference; and
 - d) incorporates DCA's Fair Housing Statement and requires DCA Lenders to maintain policies prohibiting discrimination based on race, color, sex, religion, national origin, familial status, disability or age. It also requires DCA Lenders to comply with all federal and state fair housing and lending laws, rules, regulations, orders, and provisions.
- The Lender performs origination and selling functions under the Loan Seller Agreement as an independent contractor and principal, not as an agent or representative of GHFA or DCA.

**105 Lender's
Basic Duties
and
Responsibilities**

Lender's duties and responsibilities include but are not limited to the following:

- a) Ensuring compliance with the requirements set forth in this Seller Guide and the Loan Seller Agreement;
- b) Ensuring Georgia Dream Loans meet Program requirements and all applicable mortgage insurer requirements;
- c) Having adequately trained staff and facilities, including and not limited to lender's management and non-management staff to originate and sell quality Georgia Dream Loans on a timely basis, including but not limited to:
 - Assisting each loan applicant with the requirements of the Program and advising of the status of the loan application;
 - Reserving, underwriting and submitting completely approved Georgia Dream Loans to DCA for compliance underwriting approval before closing:
 - i. DCA requires a fully underwritten and approved loan with the only remaining Lender condition before preparing closing documents being the Firm Commitment from DCA, and
 - ii. Evidence of approval from any additional down-payment assistance related entities with all terms, and
 - iii. DCA requires that only the Lender's designated Program Contact, Lender's underwriter, or Lender's underwriting leadership staff may contact DCA staff after a loan has been submitted into the Lender Portal, and
 - iv. The Lender will be responsible for responding to any inquiries from, but not limited to realtors (selling and/or listing agents), and/or any third-parties involved in the services rendered to obtain the mortgage,
 - Funding and closing of the Georgia Dream Loans;
 - If applicable, submitting required documents to the Mortgage Insurer or GSE to obtain mortgage insurance and arranging for the transfer of the insurance to GHFA;
- d) Lenders must utilize and complete the checklists provided within this Seller Guide with files delivered in the checklist order;
- e) Lender's first file submission must be complete and when there are more than two (2) subsequent resubmissions of omitted documents, DCA will reconsider participation in the program to include training and including, but not limited to termination;
- f) Ensuring staff are knowledgeable in all aspects of loan origination and selling;
- g) Having fully documented written procedures and quality control measures to determine that the procedures are being followed;
- h) Protecting GHFA and DCA against fraud, misrepresentation or negligence by any parties involved in the origination process; and
- i) Designating a Program Contact as described in this Chapter.

*105.1
Electronic
Media*

If Lender elects to transfer a paper copy of this Seller Guide into electronic format, the Lender expressly warrants that all such electronic Seller Guide forms and material used in connection with Georgia Dream Loans shall have only minor variations in format.

Lenders are strongly encouraged to use DCA specific forms and integrate them into their Loan Origination Systems for efficiency purposes to include electronic signatures. At the Lender's request, DCA will provide Georgia Dream Documents in multiple formats for integration into a loan origination system or document preparation system to allow for auto filling. Georgia Dream documents which have been signed with borrower's electronic signature must be accompanied by the borrower(s) Electronic Signature Authorization. If unable to provide, all forms must be wet signed.

Acceptable minor format variations include:

- a) change in type font;
- b) change in type size, so long as the document is easily readable; and
- c) absence of the form borders.

Unacceptable format variations include:

- a) absence of Georgia Dream Homeownership Program form number;
- b) absence of Georgia Dream Homeownership Program form version designation; and
- c) any change in content, including substitution, omission or addition of one (1) or more words.

You should contact us with any questions about reproduction of the Seller Guide or its forms before distribution of these documents in conjunction with the origination of Georgia Dream Loans.

**106 Lender
Organizational
Changes**

Lenders must send written notice to DCA of any major organizational changes contemplated, including, but not limited to:

- a) resignation or replacement of any senior management personnel;
- b) mergers, consolidations or reorganizations;
- c) changes in ownership of over 5% by whatever means;
- d) a change in corporate name;
- e) a change in a savings and loan association's charter from federal to state or vice versa or change to a banking association; and
- f) a change in your financial position which would render you unable to honor the Loan Seller Agreement.

Lenders must notify the DCA's Program Specialist by email of any changes in primary business office address, email or wiring instructions within five (5) Business Days of the change. On a periodic basis, Lender may be asked to verify addresses, telephone numbers, primary contacts and email addresses.

- 107 Loan Servicing** Lenders must release the servicing rights on Georgia Dream Loans to DCA's servicing division, State Home Mortgage. Servicing rights released must be transferred immediately after closing in accordance with this Guide.
- 108 Program Contact** The Lender must designate one (1) employee to serve as the Program Contact for the purpose of participating in the Program. The Program Contact should be an individual who can fulfill the responsibilities outlined in this Section on a timely and informed basis.
- The Program Contact is expected to disseminate information to the appropriate persons involved with the origination, underwriting, closing and servicing associated with Georgia Dream Loans. The Program Contact should inform all appropriate person to sign up for the weekly Georgia Dream rate sheet at the following link:
<https://dca.ga.gov/safe-affordable-housing/homeownership/georgiadream/lenders>
- While specific questions related to underwriting, reservations, purchase or final documents may be directed to other Lender staff, the Program Contact is expected to resolve problems, answer questions or represent Lender's position on various issues related to Lender's participation in the Program.
- The Program Contact must be designated at the time of lender application. Lender must notify DCA's Program Specialist by email within five (5) Business Days of a decision to designate a new Program Contact due to change in staff or change in staff responsibilities. Failure to provide this notification may result in immediate limited participation as described in this Chapter and may result in additional sanctions.
- 109 Lender's Repurchase Obligation** For reasons including but not limited to the following, Lender must repurchase any Loan sold to GHFA by the 15th Business Day following our demand in accordance with the Loan Seller Agreement:
- a) Any of the warranties contained in the forms and certifications required by the Seller Guide are deemed untrue or misleading in any material respect by DCA;
 - b) the Loan is found to be in violation of any applicable Program, Mortgage Insurer, or GSE requirements;
 - c) Lender fails to deliver any required documents and/or certifications;
 - d) Lender takes action which impairs GHFA's security and/or causes the Loan to no longer meet the requirements of the Seller Guide, either before or after the sale of the Loan to GHFA and execution of the Lender Certification (Form SF-60); and/or
 - e) Lender fails to take action that protects GHFA's security and/or causes the Loan to no longer meet the requirements of the Seller Guide, either before or after the sale of the Loan to GHFA.

- f) the Loan has an early payment default of any payments within the first six (6) months of the closing date including repayment of the Servicing Release Premium

In the event the Lender is required to repurchase a Loan, the amount due to DCA on GHFA's behalf will be governed by the terms of the most recently executed Loan Seller Agreement.

GHFA/DCA will not require a repurchase for loans with defects discovered more than 36 months after the purchase date of the loan, except for cases of fraud, misrepresentation, or material violations of loan eligibility requirements. After the 36-month period, repurchase is not required for minor defects unless the defect significantly impacts the loan's performance or eligibility.

110 Remedies for Non-Performance

DCA retains the right to either limit or terminate the Lender's participation in the Program for (i) any failure to abide by the terms of the Loan Seller Agreement or this Guide, (ii) any untrue or materially misleading statement in the Lender Application or Lender Application Renewal forms or attachments thereto, (iii) lack of loan participation, (iv) named as a defendant in any pending litigation.

110.1 Limited Participation

Limited participation means the Lender will be unable to make a reservation until the specific violations which caused the limited participation have been resolved to our satisfaction. Such violations include but are not limited to:

- a) loss of mortgage insurer certification;
- b) failure to maintain a branch in Georgia or contiguous state;
- c) outstanding repurchases of loans or outstanding final documents; or
- d) excessive HUD or GHFA delinquency ratios.

Limited participation does not relieve the Lender of any responsibilities under the Loan Seller Agreement or this Guide. At the conclusion of the period of limited participation, DCA will notify Lender either (i) when reservations may resume, or (ii) the Lender's participation in the Program has been terminated.

110.2 Termination

Termination means Lender will no longer be allowed to participate in the Program and the Lender's name will be removed from all DCA materials intended for the public as soon as practical. The decision to terminate participation will be based upon an evaluation of the severity and magnitude of the violation and will be solely within DCA's discretion. After termination, a Lender which has taken the necessary steps to prevent a reoccurrence of the violation that led to the termination may submit a request to reinstate participation to DCA's Program Specialist with an explanation of the steps taken. After review, we will notify you of our decision.

At the time of Lender renewal, if the Lender has less than four loans purchased by Georgia Dream from the previous year, the Lender will be terminated.

*110.3
Notification and
Appeal*

The Program Contact will be notified of limited participation or termination via email. Lenders will have 15 Business Days from the date of the notice to appeal the action to DCA's Program Manager of Homeownership. The appeal must (i) demonstrate why Lender feels the action was unwarranted, (ii) describe any measures underway to correct the deficiencies, and (iii) demonstrate measurable progress toward correcting the deficiencies. DCA may, in our sole discretion, schedule an informal conference with Lender to gather information related to the limited participation or termination. A decision will be made within 15 Business Days of receipt of the appeal.

111 Lender Portal

Lender Portal is DCA's internet-based system that allows Lenders to enter Reservations, complete and print DCA required forms, check the status of Reservations, submit electronic documents for review and access various reports. Lenders are required to utilize Lender Portal to reserve funds with DCA. Anyone utilizing Lender Portal must be assigned an individual username and password.

**112 Program
Compliance**

Lender is responsible for ensuring each Loan submitted to DCA complies with our Program requirements and the requirements of the Mortgage Insurer as set forth in the Loan Seller Agreement and this Seller Guide.

Even if the loan is purchased based upon DCA's review of the underwriting package, DCA reserves the right to require Lender to repurchase the Loan if the Loan does not comply with the applicable Program requirements and/or the requirements of the Mortgage Insurer as set forth in the Loan Seller Agreement and/or this Guide.

**113 Annual Lender
Renewal**

Each year, the Lender is required to complete a Lender Application Renewal package within the time specified by DCA. The renewal package must contain:

- a) a completed Lender Application Renewal form and all required attachments;
- b) if required by DCA, two (2) original Loan Seller Agreements executed by a duly authorized senior officer;
- c) the most recent year-end financial statements available, certified by an independent certified public accountant;
- d) evidence of fidelity bond and errors and omissions coverage in amounts equal to that established for Fannie Mae Seller/Serviceers;
- e) any requirements of new applicants specified in this Guide not previously requested of Lender; and
- f) documentation showing a HUD Neighborhood Watch compare ratio for Georgia of less than 150%. If compare ratio exceeds 150% at any given time, we will consider the Lender's Georgia Dream loan performance. If the most current compare ratio exceeds 150% for two consecutive quarters, we reserve the right to remedies for non-performance, in accordance with this guide.

114 Changes to the Program

The provisions of the Loan Seller and Loan Servicing Agreements and this Guide may be amended from time to time. Lender must abide by any such changes or may withdraw from participation by providing notice to DCA's Program Specialist within ten (10) Business Days following notification of any such changes.

Federal and State laws governing the Program are subject to change. When you sign the Loan Seller Agreement and/or Loan Servicing Agreement, you are acknowledging and agreeing that Federal or State legislation or both could be enacted in the future that would require amendment of the provisions of this Seller Guide, Loan Seller Agreement and/or the Loan Servicing Agreement. You are also acknowledging and agreeing that future DCA Program changes might require an amendment of the provisions of this Guide and/or the Loan Seller Agreement.

You also acknowledge and agree that the requirements and procedures of Mortgage Insurers or Government-Sponsored Enterprises (GSE) applicable to the Program may change. When you sign the Loan Seller Agreement and Loan Servicing Agreement you are agreeing to comply with any such future changes in the Mortgage Insurers' or GSE requirements or procedures.

Chapter 2

DCA Loan Process

The loan process described in this Chapter allows DCA to manage the Georgia Dream Homeownership Program pipeline and provide DCA Lenders with information about the loans in the pipeline. It is critical that Lenders maintain correct information and take timely action to ensure loans meet our deadlines.

201 General

As a DCA Lender, it is your responsibility to ensure each loan submitted to DCA complies with Program requirements and the requirements of the Mortgage Insurer or GSE. As a DCA participating Lender you must assist eligible borrowers throughout the loan process.

DCA will review the Lender's submitted Underwriting Packages, clear DCA placed underwriting conditions as applicable, and review Purchase Packages on a first-come, first-served basis. Lenders should submit complete Underwriting Packages and Purchase Packages as early as possible to allow sufficient time for DCA to review each package and for the Lender to address any issues.

202 Funds Availability

Generally, DCA expects to make funds for the Program available to Lenders on an ongoing basis. DCA must, however, comply with certain State and Federal laws relating to the geographic allocation of its funds. Therefore, we reserve the right to select Reservations that meet those requirements and hold other Reservations for a later date if sufficient funds are not available for all Reservation requests.

In the unlikely event that funds are not available for all expected Reservations, DCA will post notification on the Rate Sheet, Lender Portal, and notify the Program Contacts by email.

203 Loan Origination

DCA recognizes there are procedural variations among Lenders. Therefore, the procedures outlined in this section only suggest the sequence of events for loan origination:

- a) The Lender is encouraged to provide Applicants who inquire about the Program with a Georgia Dream Homeownership Program information and answer any questions the Applicant may have regarding the Program, eligibility requirements and the loan process;
- b) The Lender advises the Applicant to attend homebuyer education through a HUD approved housing counseling agency and provide evidence of completion in the Underwriting Package;
- c) The Lender takes a formal application and determines if the Applicant is eligible for the Program based on information received for Household Annual Income, Acquisition Cost, prior homeownership, and other relevant information. If the Applicant appears eligible, the

Lender obtains completed and signed copies of the Program documents required at application,

- d) The Lender reserves funds pursuant to the Reservation procedures outlined in this Chapter,
- e) The Lender fully and completely underwrites the application for credit approval based on the requirements of the Mortgage Insurer or GSE and determines if the loan complies with DCA's guidelines, and
- f) Once the Lender's underwriter has completely approved the loan and completed its review, an underwriting package is submitted to DCA for a compliance underwriting review.

*203.1
Completion of
Forms*

Lender must submit fully completed and signed Georgia Dream documents at time loan is submitted to the Lender Portal for review. If required forms are not included in the loan file, review of the loan file may be suspended until documents are uploaded to the Lender Portal.

Georgia Dream Documents which have been signed with borrower's electronic signature must be accompanied by the borrower(s) Electronic Signature Authorization. If unable to provide, all forms must be wet signed.

The Note and Deed must continue to be signed by the borrower(s) at closing.

**204 Issuance of
Reservations**

To request a Reservation for the Program, Lender must enter the required information via the Lender Portal. Lender should select the correct category for the loan.

If the Reservation request meets Program requirements and funds are available, Lender will receive a Reservation Number via a "Reservation Accepted" response from the Lender Portal. The "Reservation Accepted" screen must be printed and uploaded in the Underwriting Package in eDocs.

Lender must make note of the DCA Reservation Number and make it accessible to all personnel involved with the loan. The Reservation Number must be included in all verbal and written communication with DCA to facilitate accessing information about the loan.

If any information needs to be changed (property address, income, purchase price, loan amount, etc.) after a Reservation Number has been issued, Lender must complete the Reservation Change Form (SF-7) and email it to dcareservations@dca.ga.gov. DCA will make the changes upon receipt of the Reservation Change Form and notify Lender once the changes have been made.

If the Reservation Period expires, the loan will be cancelled unless Lender requests an extension in accordance with this Chapter.

DCA does not allow substitution of a borrower on any Reservation.

*204.1
First Mortgage
Loan Interest
Rates*

The interest rate for Georgia Dream First Mortgage loans is the rate that is effective at the time the reservation is received by DCA and is attached to the property.

DCA will notify Lenders of the interest rate and the effective period for the rate each Thursday or as necessary. A reserved loan is not subject to increases or decreases based on market fluctuation.

If Thursday is not a Business Day, then DCA will send the Rate Sheet on the previous Business Day. As such, DCA will deliver a Rate Sheet by email every Thursday afternoon before 5:00 p.m. Interest rates are also available 24 hours a day on the Lender Portal and by dialing the Lender Information Line at (404) 679-0581.

205 Reservation Period

The Reservation Period is the period the Lender must submit the Underwriting Package to DCA for approval, close the loan, and submit the Purchase Package to DCA for funding. The Reservation Period is 75 calendar days.

Lender must periodically review the status reports available on the Lender Portal to monitor and notify DCA of any cancellations or extensions needed.

*205.1
Reservation
Period
Extension*

Lender may request an extension of the Reservation Period by submitting Form (SF-5) to dcareservations@dca.ga.gov.

With payment of an Extension Fee, Lender may request an extension of any Georgia Dream loan reservation for the number of days in section 205.2, Extension Fees.

For FHA 203K loans, Lender may request up to two 30-day extensions with no Extension Fee and one additional 30-day extension with payment of an Extension Fee.

Within our discretion, we may grant an additional 30-day extension for any Georgia Dream loan reservation if we have completed our underwriting review.

Within three (3) Business Days of receipt of an Extension Form (SF-5), DCA will notify Lender by email of the approval or denial of the request

for extension. If approved, the approval will show the new Expiration Date and the total Extension Fee due.

After the expiration of any approved extension period, the reservation will be cancelled. The Lender may send a written request to make a second reservation, which is within the sole discretion of DCA whether to approve.

*205.2
Extension Fees*

The Extension Fee will be a flat fee based on the number of days of extension. For a 7 day extension, the fee is \$50.00, for 15 days the fee is \$150.00, and for 30 days the fee is \$250.00. Extension Fees will not be pro-rated.

Extension Fees are not refundable and may not be charged to the borrower. The Extension Fee will be deducted from the net purchase amount when we purchase the loan.

**206 Cancellation of
Reservation**

Immediately upon learning that a loan with an active Reservation will not be presented for purchase, Lender must complete a Reservation Cancellation (Form SF-6) requesting cancellation of the Reservation and send via email to dcareservations@dca.ga.gov.

Loans may not be cancelled and re-reserved to obtain a lower interest rate. A reservation made within six (6) months of a previous reservation for the same borrower and the same property will result in the higher of the current or previous interest rate.

207 Underwriting

The credit decision on each loan is made by the Lender in accordance with this Chapter. Each loan submitted to DCA must also meet the Program requirements and the applicable Mortgage Insurer's requirements as determined by the Lender's underwriter. DCA will underwrite loans for compliance with Program requirements prior to issuing an underwriting decision to the Lender.

*207.1
Compliance
Underwriting*

Lenders are required to review the file for compliance with Program requirements prior to submitting the Underwriting Package to DCA for compliance underwriting, but DCA reserves the right to require further information to insure compliance with Program requirements and/or Mortgage Insurer or GSE requirements.

In the absence of specific guidance within this Seller Guide on underwriting requirements, DCA will default to the Mortgage Insurer's or applicable GSE current underwriting requirements at the time of DCA's purchase to include but not limited to, FHA 4000.1, VA Lender Handbook, USDA HB-1-3555, Fannie Mae/Freddie Mac Selling Guides, Mortgagee Letters, Circular Letters, and/or Lender Letters.

DCA's compliance underwriting decision will be based on, but not limited to, a review whether the documentation in the Underwriting Package demonstrates satisfactory compliance with the following criteria:

- a) Applicant meets the first time homebuyer requirements;
- b) Applicant's total Household Annual Income meets Program requirements;
- c) Acquisition Cost of the subject property is within the published Acquisition Cost limits for the county in which the property is located;
- d) DCA required forms are complete and accurate;
- e) Loan proceeds are utilized for purchase only transactions;
- f) Complete and accurate information is provided prior to loan closing and all underwriting approval conditions are satisfied and adequately documented; and
- g) Collateral assessment of the subject property meets Program requirements and the requirements set forth by the Mortgage Insurer.

*207.2
Credit
Underwriting*

Lenders must follow the underwriting guidelines set forth by DCA and/or the Mortgage Insurer, Lender's credit underwriting must evaluate the creditworthiness of each Applicant. Approved loans are then submitted to DCA for compliance underwriting.

Lender's Underwriter assumes full responsibility for compliance with the insurer's credit underwriting requirements.

All Underwriting Packages submitted to DCA must include the appropriate Mortgage Insurer or GSE approval documents:

- a) FHA loans will require a copy of the Mortgage Insurance Certificate, FHA Loan Underwriting and Transmittal Summary (92900LT) and Conditional Commitment both completed with signature and dated by the Direct Endorsement Underwriter;
- b) USDA/RD loans will require a signed Conditional Commitment form (USDA Form 3555-18E) by the Lender's underwriter;
- c) VA loans will require a completed Loan Analysis (VA form 26-6393) fully executed and signed by the Lender's VA automatic underwriter, and an executed Notice of Value (NOV) by the Lender's VA LAPP/SAR underwriter;
- d) Conventional loans will require a completed and signed Uniform Underwriting and Transmittal Summary (Fannie Mae form 1008/Freddie Mac form 1077) by the Lender's underwriter.
- e) Appraisal Processing Program approval must be in the Underwriting Package.

207.3

Lender must submit to DCA a complete copy of the Residential Mortgage Credit Report (RMCR) or a tri-merged credit report. A credit report

Credit Report & Fraud Report utilized by an Approved Automated Underwriting System may also be accepted. The credit report may not be older than one hundred and twenty (120) days at the time of final underwriting approval. Lenders are expected to continuously run undisclosed debt monitoring (UDM) through the date of funding to ensure the borrower has incurred no new debts after the initial credit report run date. Any undisclosed debts discovered by the Lender or DCA will subject the loan to additional underwriting and program eligibility requirements.

Lender must also submit a fraud data verification report, including liens and judgments, with the complete underwriting package. The report must come from an acceptable vendor (i.e., Fraudguard, Drive, Lexus Nexis, Corelogic).

*207.4
Automated
Underwriting*

For all loans underwritten by an Automated Underwriting System (DU, LP or GUS), AUS approval will not be accepted unless the Housing Expense ratio meets the following requirements¹:

Credit Score	Housing Expense Ratio	DTI Ratio
700+	Per AUS approval	Per AUS approval
640-699	<45%	<45%

If a borrower does not meet these requirements, the Lender's Underwriter may request an exception. Exceptions for ratios are limited to two points over the maximum allowable ratio for the credit score. After the complete submission has been reviewed, DCA may, in its discretion, grant an exception to the ratio requirements if no negative indicators of credit are present and there are compensating factors including but not limited to:

- a) The borrower has successfully demonstrated the ability to pay housing expenses greater or equal to the proposed monthly housing expenses for the new mortgage over the past 12-24 months;
- b) The borrower has substantial documented cash reserves of at least 2 months after closing demonstrating an ability to save; or
- c) The borrower receives documented compensation or income that is not reflected in effective income but directly affects his/her ability to pay the mortgage.

As part of the Underwriting Package, Lender must submit to DCA all documentation used or required by the Approved Automated Underwriting System in determining the credit recommendation. DCA will accept the streamlined documentation required by the Approved Automated Underwriting System, with the exception of the Appraisal. The information provided on the loan application, source documents and verifications prior to loan closing must conform to the information

¹ The Georgia Dream Peach Select Veterans Assistance Loan Program maximum DTI is per AUS findings with a minimum 640 score.

contained in the AUS approval and all conditions must be satisfied and adequately documented.

*207.5
Manual
Underwriting*

DCA will only accept manually underwritten loans when a credit score does not exist on government loans (FHA, VA, and USDA/RD). Conventional loans are not eligible for manual underwriting. Alternative credit is acceptable. DCA will not accept manually underwritten loans when derogatory credit or high ratios exist. FHA and VA loans must comply with the manual underwriting requirements as set forth in HUD 4000.1 or the VA Lender Handbook.

For all manually underwritten loans, the maximum Housing Expense ratio may not exceed 28% and the total Debt to Income ratio may not exceed 36% on both the Georgia Dream Standard and Georgia Dream Peach Plus programs. For a manually underwritten Georgia Dream Peach Select program the maximum total debt-to-income ratio may not exceed 41%.

*207.6
Minimum
Credit Score
Requirements
for FHA, VA,
USDA/ RD, &
Conventional
Uninsured
Loans*

All FHA, VA, USDA/RD and Conventional uninsured loans must have a minimum middle credit score of at least 640 using the lowest score of all credit qualifying borrowers.

Applicants with no credit scores that meet FHA's non-traditional credit policy as outlined in the HUD 4000.1 will continue to be accepted as meeting the minimum 640 credit score requirement, but the Housing Expense ratio may not exceed 28% and the total Debt to Income ratio may not exceed 36%.

*207.7
Underwriting
Package
Format*

The Underwriting Package must include at least the items listed on the Underwriting Package Checklist in this Guide and the documents must be arranged in the order listed on the checklist. If not arranged in the order listed, the package will be suspended.

The Lender must insure the Underwriting Package includes all documentation that was deemed necessary to obtain credit underwriting approval, including all documentation required to clear any credit underwriting conditions. The loan must be fully approved by Lender's underwriter prior to submission of the Underwriting Package.

The documents in the Underwriting Package must be uploaded and submitted through eDocs into the Underwriting Package, accessible on the Lender Portal.

*207.8
Incomplete
Underwriting
Package* Lender will be notified via email or phone if the Underwriting Package is substantially incomplete. When the requested documentation is received by DCA, the Underwriting Package will be considered complete and will be placed into underwriting on that date.

*207.9
DCA's
Underwriting
Period* Upon receipt of a complete Underwriting Package, DCA will notify Lender of the initiation of underwriting review within five (5) Business Days. In periods of unusually heavy activity or due to circumstances beyond our control, it may be necessary for DCA to extend the time required for underwriting review beyond ten (10) Business Days.

The Lender must consider the DCA underwriting period when planning to close a loan. Loans submitted with less than ten (10) business days from the closing date will require an executed contract extension by all parties to allow DCA sufficient time to perform the compliance underwriting review. Lenders may check the status of DCA's underwriting turnaround time by calling the Lender Information Line at (404) 679-0581 or viewing the turnaround times within the Lender Portal.

*207.10
Exceptions* Exception Request Policy and Process
The Georgia Department of Community Affairs (DCA) Homeownership Division may consider exceptions to standard program requirements on a case-by-case basis to support sustainable homeownership while maintaining program integrity and compliance.

Eligibility for Exception Requests:

- a) Exception requests must be submitted by a participating lender.
- b) Exceptions will only be considered when the request demonstrates a compelling hardship or extenuating circumstance that does not compromise loan quality, borrower sustainability, or adherence to program requirements.
- c) Exceptions will not be granted for requirements dictated by mortgage insurer or government sponsored entity guidelines (e.g., FHA, VA, USDA, Fannie Mae, or Freddie Mac).

Submission Process:

- 1) The lender must submit their own version of an exception request entitled "Exception Request Form" with full details of the exception being sought, including:
 - a) Borrower name and DCA loan number
 - b) Specific program guideline for which the exception is requested
 - c) Rationale for the request and all relevant supporting documentation
 - d) Compensating factors supporting the request, to include but not limited to the ability to accumulate

savings, strong reserves, long-term stable employment, minimal housing payment shock, or a history of timely housing payments

- 2) Exception requests **must** be included directly behind the Underwriting Package Checklist when the lender uploads their underwritten loan file into the Lender Portal.
- 3) DCA will review the request and issue a deferral letter requesting any additional documentation, which will serve as the formal exception approval.

Approval Authority:

Exceptions must be approved by the Compliance Underwriting Manager, who may escalate to the Division Director for final determination, depending on the complexity of the request.

Recordkeeping:

Approved exceptions will be tracked and monitored by the Compliance Underwriting Team to ensure consistency, identify patterns, and manage program risk.

208 Underwriting Decision	Lender will be sent an approval, deferral or rejection letter by email as outlined in this section.
<i>208.1 Underwriting Approval Letter</i>	If approved, an underwriting approval letter will be sent to Lender stating it is a "Firm Commitment". The underwriting approval letter will identify any conditions which must be satisfied, documentation of which must be included in the Purchase Package.
<i>208.2 Underwriting Deferral Letter</i>	A deferral letter may be issued stating an underwriting decision cannot be made until receipt of listed documentation. Upon receipt of the requested information, the Underwriting Package will be reviewed again with results of the review being uploaded in eDocs.
<i>208.3 Underwriting Rejection Letter</i>	A rejection letter is sent when DCA determines a loan does not meet the guidelines for the Program. The letter will include the reason the loan is being rejected for delivery to DCA. The Reservation will be cancelled unless the Lender notifies DCA within ten (10) Business Days from the date of the rejection that it wishes to attempt to "cure" the rejection. If an Extension of the Reservation Period is needed, Lender must request an Extension in accordance with the procedures outlined in this Seller Guide.
209 Clearing Conditions	To clear conditions or to respond to a deferral or rejection, Lender must upload the requested information to the Underwriting Package in eDocs. Partial conditions submissions are not allowed and all DCA conditions are expected to be submitted once. The DCA underwriter will typically review within 24 hours of receipt and will respond by emailing Lender and

uploading either (1) a new letter to the Underwriting Package in eDocs if the underwriting decision changes or (2) the previous letter with an indication of which conditions have been cleared. DCA volumes may impact the review time. Lenders are encouraged to access the Lender Portal for daily underwriting turn times.

210 Closing

The loan closing must occur in enough time to allow for the delivery of the loan to DCA prior to the expiration of the Reservation Period.

The Underwriting Approval Letter contains the terms under which the loan has been underwritten and the loan must close in accordance with these terms.

The Underwriting Approval Letter is DCA's commitment to purchase the loan after closing as long as it is closed in accordance with:

- a) any conditions or instructions contained in the Underwriting Approval Letter;
- b) the provisions of this Guide and the loan Seller Agreement; and
- c) applicable Federal, State and local laws and regulations.

210.1 Power of Attorney

The use of a Power of Attorney is not allowed unless: 1) the borrower is active personnel in the United Military and is currently deployed overseas; or 2) permitted under other extraordinary circumstances, as determined at DCA's sole discretion. Only then may a specific Power of Attorney be used by the approved agent designated in the Power of Attorney. In any circumstance, the Power of Attorney may not be an interested party to the transaction. This requirement does not apply to the seller.

211 Loan Purchase

Lenders must submit purchase packages to DCA within 15 calendar days after loan closing. Lender must also submit the required servicing package described in this Guide.

DCA purchases loans two (2) times each week. All Purchase Packages that are complete as of 12:00 p.m. on Tuesday will be funded on Wednesday. All Purchase Packages that are complete as of 12:00 p.m. on Thursday will be funded on Friday.

DCA reserves the right to periodically amend this purchase schedule due to State holidays, domestic or foreign bank holidays, acts of God and/or any circumstances which, in our opinion, warrant a change.

211.1 Purchase Deadline

If DCA has not received a Purchase Package for a loan within the Reservation Period, the Reservation will expire and will be cancelled (unless the Reservation Period is extended in accordance with this Chapter).

*211.2
Contents of
Purchase
Packages* Purchase Packages must include the items listed on the Purchase Package Checklists in this Guide. The documents in each Purchase Package must be arranged in the order listed on the checklist. The Purchase Package must be uploaded and submitted through eDocs, accessible on the Lender Portal.

*211.3
Purchase
Package Review
and Purchase
Delay Penalty
Fees* Generally, DCA will review Purchase Packages within three (3) Business Days of receipt. Lender will be notified by email of any missing or incorrect items and is responsible for submitting or correcting all deficiencies in the Purchase Package within 15 Business Days. DCA typically purchases loans on Wednesdays and Fridays of each week except for the last week of each month.

If missing or incorrect items are not provided or corrected within 15 Business Days of closing, DCA will begin charging a Purchase Delay Penalty Fee of \$25.00 per business day. The Purchase Delay Penalty Fee will be subtracted from the loan Purchase Price for the applicable Georgia Dream First Mortgage loan.

If the Reservation is cancelled after Purchase Delay Penalty Fees have accrued or the loan is not purchased, the Purchase Delay Penalty Fees due may be invoiced to the Lender. If the invoice remains unpaid 90 days after invoice date, DCA may place Lender on Limited Participation as described in Chapter 1 of this Seller Guide.

*211.4
Incomplete
Purchase
Packages* DCA will notify Lender if any Purchase Package is determined to be substantially incomplete or uploaded incorrectly. A substantially incomplete package will not be considered to have met the deadline requirements during the Reservation Period.

*211.5
Loan Purchase
Price* At the time of funding, the amount disbursed to Lender will be the original principal balance, plus or minus any adjustments for accrued interest, earned servicing fees, extension fees, and Purchase Delay Penalty Fees at time of purchase. Funds will be wired using the wiring instructions provided on the lender application, unless written notification of any change is sent to DCA.

The Servicing Release Premium (SRP) for loans will be as follows:

Credit Score	SRP
720+	1.125% of the loan amount
680-719	1.0% of the loan amount
<680 or manually underwritten loans with no scores	0.75% of the loan amount

State Home Mortgage will wire funds for the SRP after deducting the current tax service fee of \$81.00.

*211.6
Non-Purchase
of Closed Loan*

If documentation is requested during the purchase review and is not provided within 60 days, DCA may elect not to purchase the loan. The Reservation will be cancelled, and the loan will be transferred back to the Lender.

*211.7
Non-Purchase
of Delinquent
Loan*

If a Loan is delinquent (calculated from the first of the month), we will not purchase the loan until the loan payment is made. If the loan becomes 45 calendar days or more delinquent, we will not purchase the loan even if the loan subsequently becomes current. The Reservation will be cancelled, and the loan will be transferred back to the Lender.

*211.8
Mortgage
Record
Changes in
FHA
Connection*

Within 15 days of our purchase of the loan, the Lender must submit a Mortgage Record Change in FHA Connection to change the holder of record to Georgia Housing and Finance Authority, FHA Holder #09497. Any loan not transferred to Georgia Housing and Finance Authority within the 15-day period will be subject to repurchase by the Lender.

After the Loan is purchased, DCA will email a letter listing the final documents required for the Loan. These documents include those listed on the Checklists in this Guide and may include other items. The failure to include a document from the Final Document or Purchase Package Checklist in the letter does not relieve Lender of the requirement to provide the document.

*211.9
Early Payoff
Policy*

An early payoff exists when a mortgage loan is paid in full or when a curtailment in excess of 30% of the original principal balance occurs within 180 days after the funding date of such mortgage loan. For mortgage loans that become the subject of an early payoff, the Lender shall promptly reimburse DCA within 30 calendar days of payoff the original Servicing Release Premium paid by DCA.

212 Final Documents

All final documents must be accompanied by a copy of the Final Documents Letter and must be addressed to the attention of “loan Funding Department.” Any final documents we receive that we cannot identify, may be returned via certified mail. In such event, Lender’s obligation to provide final documents will not have been satisfied. Documents need to be sent to our office attached to a cover sheet providing the loan number.

All requested final documents must be provided to DCA within 90 days of our purchase of the loan or the loan will be subject to repurchase in accordance with the loan Seller Agreement.

Lender must provide a properly executed Form SF-60 Lender Certification dated after all documents have been correctly recorded.

213 Quality Control

DCA requires each Lender to maintain a quality control plan which provides for a comprehensive review of a selection of loans in accordance with either the applicable Mortgage Insurer, GSE, or guarantor guidelines. Lender’s review must include a minimal amount of loans purchased by DCA. DCA may request and Lender must provide a copy of their selection lists and any reviews conducted of loans purchased by DCA.

DCA reserves the right to conduct a quality control review following purchase on any loan as deemed necessary.

214 Loan Servicing- State Home Mortgage

The servicing rights to all Georgia Dream First Mortgage loans are sold to State Home Mortgage. Loans released to State Home Mortgage for servicing should not be “set-up” on Lender’s servicing system but must be transferred immediately after closing to State Home Mortgage.

Servicing Packages must include the items listed on the Servicing Package Checklist in this Guide. The documents in each paper Servicing Package must be delivered to State Home Mortgage at the address below, along with the escrow check within 15 calendar days after closing.

60 Executive Park South, N.E.
Atlanta, GA 30329
Attn: New Loans Department

All first payments are due and payable to State Home Mortgage. If any payments from the borrower are received by Lender, the payments must be forwarded to State Home Mortgage upon receipt.

DCA services all Georgia Dream Second Mortgage loans. However, we do not require a Servicing Package for such loans.

Chapter 3

The Georgia Dream First Mortgage Loan Program provides affordable mortgage financing for low and moderate income homebuyers. The program's requirements are contained in this Chapter and must be followed along with the requirements for all Georgia Dream Homeownership Program loans contained throughout the Seller Guide.

- | | | |
|-----|--|---|
| 301 | Eligible Loans | Federal and State law and regulatory guidelines define what types of loans are eligible for the Program. FHA Section 203(b)
For the \$100.00 down HUD REO program, we accept UFMIP provided the total amount of the mortgage does not exceed 100% of the "as is" appraised value and the borrower makes our required \$1,000 minimum |

investment. If UFMIP is paid in cash, it is an allowable cost and can be part of our borrower's \$1,000 minimum investment. If the bid price exceeds the list price, then the difference must be from the borrower's funds and in addition to our \$1,000 minimum investment.  FHA Section 220(d) (3) (A) - Urban Renewal
 FHA Section 234(c) - Condominiums

302.4 VA Loans

Georgia Dream First Mortgage loans guaranteed by VA must follow underlying agency guidelines. The maximum allowable VA financing is 100% of lesser of the purchase price per the executed contract or appraised value with a supporting VA LAPP/SAR issued Notice of Value plus the applicable VA funding fee. Manual Underwriting is acceptable and will follow agency guidelines and documentation requirements.

302.5 Conventional Loans

Conventional loans must have an LTV of 80.00% or less. The CLTV is limited to the amount of the first mortgage plus the amount of the Georgia Dream Second Mortgage loan down payment assistance. Private mortgage insurance is currently not allowed.

*302.6
USDA/RD
Loans* Loans guaranteed by USDA/RD must be underwritten to meet the current Program requirements and the current USDA/RD requirements.

*302.7
Pool Insurance* At the present time, Mortgage Pool Insurance is not required. If required in the future, the Lender will be responsible for submitting the necessary documents and obtaining Pool Insurance for the specified loans from the designated Mortgage Pool Insurer.

*302.8
Subordinate
Financing* Public and privately sponsored down payment and closing cost assistance programs are encouraged. However, the only additional subordinate financing permitted with the Georgia Dream Mortgage loan Program without prior approval from DCA is an employer assisted home buyer down payment grant program. Layering of any subordinate financing must be submitted for review and approval.

The Lender must include in the Underwriting Package an approval letter or other document, which evidences the Applicant's approval for the subordinate financing. The document evidencing approval must provide the dollar amount of the loan or grant, interest rate, monthly payment, number of monthly payments, and other repayment or forgiveness terms as applicable. The subordinate financing must be reflected in the CLTV and meet the Mortgage Insurer's guidelines. If the assistance is in the form of a loan, it must be subordinate to the Georgia Dream First Mortgage loan and any monthly payment must be included in the computation of the underwriting ratios.

*302.9
Loan Amount* The maximum base amount of a Georgia Dream First Mortgage loan is determined as follows:

Lesser of Sales Contract Price or Appraised Value	\$ _____
PLUS: 203b or 203k Required Repairs	\$ _____
Total Acquisition Cost	\$ _____
LESS: DCA or other 2 nd Mortgage:	\$ _____
LESS: DCA required borrower Contribution of \$1,000:	\$ _____
Subtotal:	\$ _____
PLUS: 1 st /2 nd Mtg Closing costs from 1003	\$ _____
PLUS: Prepaids from 1003	\$ _____
MINUS: Seller Paid Closing Cost	\$ _____
Maximum Base Loan Amount:	\$ _____

In addition:

- a) The borrower must contribute cash to the transaction equal to the difference in the sales price and the appraised value when the appraised value is less.
- b) The loan amount at closing must not be greater than the amount stated in the Underwriting Approval letter without our prior written approval.

*302.10
Determining the
Down Payment*

All loans must meet the Mortgage Insurer's or GSE down payment requirements. Funds must be documented in accordance with standard FHA, VA, Conventional, or USDA-Rural Development requirements.

*302.11
Construction
Loans*

DCA does not consider a construction loan, bridge loan or similar temporary financing which has a term of less than 24 months to be a permanent loan. If the First Mortgage loan is used to pay-off a construction loan, DCA requires that the construction be satisfactorily completed and that the Applicant not receive "cash out" at closing that would exceed the sum of the Applicant's own funds used for earnest money, credit report, appraisal and application fees. Any costs the Applicant paid on the construction loan other than a verified earnest money deposit may be applied toward funds required on the Georgia Dream First Mortgage loan.

The LTV is to be calculated using the total Acquisition Cost or the Appraised Value, whichever is less.

*302.12
Amortization*

The term of the Georgia Dream First Mortgage loan may not exceed 30 years. Loans must be amortized in equal monthly installments of principal and interest payable on the first day of each month.

**303 Eligible
Applicants**

Federal and state laws and regulatory guidelines define who is eligible for assistance under our programs.

*303.1
First-Time Home
Buyer
Requirement*

Generally, the Applicant must be a first-time home buyer, with the following exceptions:

- a) The Applicant does not have a present ownership interest and has not had an ownership interest in a home used as his or her principal residence in the three (3) years prior to closing on the loan;
- b) The Applicant is purchasing a home in a Targeted Area, or
- c) The Applicant is a veteran (as defined in section 101 of title 38, United States Code) that has not received bond-financed mortgage assistance.

Non-applicant household members are not required to be first time home buyers.

303.2

Ownership Interest

An Applicant holding any of the following ownership interests would not be classified as a first-time homebuyer:

- a) a fee simple interest;
- b) a joint tenancy;
- c) a tenancy in common;
- d) a tenancy by entirety;
- e) a tenant-share hold in a cooperative;
- f) a life estate;
- g) a land contract pursuant to which possession and burdens of ownership are transferred, but legal title is not transferred until some later time;
- h) a beneficial interest in a trust that would constitute a present ownership interest if it were held directly by the mortgagor.

An Applicant is considered to have an ownership interest in a property if he/she received the benefits of the mortgage interest or real estate tax deduction through the filing of a joint federal income return with a spouse, even if the Applicant did not hold title to the home within 36 months of the closing date of the new home.

Interests that are not considered to be ownership interests are:

- a) a remainder interest;
- b) a lease (without regard to any purchase option);
- c) a mere expectancy to inherit an interest in a principal residence;
- d) an interest that a purchaser of a residence acquires upon the execution of purchase contract;
- e) an interest in a residential property other than a principal residence during the previous three (3) years; and
- f) an interest in a vacation timeshare.

An Applicant is **not** considered to have had a prior ownership interest in a primary residence in the last three years if:

- a) the Applicant did not hold title to the home, but did receive all or a portion of the proceeds of the sale of the residence;
- b) the Applicant continued to hold title following a divorce which granted property to other spouse, but the Applicant has not used the property as a principal residence in the last three (3) years; or
- c) the Applicant owns a manufactured home that is currently titled by the Department of Motor Vehicles, is not permanently affixed to a permanent foundation and is taxed as personal property; or
- d) the Applicant owns vacant land.

We reserve the right to investigate or require further substantiation of the Applicant's first time homebuyer status.

303.3
*No Ownership
of Other
Residential Real
Estate*

Under no circumstance may an Applicant own any other residential real estate within or outside the United States as of the date of closing the loan. If the Applicant owns residential real estate property used solely as a rental property but never as a primary residence during the previous three (3) years, the Applicant must terminate his or her interest in such property prior to closing the loan.

Even if not included as a Borrower, Applicant's spouse may not own any other residential real estate as of the date of closing.

303.4
*Principal
Residence
Requirement*

Each Applicant must occupy the mortgaged property as his or her principal residence within 60 days after closing the loan. Lender must make the Applicant aware of this requirement at application and origination of the loan.

An Applicant is temporarily exempt from this 60-day occupancy requirement if his or her employment or military orders require that he or she reside temporarily away from the mortgaged property and (i) his or her principal residence is the mortgaged property, (ii) he or she expects to return to the mortgaged property to live, and/or (iii) a co-Applicant will occupy the mortgage property within 60 days of closing.

Lender must make clear to the Applicant that he or she will not be allowed to rent the property after closing, except the Applicant may rent the property back to the property seller for up to, but no more than, 60 days after closing.

303.5
Co-Signers

Co-signers, also known as non-occupant co-borrowers, are permitted only in accordance with the following requirements:

- a) Co-signers cannot take title to the property or live in the property securing the loan. Co-signers who live in the mortgaged property or who will take title to the property are considered co-Applicants.
- b) Co-signers must sign the Note, but may not sign the Security Deed or DCA forms;
- c) The co-signers' income is not included in Household Annual Income, but may be used as qualifying income;
- d) The Underwriting Package must contain complete credit documentation for the co-signer along with a completed FHA Loan Transmittal, VA Loan Analysis, or 1008 Underwriting Transmittal Summary;
- e) Co-signers' credit and ratios must meet the requirements of the applicable Mortgage Insurer

303.6
*Liquid Assets
Limitation*

The Applicant must not have liquid assets immediately *after** loan closing in excess of the greater of \$20,000 or 20% of the sales price, unless the liquid assets over the allowable amount have been or will be consumed

by a documented emergency or other extraordinary event beyond the control or planning of the Applicant or will be used in the purchase transaction.

Gifts in excess of \$5,000 are considered liquid assets and are then included in the aforementioned liquid assets maximum of the greater of \$20,000 or 20% of the sales price. Stocks and other readily salable securities are considered liquid assets, unless they are restricted by IRA, 401(k) or other similar requirements. IRAs, 401(k) plans and other similarly qualified retirement accounts are not considered to be liquid assets.

Applicants approaching retirement age may have retirement savings, but such savings may not exceed an amount considered reasonable for a person of low or moderate income. Some exceptions may be made due to the nature of the source of funds. For example, insurance settlements that compensate an Applicant for lost wages during disability or death of a spouse may not be considered excessive.

DCA underwriters will be alert to any unusual activity or transfer of funds in and out of the accounts to meet the allowable amount.

*Assets considered liquid including gifts minus funds needed to close per the Closing Disclosure may not exceed the greater of \$20,000 or 20% of the sales price

304 Household Annual
Income

Household Annual Income is all amounts, which will go to, or will be provided on behalf of any Household Member who will occupy the subject property within the 12-month period immediately following loan closing. Household annual income is the sum of the anticipated income for each Household Member during the 12-month period commencing with the date of application and is determined by ascertaining the income received from each source over the most recent representative period and projecting those amounts over a one (1) year period.

The income of all Non-Applicant Adult Household Members must be included in Household Annual Income.

The Lender is required to ensure that all Household Members who will occupy the property within 12 months of the closing date have disclosed their income as required on form SF-12 Applicant Affidavit and form SF-15 Affidavit of Non-Applicant Household Member (if applicable). While it is not common lending practice to request information for Non-Applicants, loans made through the Program require verification the Household Annual Income is within Household Annual Income limits.

*304.1
Household

“Household Member” includes:

- a) the Applicant, co-Applicant, spouse (unless it can be shown that a spouse resides elsewhere), and parents or children who live with the Applicant and co-Applicant at least six (6) months of each year;

- c) any person who has resided with the Applicant and/or co-Applicant prior to closing and whose financial affairs are combined with the Applicant’s and/or the co-Applicant’s according to the documents in the Underwriting Package. (If such person will not occupy the mortgaged property, his or her income may be excluded from Household Annual Income if the Underwriting Package contains a sufficient explanation from the Applicant as to the person’s future residence plans).

“Household Member” does not include foster children; live-in aides and children of live-in aides; unborn children; and children being pursued for legal custody or adoption who are not currently living with the household.

Sufficient documentation may be required by DCA to confirm possible status as a Household Member.

Non-Applicant adults (18 years of age or older) who are also full time high school or college students must provide evidence of enrollment from the high school or college at the time of application.

*304.2

304.3 Calculating Household Income

Each Underwriting Package must include a completed Household Income Worksheet. The Household Income Worksheet is located in the Worksheet section of this Guide. DCA may, in its sole discretion, require additional documentation to determine Household Annual Income.

The income calculation shown on the Household Income Worksheet and the supporting documents for each Household member must agree. Income calculations for compliance underwriting are different from income calculations for credit underwriting. The compliance underwriting income calculation will not necessarily be the same as the income calculation used in credit underwriting.

Lenders must make every reasonable effort to include the income of all Household members on Forms SF-12 and SF-15, as applicable. DCA will review copies of the Verifications of Employment (VOE), W-2's, pay stubs and/or copies of additional income verifications to substantiate income calculations.

Each Non-Applicant must complete and sign the Affidavit of Non-Applicant Household Member (Form SF-15). The Non-Applicant's income must be documented by providing the most recent W-2 and a current pay-stub (or similar third party document for other types of income) dated within forty-five (45) days of Lender's underwriter's approval. - 304.6 Overtime/ Bonuses* For applicants with variable earnings (overtime, bonus, commission, and/or shift differential), Household Annual Income is determined using the appropriate method on the Household Income Worksheet located at: <https://www.dca.ga.gov/node/3025/documents/455>

- 304.7 Unemployment Compensation* Unemployment compensation is included in the calculation of Household Annual Income by multiplying the weekly benefit times 52 weeks, regardless of the amount of unemployment benefits remaining. All non-payroll deposits reflected on the bank statement(s) equal to or greater than 50% of each borrower's gross monthly income must be documented and included as Household Annual Income in the last section of the DCA Household Income Worksheet. Any deposits not included in Household Annual Income must be clearly and fully explained in a letter that is signed and dated by the borrower and included in the Underwriting Package.

- a) The property must have been appraised within the 120 days that preceded the date of the note and mortgage or in accordance with the applicable Mortgage Insurer requirements based on loan type.
- b) The subject property must be identified by its complete property address and legal description.
- c) The appraisal must show the census tract or block number in which the subject property is located.
- d) When there are incomplete items or conditions that affect the livability of the property or physical deficiencies that could affect the soundness or structural integrity of the improvements, the property must be appraised subject to completion. In such cases, the Lender must obtain a clear final inspection from an appraiser before they submit the Purchase Package.
- e) If the subject property is located in an area in which there is a shortage of recent truly comparable sales either because of the nature of the improvements of the subject property or the relatively low number of sales transactions in the neighborhood and the appraiser utilizes comparables that are not truly comparable to the subject property, the appraiser must adequately document his or her analysis in the appraisal report and explain why such comparable(s) are used.
- f) The neighborhood analysis must identify the area (based on common characteristics or trends) that is subject to the same influences as the subject property. The sales prices of comparable properties in the identified area should reflect the positive and negative influences of the neighborhood. The results of the neighborhood analysis should enable the appraiser to define the area from which to select comparables, to understand market preferences and price patterns and to identify any other value influences affecting the neighborhood. The appraiser and the Lender's underwriter must be sensitive to the varying conditions that characterize different types of locations.
- g) Any and all additional comments made by the appraiser and the limiting conditions statement must accompany the appraisal in the Underwriting Package.

For existing properties, any improvements to the subject property must be completed when the Purchase Package is delivered to us. The appraisal may be based on the "as is" condition of the property if minor conditions exist that do not affect the livability of the property. The Lender must carefully review the appraisal for a property appraised in an "as is" condition to assure that the property does not have any physical deficiencies or conditions that would affect its livability, or health and safety of the occupants.

For proposed construction, the appraisal may be based on plans and specifications if the Lender obtains a certification of completion before

the Purchase Package is submitted to us. This certification should be completed by the appraiser and must be accompanied by photographs of the completed improvements. The appraiser must certify that the improvements are completed in accordance with the requirements and conditions stated in the original appraisal report.

The following are required to support each appraisal report:

- a) Clear, descriptive original color digital images or color photographs of the front, back, and street scene of the subject property.
- b) Clear, descriptive color digital images or photographs that show the front of each comparable sale and that are appropriately identified.
- c) Certification of completion and value, either as a letter or as a form that provides the necessary information, if applicable.
- d) A street map that shows the location of the subject property and of all comparables that the appraiser used.
- e) Any other information, as an attachment or addendum to the appraisal report form, which is necessary to provide an adequately supported estimate of market value.
- f) All mortgage insurer required appraisal addendums (i.e. 1004 MC, Market Conditions Addendum).

Sellers may pay for origination fees above the maximum charges to the borrower provided the interested party contribution is not exceed per the mortgage insurer's or GSE's guidelines.

Other Lender Fees. The Participating Lender may charge "reasonable and customary" fees to the Borrower provided the fees do not exceed the amounts charged in the area for similar non-Georgia Dream loans, Participating Lender must adhere to applicable agency, insurer, and guarantor or Fannie Mae or Freddie Mac guidelines with respect to points and fees limitations.

(Example: the loan closes March 7, the first payment due date may be April 1 with interest credit given at closing or may be May 1 with interest paid at closing). Interest credit given at closing must be shown on the Closing Disclosure.

If the loan closes after the 7th day of the month, the first payment due date must be the first day of the second complete month after closing. (Example: the loan closes March 17, the first payment due date must be May 1 with interest paid at closing).

*312.3

Regardless of any greater allowances permitted by the Mortgage Insurer and/or the GSE, the Borrower may not receive funds in excess of POC items and EMD (Earnest Money Deposit) back at closing. Costs must be shown as POC to be included in allowable cash back to borrower. Any principal reductions cannot exceed \$250.

- 312.4
Taxes, Special
Assessments
and
Contractor
Liens*
- The closing attorney must submit payment for all taxes and special assessments to the applicable entity within 45 days of the loan closing. All outstanding contractors' liens must be satisfied prior to submission of the loan to us for purchase.
- 313 Loan Assumptions Lender must make Applicant aware that any household seeking to assume the loan must:
- a) occupy the property as a principal residence;
 - b) be an Eligible Applicant as defined in this Chapter;
 - c) purchase the residence at a price that does not exceed the federal Purchase Price limitations in effect for existing property at the time of the assumption
 - d) have a Household Annual Income that does not exceed the limits established by the Internal Revenue Code at the time of the assumption; and
 - e) be aware that as the new owner(s), he or she will be subject to potential Recapture Tax as outlined in this Guide.
- 314 High Cost and HOEPA Loans "High Cost" loans as defined by the Georgia Fair Lending Act (GFLA) are not permitted. Loans originated under the Georgia Dream program must not exceed HOEPA high-cost mortgage thresholds as defined by Regulation Z under 12 CFR § 1026.32, including Annual Percentage Rate (APR), points and fees, and prepayment penalty limits. To note, Georgia Dream does not allow a prepayment penalty on any loan products.
- 315 Recapture Tax The recapture tax is a potential tax owed to the IRS as a result of a tax code provision applicable to Georgia Dream loans, because the loans are funded with the proceeds of tax-exempt bonds.
- Under the tax code provision, the borrower may have to pay a recapture tax to the IRS if the home is sold or otherwise transferred by the borrower ***within 9 years of purchase***. Based on DCA's experience, it is a rare occurrence for a borrower to owe any recapture tax.
- In general, the borrower will not have to pay recapture tax unless all 3 of the following apply:
- a) the property is transferred within 9 years of purchase,
 - b) the borrower earns money on the transfer; and

- c) the borrower's income at the time of sale is more than the recapture income limits as set forth for the year the property was purchased.

The actual recapture amount owed can only be calculated after the borrower's home is transferred as it depends on the amount earned by the borrower and is minimized in the following ways:

- a) The maximum amount owed by the borrower is limited to the smaller amount of either 6.25% of the amount of the Georgia Dream loan or 50% of the net amount earned when the property is transferred.
- b) Real estate commission, legal fees and closing costs are subtracted from the amount earned and only a percentage of the amount earned is owed to the IRS, depending on the number of years the borrower has owned the property (starting at 20% in year 1, going up to 100% in year 5 and then decreasing back down to 20% in year 9).
- c) The borrower will not owe any recapture tax if borrower's Income at the time of sale is less than the recapture tax income limit at time of purchase (plus 5% for each year since the purchase of the home) for the borrower's current family size. If the borrower's income is within \$5,000 of this amount, then the borrower will owe a reduced portion of the amount earned on the sale.

Special circumstances:

- a) If the borrower receives insurance proceeds from a forced disposition of the property (fire, storm, etc.), then the property is assumed to be sold at fair market value. However, no recapture tax is due if another home is purchased on the same site within 2 years of receiving the insurance proceeds.
- b) If property is transferred because of borrower's death or to a spouse/former spouse as a result of a divorce, then generally no recapture tax due.
- c) No recapture tax is due upon refinancing, but the borrower remains liable for potential recapture tax owed. If the property is refinanced within 4 years of purchase, then the period for being potentially liable for recapture is less than the typical 9 years.

- 315.1
IRS Reporting
and
Calculation of
Recapture
Tax*
- DCA will report the name, address and social security number of all borrowers receiving a Georgia Dream loan but is not responsible for reporting the sale or transfer of a borrower's property to the IRS and/or any potential recapture tax owed.
- All Applicants will need to complete IRS Form 8828, Recapture of Federal Mortgage Subsidy, when they file their federal income taxes for the year in which the home is sold or otherwise disposed. IRS Form 8828 calculates any Recapture Tax that may be due.
- 315.2
Refinancing*
- If the Applicant refinances his or her loan which is subject to Recapture Tax, the refinancing does not trigger the calculation of Recapture Tax because the property has not been disposed of or sold. If the Applicant does not sell or dispose of the home within nine (9) years of the closing date of the Georgia Dream First Mortgage loan, a Recapture Tax will not be due. If the Applicant, after a refinance, does sell or dispose of the home within nine (9) years of the closing date of the Georgia Dream First Mortgage loan, the Notice to Purchaser of Potential Recapture Tax on Sale of Home (Form SF-50) cannot be used to calculate the Recapture Tax, if any, that is due. The assistance of the IRS or a tax preparer will be required to calculate any Recapture Tax due.
- 315.3
Assumptions*
- If the loan, which is subject to Recapture Tax, is assumed within nine (9) years of the closing date of the Georgia Dream First Mortgage loan, calculation of any Recapture Tax due is triggered because the property has been sold or transferred. The Applicant who assumes the loan will also be subject to Recapture Tax for a nine (9) year period beginning on the date of assumption.
- The Servicer of the loan can provide information to the Applicant about processing the assumption.
- 315.4
Lender's
Responsibility*
- The Applicant must be made aware of the federally imposed Recapture Tax law at the time of loan application using the disclosure provided in the Application Affidavit (Form SF-12). Lender should be prepared to respond to questions from Applicants about the Recapture Tax but should refrain from assisting Applicants in calculating an expected tax. Lender should advise the Applicant to consult with a tax advisor or the IRS for further information.

315.5
*Notice at
Closing*

The Notice to Applicant of Potential Recapture Tax on Sale of Home (Form SF-50) must be executed at closing. Applicants' signatures must appear on page 1 and Lender must complete the information on page 2 as follows:

- a) *Address of Property.* Insert the street address of the mortgaged property.

The Georgia Department of Community Affairs ("DCA") offers two programs for low and moderate income home buyers. The Georgia Dream First Mortgage Program offers low interest mortgage loans that are funded from bonds issued by the Georgia Housing and Finance Authority ("GHFA"). The Georgia Dream Second Mortgage Program offers a loan for a portion of your down payment, closing costs and prepaid expenses. GHFA is a public corporation and instrumentality of the State of Georgia whose funding is administered by DCA. In administering GHFA funds, DCA acts on behalf of GHFA with respect to any loan you might receive under the Program. Federal law, State law, GHFA's regulations, and DCA's regulations impose a number of requirements upon recipients of these loans. In this document, "Program" means the Georgia Dream First Mortgage Program and/or the Georgia Dream Second Mortgage Program, as applicable.

****PLEASE READ THIS UNDERLINED AREA BEFORE YOU SIGN****

The Georgia Dream Second Mortgage Program is NOT a grant. It is a Loan. It is NOT forgivable. No payments are due UNTIL you (1) sell or transfer your home, (2) refinance your first mortgage, or (3) if, you no longer occupy your home as your principal residence. No interest is charged while you have the Georgia Dream Second Mortgage Loan.

PROGRAM REQUIREMENTS

1. Your household income must be within the DCA income limits. If your loan application is approved, at the loan closing you will be required to certify that your household income remains within the DCA income limits. If your income changes before loan closing and exceeds the DCA income limits, you will be disqualified from the Program(s) and you will not be entitled to receive a mortgage loan through DCA's Program(s).

Household Annual Income includes, but is not limited to the list below. Your lender can describe the exclusions from household income.

- a) full amount, before any payroll deductions, of wages and salaries, overtime, commissions, fees, tips, bonuses and other compensation for personal services (including raises expected to take effect prior to closing);
- b) net income from operation of a business or profession;
- c) income from trusts, investments, interest, dividends, royalties, net rental income and other net income from real or personal property;
- d) periodic payments from Social Security (including that received on behalf of children), annuities, insurance policies, retirement funds, pensions, disability or death benefits and other similar types of periodic payments;
- e) payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay;
- f) Welfare Assistance, where payments include amounts specifically designated for shelter and utilities; periodic and determinable allowances such as alimony and child support, and regular contributions or gifts received from organizations or persons not residing in the dwelling;
- g) all housing allowances and similar allowances which are not reimbursement for job-related expenses;
- h) all regular and special pay, and allowances of members of the Armed Forces (whether or not living in the dwelling) who are the head of the family or spouse;
- i) relocation payments;
- j) undocumented non-payroll deposits to bank accounts, extrapolated to an annualized amount;
- k) earnings up to \$480 annually for each full-time student 18 years or older (excluding the head of household and spouse); and
- k) adoption assistance payments up to \$480 annually per adopted child

2. If you have owned or had an ownership interest in a principal residence within the last 3 years, you are not eligible for DCA's Programs, unless you qualify for specific exceptions that your lender can describe. You will be required to provide copies of your federal tax returns for the last 3 years and information about the location and type of your residence during the last 3 years, unless you qualify for these exceptions.
3. You will be required to certify that you intend to use the house for which you are applying for a loan as your principal place of residence. The First Mortgage loan cannot be used to finance the cost of additional land, rental property, a second home, or the expenses of a trade or business.
4. By signing this form you acknowledge and agree that the information and/or documentation submitted in connection with the DCA Programs may be subject to public disclosure.
5. The maximum purchase price of the house you are intending to buy under these Programs is restricted by law and by Program regulations.
6. Your personal assets must be modest. You must be creditworthy as determined by your lender, DCA, FHA, VA, USDA/RD, the pool insurer, and/or the private mortgage insurer, as applicable.
7. The First Mortgage loan, and in some cases the Second Mortgage loan, that you are applying for will be financed with the proceeds of certain tax-exempt bonds issued by GHFA pursuant to certain state laws and federal income tax laws. Because you are receiving a mortgage loan(s) from the proceeds of a tax-exempt bond, you are receiving the benefit of a lower interest rate than is customarily charged on other mortgage loans. If you sell or otherwise dispose of your home during the 9 years after loan closing, this benefit may be "recaptured." The recapture is accomplished by an increase in your federal income tax for the year in which you sell or otherwise dispose of your home. The recapture applies only if you sell your home at a gain and if your income increases above specified levels. The recapture tax will not apply in certain circumstances, which are explained in the Notice to Purchaser of Potential Recapture Tax on Sale of Home (Form SF-50) that you will receive at closing. Form SF-50 also contains more detailed information about the calculation of any recapture tax.
8. In the event that you receive a loan(s) under these Programs and it is subsequently discovered that you made a false statement, misrepresentation or misstatement, you may be required to make an immediate and full repayment of the loan(s) and you may also be subject to criminal prosecution.
9. **DUE ON SALE CONSENT.** If you receive a DCA loan, it is likely that when you sell your home the new purchaser will have to obtain new financing. (Land contracts are prohibited.) Your mortgage provides that you cannot sell your home to a person ineligible for assistance from DCA, unless you pay your loan in full. If you sell your home to a party ineligible for DCA's assistance and do not pay-off your loan in full, DCA may demand immediate and full repayment of the loan. This could result in foreclosure of your mortgage and repossession of the property. In addition, if you rent the property or committed fraud or intentionally misrepresented yourself when you applied for the loan, the lender may foreclose your mortgage and repossess the property. If the lender takes your home through foreclosure of the mortgage because of these reasons, the mortgage insurer (HUD, VA, USDA/RD, pool insurer or a private insurer) will not be able to help you.

If the money received from the foreclosure sale is not enough to pay the remaining balance you owe on the loan, DCA may obtain a deficiency judgment against you (a court ruling that you must pay whatever money is still owed on the loan after the foreclosure sale). Such judgment will be taken over by the insuring agency if DCA files an insurance claim against that agency because of the foreclosure. DCA or the insurer may bring an action against you to collect the judgment.

If you cease to use the residence as your principal residence for a period in excess of 12 months, no deduction will be allowed for mortgage interest accruing after the first day in such period in the calculation of your federal income taxes.

You may avoid such action by paying your loan in full when you sell your home, not renting your home, by occupying the property as your principal residence, by complying with all your agreements contained in this Form and by making certain that any person who assumes your loan meets the necessary qualifications established by DCA.

In order for a purchaser to be eligible to assume your DCA loan (1) the purchaser must meet income requirements, (2) the purchaser must not have held an ownership interest in a principal residence during the prior 3 years, unless the property is located within a "Targeted Area" or otherwise exempt from this requirement under federal law, (3) the purchaser must intend the home to be his or her principal residence, and (4) the sales price allowed to be paid to you must meet the purchase price requirements. Regarding the sales price restriction, the Internal Revenue Service requires that all homes are subject to the maximum sales price permitted for an "existing" home at the time of loan assumption even though the home may have been financed as "new" at the time you closed your loan.

**Georgia Housing and Finance Authority
Notice To Purchaser Of Potential
Recapture Tax On Sale Of Home**

Form of Notice to be Delivered to Each Purchaser on the Closing Date
Regarding Potential Recapture Tax on Sale of Home

To: Purchaser

The Georgia Dream First Mortgage and/or Georgia Dream Second Mortgage loan(s) being made to you today (the "Mortgage Loan") have been financed with the proceeds of certain tax-exempt bonds issued by the Georgia Housing and Finance Authority (the "Issuer") pursuant to certain state laws and federal income tax laws. This Notice is being given to you on behalf of the Issuer in compliance with section 143(m)(7)(A) and section 143(m)(7)(B) of the Internal Revenue Code

Because you are receiving mortgage loan(s) from the proceeds of a tax-exempt bond, you are receiving the benefit of a lower interest rate than is customarily charged on other mortgage loans. If you sell or otherwise dispose of your home during the next 9 years, this benefit may be "recaptured." The recapture would be accomplished by an increase in your federal income tax for the year in which you sell or otherwise dispose of your home. The recapture only applies, however, if you sell or dispose of your home at a gain and if your income increases above specified levels. The recapture tax will not apply in certain circumstances. In the pages that follow, you will be given additional information that will be needed to calculate the potential recapture tax. The additional information begins on the next page and is entitled "Notice Under Code Section 143(m)(7)(B)."

You will need to complete IRS Form 8828, Recapture of Federal Mortgage Subsidy, when you file your federal income taxes for the year in which the home is sold. IRS Form 8828 calculates any Recapture Tax that may be due. The IRS website has information about calculating recapture tax and using IRS Form 8828 on its website. For further assistance with calculation or any other questions related to a potential recapture tax, please consult with a tax professional.

Please sign below to acknowledge your receipt of all 8 pages of this Notice and that you are aware of the potential recapture tax discussed in this Notice.

Notice Under Code Section 143(m)(7)(B)

Form of Notice to be Delivered to Each Purchaser on the Closing Date

A. General Information.

When you sell your home, you may have to pay a recapture tax as calculated below. The recapture tax may also apply if you dispose of your home in some other way. Any reference in this notice to the “sale” of your home also includes other ways of disposing of your home. For instance, you may owe the recapture tax if you give your home to a relative.

B. Exceptions.

In the following situations, no recapture tax is due and you should not need to do the calculations:

1. You dispose of your home more than 9 years after you close your GHFA mortgage loan(s);
2. Your home is disposed of as a result of your death;
3. You transfer your home either to your spouse or to your former spouse incident to divorce and you have no gain or loss included in your income under Section 1041 of the Internal Revenue Code; or
4. You dispose of your home at a loss.

C. Information You Will Need in Order to Complete Your Tax Forms.

In order to complete your income tax forms in the year you sell your home, you will need the following information:

F. Actual Recapture Tax.

The actual recapture tax, if any, can only be determined when you sell your home. It is the lesser of:

H. Income Percentage.

Income Percentage is calculated as follows:

1. Subtract the applicable Adjusted Qualifying Income in the taxable year in which you sell your home (as listed on Table I) from your Modified Adjusted Gross Income in the taxable year in which you sell your home. To find your Adjusted Qualifying Income, first find the county in which your home is located. If Table I shows “targeted” and “non-targeted” for your county, check page 2 of this Notice to see in which area your home is located. Then read across Table I to find the appropriate year (which should be the same year as used to select your Holding Period Percentage) and select the number from the column for your household size. Household size means the number of family members living in your home at the time of sale.

Your Modified Adjusted Gross Income means your Adjusted Gross Income shown on your federal income tax return for the taxable year in which you sell your home, with the following two adjustments: (a) your Adjusted Gross Income must be increased by the amount of any interest that you receive or accrue in the taxable year from tax-exempt bonds that is excluded from your gross income (under section 103 of the Internal Revenue Code); and (b) your Adjusted Gross Income must be decreased by the amount of any gain included in your gross income by reason of the sale of your home.

2. If the amount calculated in (1) above is zero or less, you owe no recapture tax and do not need to make any more calculations. If the amount calculated is \$5,000 or more, your Income Percentage is 100 percent. If the amount calculated is greater than zero, but less than \$5,000, it must be divided by \$5,000. This fraction, expressed as a percentage, represents your Income Percentage. For example, if the fraction is \$1,000/\$5,000, your Income Percentage is 20 percent.

I. Limitations and Special Rules on Recapture Tax

1. If you give away your home (other than to your spouse or ex-spouse incident to divorce), you must determine your actual recapture tax as if you had sold your home for its fair market value.
2. If your home is destroyed by fire, storm, flood, or other casualty, there generally is no recapture tax if, within two years, you purchase additional property for use as your principal residence on the site of the home financed with your original subsidized mortgage loan.
3. In general, except as provided in future regulations, if two or more persons own a home and are jointly liable for the subsidized mortgage loan, the actual recapture tax is determined separately for them based on their interests in the home.
4. If you repay your loan in full during the 9 year recapture period and you sell your home during this period, your Holding Period Percentage may be reduced under the special rule in Section 143(m)(4)(C)(ii) of the Internal Revenue Code.
5. Other special rules may apply in particular circumstances. You may wish to consult with a tax advisor or the local office of the Internal Revenue Service when you sell or otherwise dispose of your home to determine the amount, if any, of your actual recapture tax. See Section 143(m) of the Internal Revenue Code generally.

1. **Borrower's Promise to Pay.** In return for a loan that I, _____ (the "Borrower") have received, I promise to pay U.S. \$ _____ (this amount is called "principal"), plus any other charges due hereunder, to the order of the Lender. The Lender is _____, whose address is _____. I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."
2. **Interest.** Interest will not be charged, nor will interest accrue, on the principal. However, if I default, interest on amounts paid by the Note Holder, and certain charges, may accrue and I will be obligated to pay those amounts.
3. **Payments.** There will be no required monthly or annual payments. The principal shall be due in full as provided in paragraph 1.1 of the Subordinate Security Deed (as that term is referenced in paragraph 10 hereof).
4. **Borrower's Right to Prepay.** I have the right to make a payment of principal at any time before it is due. A payment of principal is known as a "prepayment." When I make a prepayment, I will tell the Note Holder in writing that I am doing so.
 I may make a full prepayment or partial prepayments without paying any prepayment charge. The Note Holder will use all my prepayments to reduce the amount of principal that I owe under this Note. If I make a partial prepayment, there will be no change in the date on which the principal shall be due unless the Note Holder agrees in writing to those changes.
5. **Loan Charges.** If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that any interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the principal I owe under this Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment.
6. **Borrower's Default.**
 - (A) **Violation of Subordinate Security Deed.** If I do not comply with all the terms of the Subordinate Security Deed within the periods, if any, described therein, I will be in default.
 - (B) **Default.** If I do not repay the principal at the time required by the Subordinate Security Deed, I will be in default.
 - (C) **Notice of Default.** If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of principal. That date must be at least 30 days after the date on which the notice is delivered or mailed to me.
 - (D) **No Waiver by Note Holder.** Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so at a later time.
 - (E) **Payment of Note Holder's Costs and Expenses.** If the Note Holder has required me to pay immediately in full as described above the Note Holder will have the right to be paid back by me for all its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorney's fees. Notwithstanding anything to the contrary contained in this document, if the Borrower's first mortgage is FHA-insured, and Borrower's default results solely from Borrower's violation of the owner-occupied restrictions contained herein, then borrower is not contractually liable for the lender's expenses or any other amounts except for repayment of the original indebtedness.
 - (F) **Termination of Owner Occupancy Requirement.** The owner occupancy requirement is terminated upon foreclosure or deed-in-lieu of foreclosure, or if the mortgage is assigned to the Secretary.
7. **Giving of Notices.** Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address. I will promptly notify the Note Holder if my mailing address should change.
 Any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address specified on the first page hereof or a different address if I am given a notice of that different address.

8. Obligations of Persons Under this Note. If more than one person signs this Note, each person is fully and personally obligated to keep all the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person, who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all the amounts owed under this Note.
9. Waivers. I and any other person who has obligations under this Note waive the rights of presentment and notice of dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.
10. Additional Provisions. In additions to the protections given to the Note Holder under this Note, a Subordinate Security Deed, dated the same date as this Note, (the "Subordinate Security Deed"), protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. The Subordinate Security Deed is and shall be subject and subordinate in all respects to the liens, terms, covenants and conditions of the First Security Deed (defined below). The Subordinate Security Deed describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. "First Security Deed" means a Security Deed dated on or about the same date of this Note, which protects the holder of the first Note made by me payable to the order of _____ (the "Senior Lien Holder") which protects the Senior Lien Holder if I do not keep the promises which I made in such first Note. Two of those conditions are described as follows:
- (A) Transfer of the Property or a Beneficial Interest in Borrower. Unless approved in writing by Note Holder (pursuant to applicable rules and regulations of Lender at such time), and except for a conveyance to the Senior Lien Holder, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person), Borrower shall immediately pay in full all sums secured by the Subordinate Security Deed; and
- (B) Refinancing of the Loan Secured by the First Security Deed. In the event the loan secured by the First Security Deed is refinanced, Borrower shall immediately pay in full all sums secured by the Subordinate Security Deed.

IN WITNESS WHEREOF, Borrower has signed and sealed this Note as of the day and year first above written.

THIS SUBORDINATE SECURITY DEED ("Security Instrument") is given on this _____ day of _____, 20____ by _____, an individual resident of the State of Georgia, having a mailing address of _____ ("Borrower") in favor of _____, a _____, having a mailing address of _____ ("Lender");

W I T N E S S E T H; That,

WHEREAS, Borrower owes Lender the principal sum of _____ Dollars (U.S. \$ _____) which is evidenced by that certain Georgia Dream Second Mortgage Note made by Borrower payable to the order of Lender and dated the same date as this Security Instrument (the "Note"); and

WHEREAS, in addition to the loan secured by this Security Instrument (the "Loan"), Borrower obtained a first security deed loan (the "First Security Loan") from _____ (the "Senior Lien Holder"), which is secured by a first security deed lien (the "First Security Deed") on the Property (as such term is hereinafter defined); the First Security Deed, together with any and all other documents evidencing or securing the First Security Loan are collectively referred to herein as the "First Security Deed Loan Documents;" and

NOW THEREFORE, FOR AND IN CONSIDERATION of the sum of Ten and No/100 Dollars (\$10.00), and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in order to secure (a) the repayment of the debt evidenced by the Note, and all renewals, extensions and modifications of the Note; (b) the payment of all other sums, with interest, advanced under Section 1.9 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note (collectively, the "Indebtedness"), Borrower hereby grants, bargains, sells, warrants, conveys aliens, remises, releases, assigns and set over and confirms to Lender and Lender's successors and assigns, with power of sale, subject to the rights of the Senior Lien Holder under the First Security Deed:

TO HAVE AND TO HOLD the Property to the use, benefit and behoove of Lender, its successors and assigns, IN FEE SIMPLE forever.

THIS CONVEYANCE is intended to operate and is to be construed as a deed passing title to the Property to Lender and is made under those provisions of the existing laws of the State of Georgia relating to deeds to secure debt, and not as a mortgage.

Should the Indebtedness secured by this Security Instrument be paid according to the tenor and effect thereof when the same shall become due and payable, and should Borrower perform all covenants herein contained in a timely manner, then this Security Instrument shall be canceled and surrendered.

ARTICLE I **COVENANTS OF BORROWER**

1.1 Payment of Principal and Charges. Borrower shall promptly pay when due the Indebtedness evidenced by the Note, and any other charges due under the Note and this Security Instrument, unless otherwise provided herein. Subject to the provisions of 24 C.F.R. 92.254 (a)(5)(ii)(A)(3), if applicable, the Indebtedness is due and payable on the earlier of (a) refinancing of the First Security Loan; (b) a sale or conveyance of the Property by the Borrower; (c) a foreclosure of the First Security Deed; or (d) a Default (either hereinafter defined or as defined in the First Security Deed), shall have occurred under the Note, this Security Deed or the First Security Deed. Should the Indebtedness not be fully satisfied after application of payment formula outlined in 24 C.F.R. 92.254 (a) (5) (ii) (A) (3) the remaining balance shall be forgiven by Lender.

1.2 Title to the Property. Borrower covenants that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for the First Security Deed and other encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record as of the date of this Security Instrument.

1.3 Funds for Taxes and Insurance. Subject to the provisions set forth in this Section 1.3, Borrower shall pay to Lender upon Lender's request, on the first day of each month, until the Note is paid in full, a sum (the "Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums. Items (a) through (d) are collectively called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the Federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law. The Borrower shall not be obligated to make such payments of Funds to the Lender to the extent that the Borrower makes such payments to the Senior Lien Holder in accordance with the First Security Deed.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case, borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under Section 2.2, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale of the Property, as a credit against the sums secured by this Security Instrument.

If this Security Instrument is subject to any first-priority security deed (the "Prior Security Deed") encumbering the Property, including, without limitation, the First Security Deed, and such Prior Security Deed provides for the Borrower to make the payments required in this Section 1.3, then Borrower's compliance with the covenants in the Prior Security Deed shall be deemed to be in compliance with the provisions of this Section 1.3.

1.4 Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under Sections 1.1 and 1.3 hereof shall be applied: first, to amounts payable under Section 1.3; second, to interest due, if any; third, to principal due; and last, to any late charges or other fees due under the Note.

1.5 Prior Security Deed; Charges; Liens. Borrower shall perform all the Borrower's obligations under the First Security Deed, including Borrower's covenants to make payments when due. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in Section 1.3, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Except for the lien of the First Security Deed, Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which, in the Lender's opinion, operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. Except for the lien of the First Security Deed, if Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of such notice.

1.6 Subordination. Lender and Borrower acknowledge and agree that this Security Instrument is subject and subordinate in all respects to the liens, terms, covenants and conditions of the First Security Deed and to all advances heretofore made or which may hereafter be made pursuant to the First Security Deed, including all sums advanced for the purposes of (a) protecting or further securing the lien of the first Security Deed, curing defaults by the Borrower under the First Security Deed or for any other purpose expressly permitted by the First Security Deed and/or (b) constructing, renovating, repairing, furnishing, fixturing or equipping the Property.

The terms and provisions of the First Security Deed are paramount and controlling and they supersede any other terms and provisions hereof in conflict therewith. In the event of a foreclosure or deed in lieu of foreclosure or assignment to the Secretary of Housing and Urban Development of the First Security Deed, any provisions herein or any provisions in any other collateral agreement restricting the use of the Property to low or moderate income households or otherwise restricting the Borrower's ability to sell the Property shall have no further force or effect. Any persons (including his successors or assigns) receiving title to the Property through a foreclosure or deed in lieu of foreclosure of the First Security Deed shall receive title to the Property free and clear from such restrictions.

Further, in the event a default occurs under the First Security Loan, Borrower shall provide Lender with written notice of such default. In the event the Senior Lien Holder acquires title to the Property pursuant to a deed in lieu of foreclosure, the lien of this Security Instrument shall automatically terminate upon the Senior Lien Holder's acquisition of title.

Further, the Borrower and the Lender agree that whenever the Note or this Security Instrument gives the Lender the right to approve or consent with respect to any matter affecting the property (or the construction of any improvements thereon) or otherwise (including the exercise of any "due on sale" clause), and right of approval or consent with regard to the same matter is also granted to the Senior Lien Holder pursuant to the First Security Deed, the Senior Lien Holder's approval or consent or failure to approve or consent, as the case may be, shall be binding on the Borrower and the Lender.

1.7 Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's right in the Property in accordance with Section 1.9.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgagee clause. All requirements hereof pertaining to insurance shall be deemed satisfied if the Borrower complies with the insurance requirements under the First Security Deed. All original policies of insurance required pursuant to the First Security Deed shall be held by the Senior Lien Holder; provided, however, Lender may be named as a loss payee as its interest may appear and may be named as an additional insured. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier, the Senior Lien Holder and Lender. Lender may make proof of loss if not made promptly by the Senior Lien Holder or the Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Subordinate Security Deed, or (b) to the restoration or repair of the damaged Property. Any excess insurance proceeds over the amount required to pay all outstanding indebtedness under the Note and this Subordinate Security Deed shall be paid to the entity legally entitled thereto.

Any application of proceeds to principal shall not extend or postpone any due date of the payments referred to in Sections 1.1 and 1.3 or change the amount of the payments. If under Section 2.2 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

Notwithstanding the above, the Lender's right to collect and apply the insurance proceeds hereunder shall be subject and subordinate to the rights of the Senior Lien Holder to collect and apply such proceeds in accordance with the First Security Deed.

1.8 Occupancy, Preservation, Maintenance and Protection of the Property; Leasehold. Borrower shall at all times occupy, establish, and use the Property as Borrower's principal residence and shall continue to occupy the Property as Borrower's principal residence for a period of 5 years if the second mortgage is less than \$15,000.00, 10 years if the second mortgage is \$15,000.00 or more but \$40,000.00 or less, or 15 years if the second mortgage is more than \$40,000.00 from the date hereof. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

1.9 Protection of Lender's Rights in the Property. In the event a Default (as such term is hereinafter defined) occurs under this Security Instrument, or there is a legal proceeding that may affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument (including sums secured by the First Security Deed), appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may act under this Section 1.9, Lender does not have to do so.

Any amounts disbursed by Lender under this Section 1.9 shall become additional Indebtedness of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the rate of 10% per annum and shall be payable, with interest, upon notice from Lender to Borrower requesting payment. Notwithstanding anything to the contrary contained in this document, if the Borrower's first Mortgage is FHA-insured, and the Borrower's default results solely from Borrower's violation of the owner-occupancy restrictions contained herein, then Borrower is not contractually liable for Lender's expenses or any other amounts except for repayment of the original indebtedness.

Prior to taking any actions under this Section 1.9, however, Lender shall notify the Senior Lien Holder of such Default in the manner provided in Section 3.4 of this Security Instrument and shall provide the Senior lien Holder with the opportunity to cure any such Default under this Security Instrument. All amounts advanced by the Senior Lien Holder to cure a Default hereunder shall be deemed advanced by the Senior Lien Holder and shall be secured by the First Security Deed. In addition, the Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure or exercise any other rights or remedies hereunder until it has given the Senior Lien Holder at least 60 days prior written notice. Any action by Lender hereunder to foreclose or accept a deed in lieu of foreclosure shall be subject to the "due on sale" provisions of the First Security Deed.

Lender and Borrower further agree that a Default hereunder may, in Senior Lien Holder's sole discretion, constitute a Default under the First Security Deed. In the event the Senior Lien Holder deems a Default hereunder to be a Default under the First Security Loan, the Senior Lien Holder shall have the right to exercise all rights and remedies under the First Security Deed.

1.10 Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for inspection.

1.11 Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of the First Security Deed.

In the event of a total taking of the Property, the proceeds shall be applied first to all amounts due and owing to the Senior Lien Holder under the First Security Loan, then to the sums secured by this Security Instrument, whether then due, with any excess paid to Borrower. In event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone any due date of the payments referred to in Sections 1.1 and 1.3 or change the amount of such payments.

1.12 Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances (as such term is hereinafter defined) on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law (as such term is hereinafter defined). The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Prior to taking any such remedial action, however, the Borrower shall notify the Senior Lien Holder that such remedial action is necessary and shall obtain the Senior Lien Holder's prior written consent for such remedial action. As used in this Section 1.12, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this Section 1.12, "Environmental Law" means federal laws and laws of the State of Georgia that relate to health, safety or environmental protection.

ARTICLE 2

DEFAULT AND REMEDIES

2.1 Events of Default. Any one or more of the following events or conditions shall constitute a "Default" under this Security Instrument:

(a) If any forfeiture action or proceeding, whether civil or criminal, is begun which in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest and Borrower has failed to cure such a default within 60 days after the date on which such action or proceeding is commenced by failing to cause the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest; provided, such 60 day grace period set forth in this subsection (a) shall not apply to any other Default expressly set forth in this Section 2.1 or to any other covenant or condition with respect to which a limitation as to time or grace period or right to cure is expressly provided herein or in the Note; or

(b) If Borrower, during the loan application process or during the term of the Loan, gave or gives materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the Loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence and representations contained in this Security Instrument; or

(c) If the second mortgage is \$15,000.00 or less and Borrower, during the five (5) year period beginning with the date of execution of the Subordinate Security deed, fails to occupy the Property as a principal residence; or

(d) If the second mortgage is more than \$15,000.00 but less than \$40,000.00 and Borrower, during the ten (10) year period beginning with the date of execution of the Subordinate Security deed, fails to occupy the Property as a principal residence; or

(e) If the second mortgage is more than \$40,000.00 and Borrower, during the fifteen (15) year period beginning with the date of execution of the Subordinate Security deed, fails to occupy the Property as a principal residence; or

(f) Except for a conveyance to the Senior Lien Holder under the First Security Deed, and unless approved in writing by Lender (pursuant to applicable rules and regulations of Lender at such time), if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person); or

(g) If the First Security Loan, or any portion thereof, is refinanced by Borrower; or

(h) Failure by Borrower to observe or perform any of the terms, covenants, agreements or conditions contained in this Security Instrument, the Note, or any other instrument, document or agreement evidencing and/or securing the Loan.

2.2 Acceleration; Remedies.

(a) Upon the occurrence of a Default, and subject to any applicable cure periods, if any, Borrower shall immediately pay in full all sums secured by this Security Instrument, subject to the provisions of 24 C.F.R. 92.254 (a) (5) (ii) (A) (3), if applicable; provided however, this provision shall not be enforced by Lender if such provision is prohibited by federal law as of the date of execution of this Security Instrument.

(b) Lender shall give notice to Borrower and the Senior Lien Holder prior to acceleration of the indebtedness following the occurrence of any Default under this Security Agreement. The notice shall specify: (a) the Default; (b) the action required to cure the Default; (c) a date, not less than 30 days from the date the notice is given to Borrower (and with respect to the Senior Lien Holder, 60 days from the date the notice is given to the Senior Lien Holder), by which the Default must be cured; and (d) that failure to cure the Default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. If the Default is not cured on or before the date specified in the notice, and the Senior Lien Holder has not exercised its right to cure the Default, then Lender at its option may require immediate payment of the sums secured by this Security Instrument, subject to the provisions of 24 C.F.R. 92.254 (a)(5)(ii)(A)(3), if applicable, without further demand and may invoke the power of sale granted by Borrower and any other remedies permitted by applicable law.

Borrower hereby appoints Lender as its agent and attorney-in-fact for Borrower to exercise the power sale. Notwithstanding Lender's right to invoke any remedies hereunder, the Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure or exercise any other rights or remedies hereunder until it has given the Senior Lien Holder at least 60 days' prior written notice. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 2.2, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

(c) If Lender invokes the power of sale, Lender shall give a copy of a notice to Borrower and to the Senior Lien holder in the manner provided in Section 3.4 and shall give notice of sale by public advertisement for the time and in the manner prescribed by applicable law. Lender, without further demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Lender determines. Lender or its designee may purchase the Property at any sale.

(d) Lender shall convey to the purchaser indefeasible title to the Property, and Borrower hereby appoints Lender Borrowers' agent and attorney-in-fact to make such conveyance and to execute any and all documents necessary to affect such conveyance. The recitals in the Lender's deed shall be prima facie evidence of the truth of the statements made therein. Borrower covenants and agrees that Lender shall apply the proceeds of the sale in the following order: (i) to all expenses of the sale, including, but not limited to, reasonable attorneys' fees; (ii) to sums secured by this Security Instrument; and, (iii) any excess to the person or persons legally entitled to it. The power and agency granted are coupled with an interest, are irrevocable by death or otherwise and are cumulative to the remedies for collection of debt as provided by law.

(e) If the Property is sold pursuant to this Section 2.2, Borrower, or any person holding possession of the Property through Borrower, shall immediately surrender possession of the Property to the purchaser at the sale. If possession is not surrendered, Borrower or such person shall be a tenant holding over and may be dispossessed in accordance with applicable law.

ARTICLE 3 **MISCELLANEOUS**

3.1 Borrower Not Released; Forbearance by Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment (or otherwise modify amortization of the sums secured by this Security Instrument), by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

3.2 Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent; provided, however, that such modification or accommodation shall not be made without the prior written consent of the Senior Lien Holder.

3.3 Loan Charges. If the Loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

3.4 Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the address of the Property or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice required to be given to the Senior Lien Holder shall be given by first class mail to the following address:

or such other address as the Senior Lien Holder designates by notice to the Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this Section.

3.5 Governing Law; Severability. This Security Instrument shall be governed by federal law and the laws of the State of Georgia. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

3.6 Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

3.7 Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with Section 3.4 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payment should be made. The notice will also contain any other information required by applicable law.

3.8 No Assignment. Until the loan secured by the First Security Deed has been satisfied in full, the Lender and the Borrower agree that the Note and the Security Instrument will not be assigned without the Senior Lien Holder's prior written consent.

3.9 Release. Upon payment of all sums secured by this Security Instrument, Lender shall cancel this Security Instrument without charge to Borrower, other than the recordation costs which shall be paid by Borrower.

3.10 Modification of First Security Deed Loan Documents. The Lender consents to any agreement or arrangement in which the Senior Lien Holder waives, postpones, extends, reduces or modifies any provisions requiring the payment of money.

3.11 Waiver of Homestead. Borrower waives all rights of homestead exemption in the Property.

3.12 Assumption Not a Novation. Lender's acceptance of an assumption of the obligations of this Security Instrument and the Note, and any release of Borrower in connection therewith, shall not constitute a novation.

BORROWER HEREBY ACCEPTS AND AGREES to the terms and covenants in this Security Instrument.

IN WITNESS WHEREOF, Borrower has signed and sealed this Security Instrument as of the day and year first above written.

THIS CONVEYANCE is intended to operate and is to be construed as a deed passing title to the Property to Lender and is made under those provisions of the existing laws of the State of Georgia relating to deeds to secure debt, and not as a mortgage.

Should the Indebtedness secured by this Security Instrument be paid according to the tenor and effect thereof when the same shall become due and payable, and should Borrower perform all covenants herein contained in a timely manner, then this Security Instrument shall be canceled and surrendered.

ARTICLE I **COVENANTS OF BORROWER**

1.1 Payment of Principal and Charges. Borrower shall promptly pay when due the Indebtedness evidenced by the Note, and any other charges due under the Note and this Security Instrument, unless otherwise provided herein. Subject to the provisions of 24 C.F.R. 92.254 (a)(5)(ii)(A)(3), if applicable, the Indebtedness is due and payable on the earlier of (a) refinancing of the First Security Loan; (b) a sale or conveyance of the Property by the Borrower; (c) a foreclosure of the First Security Deed; or (d) a Default (either hereinafter defined or as defined in the First Security Deed), shall have occurred under the Note, this Security Deed or the First Security Deed. Should the Indebtedness not be fully satisfied after application of payment formula outlined in 24 C.F.R. 92.254 (a) (5) (ii) (A) (3) the remaining balance shall be forgiven by Lender.

1.2 Title to the Property. Borrower covenants that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for the First Security Deed and other encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record as of the date of this Security Instrument.

1.3 Funds for Taxes and Insurance. Subject to the provisions set forth in this Section 1.3, Borrower shall pay to Lender upon Lender's request, on the first day of each month, until the Note is paid in full, a sum (the "Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums. Items (a) through (d) are collectively called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the Federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law. The Borrower shall not be obligated to make such payments of Funds to the Lender to the extent that the Borrower makes such payments to the Senior Lien Holder in accordance with the First Security Deed.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case, borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under Section 2.2, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale of the Property, as a credit against the sums secured by this Security Instrument.

If this Security Instrument is subject to any first-priority security deed (the "Prior Security Deed") encumbering the Property, including, without limitation, the First Security Deed, and such Prior Security Deed provides for the Borrower to make the payments required in this Section 1.3, then Borrower's compliance with the covenants in the Prior Security Deed shall be deemed to be in compliance with the provisions of this Section 1.3.

1.4 Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under Sections 1.1 and 1.3 hereof shall be applied: first, to amounts payable under Section 1.3; second, to interest due, if any; third, to principal due; and last, to any late charges or other fees due under the Note.

1.5 Prior Security Deed; Charges; Liens. Borrower shall perform all the Borrower's obligations under the First Security Deed, including Borrower's covenants to make payments when due. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in Section 1.3, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Except for the lien of the First Security Deed, Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which, in the Lender's opinion, operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. Except for the lien of the First Security Deed, if Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of such notice.

1.6 Subordination. Lender and Borrower acknowledge and agree that this Security Instrument is subject and subordinate in all respects to the liens, terms, covenants and conditions of the First Security Deed and to all advances heretofore made or which may hereafter be made pursuant to the First Security Deed, including all sums advanced for the purposes of (a) protecting or further securing the lien of the first Security Deed, curing defaults by the Borrower under the First Security Deed or for any other purpose expressly permitted by the First Security Deed and/or (b) constructing, renovating, repairing, furnishing, fixturing or equipping the Property.

The terms and provisions of the First Security Deed are paramount and controlling and they supersede any other terms and provisions hereof in conflict therewith. In the event of a foreclosure or deed in lieu of foreclosure or assignment to the Secretary of Housing and Urban Development of the First Security Deed, any provisions herein or any provisions in any other collateral agreement restricting the use of the Property to low or moderate income households or otherwise restricting the Borrower's ability to sell the Property shall have no further force or effect. Any persons (including his successors or assigns) receiving title to the Property through a foreclosure or deed in lieu of foreclosure of the First Security Deed shall receive title to the Property free and clear from such restrictions.

Further, in the event a default occurs under the First Security Loan, Borrower shall provide Lender with written notice of such default. In the event the Senior Lien Holder acquires title to the Property pursuant to a deed in lieu of foreclosure, the lien of this Security Instrument shall automatically terminate upon the Senior Lien Holder's acquisition of title.

Further, the Borrower and the Lender agree that whenever the Note or this Security Instrument gives the Lender the right to approve or consent with respect to any matter affecting the property (or the construction of any improvements thereon) or otherwise (including the exercise of any "due on sale" clause), and right of approval or consent with regard to the same matter is also granted to the Senior Lien Holder pursuant to the First Security Deed, the Senior Lien Holder's approval or consent or failure to approve or consent, as the case may be, shall be binding on the Borrower and the Lender.

1.7 Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's right in the Property in accordance with Section 1.9.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgagee clause. All requirements hereof pertaining to insurance shall be deemed satisfied if the Borrower complies with the insurance requirements under the First Security Deed. All original policies of insurance required pursuant to the First Security Deed shall be held by the Senior Lien Holder; provided, however, Lender may be named as a loss payee as its interest may appear and may be named as an additional insured. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier, the Senior Lien Holder and Lender. Lender may make proof of loss if not made promptly by the Senior Lien Holder or the Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Subordinate Security Deed, or (b) to the restoration or repair of the damaged Property. Any excess insurance proceeds over the amount required to pay all outstanding indebtedness under the Note and this Subordinate Security Deed shall be paid to the entity legally entitled thereto.

Any application of proceeds to principal shall not extend or postpone any due date of the payments referred to in Sections 1.1 and 1.3 or change the amount of the payments. If under Section 2.2 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

Notwithstanding the above, the Lender's right to collect and apply the insurance proceeds hereunder shall be subject and subordinate to the rights of the Senior Lien Holder to collect and apply such proceeds in accordance with the First Security Deed.

1.8 Occupancy, Preservation, Maintenance and Protection of the Property; Leasehold. Borrower shall at all times occupy, establish, and use the Property as Borrower's principal residence and shall continue to occupy the Property as Borrower's principal residence for a period of 5 years if the second mortgage is less than \$15,000.00, 10 years if the second mortgage is \$15,000.00 or more but \$40,000.00 or less, or 15 years if the second mortgage is more than \$40,000.00 from the date hereof. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

1.9 Protection of Lender's Rights in the Property. In the event a Default (as such term is hereinafter defined) occurs under this Security Instrument, or there is a legal proceeding that may affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument (including sums secured by the First Security Deed), appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may act under this Section 1.9, Lender does not have to do so.

Any amounts disbursed by Lender under this Section 1.9 shall become additional Indebtedness of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the rate of 10% per annum and shall be payable, with interest, upon notice from Lender to Borrower requesting payment. Notwithstanding anything to the contrary contained in this document, if the Borrower's first Mortgage is FHA-insured, and the Borrower's default results solely from Borrower's violation of the owner-occupancy restrictions contained herein, then Borrower is not contractually liable for Lender's expenses or any other amounts except for repayment of the original indebtedness.

Prior to taking any actions under this Section 1.9, however, Lender shall notify the Senior Lien Holder of such Default in the manner provided in Section 3.4 of this Security Instrument and shall provide the Senior lien Holder with the opportunity to cure any such Default under this Security Instrument. All amounts advanced by the Senior Lien Holder to cure a Default hereunder shall be deemed advanced by the Senior Lien Holder and shall be secured by the First Security Deed. In addition, the Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure or exercise any other rights or remedies hereunder until it has given the Senior Lien Holder at least 60 days prior written notice. Any action by Lender hereunder to foreclose or accept a deed in lieu of foreclosure shall be subject to the "due on sale" provisions of the First Security Deed.

Lender and Borrower further agree that a Default hereunder may, in Senior Lien Holder's sole discretion, constitute a Default under the First Security Deed. In the event the Senior Lien Holder deems a Default hereunder to be a Default under the First Security Loan, the Senior Lien Holder shall have the right to exercise all rights and remedies under the First Security Deed.

1.10 Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for inspection.

1.11 Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of the First Security Deed.

In the event of a total taking of the Property, the proceeds shall be applied first to all amounts due and owing to the Senior Lien Holder under the First Security Loan, then to the sums secured by this Security Instrument, whether then due, with any excess paid to Borrower. In event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone any due date of the payments referred to in Sections 1.1 and 1.3 or change the amount of such payments.

1.12 Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances (as such term is hereinafter defined) on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law (as such term is hereinafter defined). The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Prior to taking any such remedial action, however, the Borrower shall notify the Senior Lien Holder that such remedial action is necessary and shall obtain the Senior Lien Holder's prior written consent for such remedial action. As used in this Section 1.12, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this Section 1.12, "Environmental Law" means federal laws and laws of the State of Georgia that relate to health, safety or environmental protection.

ARTICLE 2

DEFAULT AND REMEDIES

2.1 Events of Default. Any one or more of the following events or conditions shall constitute a "Default" under this Security Instrument:

(a) If any forfeiture action or proceeding, whether civil or criminal, is begun which in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest and Borrower has failed to cure such a default within 60 days after the date on which such action or proceeding is commenced by failing to cause the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest; provided, such 60 day grace period set forth in this subsection (a) shall not apply to any other Default expressly set forth in this Section 2.1 or to any other covenant or condition with respect to which a limitation as to time or grace period or right to cure is expressly provided herein or in the Note; or

(b) If Borrower, during the loan application process or during the term of the Loan, gave or gives materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the Loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence and representations contained in this Security Instrument; or

(c) If the second mortgage is \$15,000.00 or less and Borrower, during the five (5) year period beginning with the date of execution of the Subordinate Security deed, fails to occupy the Property as a principal residence; or

(d) If the second mortgage is more than \$15,000.00 but less than \$40,000.00 and Borrower, during the ten (10) year period beginning with the date of execution of the Subordinate Security deed, fails to occupy the Property as a principal residence; or

(e) If the second mortgage is more than \$40,000.00 and Borrower, during the fifteen (15) year period beginning with the date of execution of the Subordinate Security deed, fails to occupy the Property as a principal residence; or

(f) Except for a conveyance to the Senior Lien Holder under the First Security Deed, and unless approved in writing by Lender (pursuant to applicable rules and regulations of Lender at such time), if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person); or

(g) If the First Security Loan, or any portion thereof, is refinanced by Borrower; or

(h) Failure by Borrower to observe or perform any of the terms, covenants, agreements or conditions contained in this Security Instrument, the Note, or any other instrument, document or agreement evidencing and/or securing the Loan.

2.2 Acceleration; Remedies.

(a) Upon the occurrence of a Default, and subject to any applicable cure periods, if any, Borrower shall immediately pay in full all sums secured by this Security Instrument, subject to the provisions of 24 C.F.R. 92.254 (a) (5) (ii) (A) (3), if applicable; provided however, this provision shall not be enforced by Lender if such provision is prohibited by federal law as of the date of execution of this Security Instrument.

(b) Lender shall give notice to Borrower and the Senior Lien Holder prior to acceleration of the indebtedness following the occurrence of any Default under this Security Agreement. The notice shall specify: (a) the Default; (b) the action required to cure the Default; (c) a date, not less than 30 days from the date the notice is given to Borrower (and with respect to the Senior Lien Holder, 60 days from the date the notice is given to the Senior Lien Holder), by which the Default must be cured; and (d) that failure to cure the Default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. If the Default is not cured on or before the date specified in the notice, and the Senior Lien Holder has not exercised its right to cure the Default, then Lender at its option may require immediate payment of the sums secured by this Security Instrument, subject to the provisions of 24 C.F.R. 92.254 (a)(5)(ii)(A)(3), if applicable, without further demand and may invoke the power of sale granted by Borrower and any other remedies permitted by applicable law.

Borrower hereby appoints Lender as its agent and attorney-in-fact for Borrower to exercise the power sale. Notwithstanding Lender's right to invoke any remedies hereunder, the Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure or exercise any other rights or remedies hereunder until it has given the Senior Lien Holder at least 60 days' prior written notice. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 2.2, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

(c) If Lender invokes the power of sale, Lender shall give a copy of a notice to Borrower and to the Senior Lien holder in the manner provided in Section 3.4 and shall give notice of sale by public advertisement for the time and in the manner prescribed by applicable law. Lender, without further demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Lender determines. Lender or its designee may purchase the Property at any sale.

(d) Lender shall convey to the purchaser indefeasible title to the Property, and Borrower hereby appoints Lender Borrowers' agent and attorney-in-fact to make such conveyance and to execute any and all documents necessary to affect such conveyance. The recitals in the Lender's deed shall be prima facie evidence of the truth of the statements made therein. Borrower covenants and agrees that Lender shall apply the proceeds of the sale in the following order: (i) to all expenses of the sale, including, but not limited to, reasonable attorneys' fees; (ii) to sums secured by this Security Instrument; and, (iii) any excess to the person or persons legally entitled to it. The power and agency granted are coupled with an interest, are irrevocable by death or otherwise and are cumulative to the remedies for collection of debt as provided by law.

(e) If the Property is sold pursuant to this Section 2.2, Borrower, or any person holding possession of the Property through Borrower, shall immediately surrender possession of the Property to the purchaser at the sale. If possession is not surrendered, Borrower or such person shall be a tenant holding over and may be dispossessed in accordance with applicable law.

ARTICLE 3 **MISCELLANEOUS**

3.1 Borrower Not Released; Forbearance by Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment (or otherwise modify amortization of the sums secured by this Security Instrument), by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

3.2 Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent; provided, however, that such modification or accommodation shall not be made without the prior written consent of the Senior Lien Holder.

3.3 Loan Charges. If the Loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

3.4 Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the address of the Property or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice required to be given to the Senior Lien Holder shall be given by first class mail to the following address:

or such other address as the Senior Lien Holder designates by notice to the Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this Section.

3.5 Governing Law; Severability. This Security Instrument shall be governed by federal law and the laws of the State of Georgia. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

3.6 Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

3.7 Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with Section 3.4 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payment should be made. The notice will also contain any other information required by applicable law.

3.8 No Assignment. Until the loan secured by the First Security Deed has been satisfied in full, the Lender and the Borrower agree that the Note and the Security Instrument will not be assigned without the Senior Lien Holder's prior written consent.

3.9 Release. Upon payment of all sums secured by this Security Instrument, Lender shall cancel this Security Instrument without charge to Borrower, other than the recordation costs which shall be paid by Borrower.

3.10 Modification of First Security Deed Loan Documents. The Lender consents to any agreement or arrangement in which the Senior Lien Holder waives, postpones, extends, reduces or modifies any provisions requiring the payment of money.

3.11 Waiver of Homestead. Borrower waives all rights of homestead exemption in the Property.

3.12 Assumption Not a Novation. Lender's acceptance of an assumption of the obligations of this Security Instrument and the Note, and any release of Borrower in connection therewith, shall not constitute a novation.

BORROWER HEREBY ACCEPTS AND AGREES to the terms and covenants in this Security Instrument.

IN WITNESS WHEREOF, Borrower has signed and sealed this Security Instrument as of the day and year first above written.
